School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 2018 November

Folsom Cordova Unified held a Public Hearing on September 20, 2018, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Folsom Lake High was originally constructed in 1998 and is comprised of six (6) classrooms, (3) Independent Living Skills (ILS) classrooms, (1) Walnutwood Individualized Service Plan (ISP) satellite classroom, a multipurpose room/cafeteria, multi use room, administrative office and staff lounge.

The principal works with the school's one part-time custodian to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the District Office for review.

District maintenance staff oversees work orders and repairs necessary to keep the school in good repair and are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. If items are noted in the table, items are in the process of remediation. The District participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Facilities Inspection Tool (FIT) report was completed on: October 04, 2018.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)		
Year and month of the most recent FIT report: 2018 November

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	49.0	33.0	61.0	64.0	48.0	50.0
Mathematics (grades 3-8 and 11)	3.0	8.0	51.0	53.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	27	27	100.00	33.33
Male	19	19	100.00	21.05
Female	--	--	--	--

Hispanic or Latino	--	--	--	--
White	16	16	100.00	37.50
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	11	11	100.00	18.18
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	27	25	92.59	8

Female	--	--	--	--
Hispanic or Latino	--	--	--	--
White	16	14	87.5	7.14
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	11	11	100	0
Students with Disabilities	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education Programs (School Year 2017-18)

The Career Technical Education (CTE) Program at Folsom Lake High School prepares students for success in college and careers. The CTE program offered supports the high demand industry sector of Information Technology. The two pathways in this industry sector concentrate on the areas of Information Support & Services and Software & Systems Development.

The pathways are supported by a two course sequences that offer rigorous, hands-on, project based learning.

The development of student leadership, service and work based learning, is supported by the Career Technical Student Organization, Skills-USA, Preceptor-ships and or Internships.

The CTE Advisory board meets at least once a year, and is comprised of stakeholders, business partners, and college representatives.

Career Technical Education Participation (School Year 2017-18)

Measure	CTE Program Participation
Number of pupils participating in CTE	31
% of pupils completing a CTE program and earning a high school diploma	39%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2017–18 Pupils Enrolled in Courses Required for UC/CSU Admission	62.2
2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	0.0

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Folsom Lake High School does not have a formal PTSA organization. However, community volunteers have been active on the campus during the school year. All parents are part of the enrollment process and have participated in an orientation program. We encourage parent participation in our annual "Back to School Night". Parents are encouraged to keep in contact with the principal and with their student's teachers and they have done so with frequent regularity. Folsom Lake High School utilizes Power School Parent Portal, an online communication program made available to parents by the district. Parents are able to monitor the academic and attendance progress of their students on a daily basis.

For additional information about Folsom Lake High School, please contact Leane Linson, Principal, at 916-294-9055.

Contact Information: Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Doris Gronachon, Folsom Lake High School, 916-294-9055.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

School Safety Plan (School Year 2018-19)

Our school is safe and clean. Restrooms and eating facilities are cleaned daily. Classrooms are cleaned every day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. Emergency plans have been developed and reviewed with staff in case a threatening situation should arise. There was one (1) reported student accident for the 2017-18 school year.

The Comprehensive Safe School Plan has the following main components: Crime Report Information, Child Abuse Reporting, Disaster Procedures, Crisis Control and Response, Critical Incident Response, Discipline/Suspension/ Expulsion Procedures, Sexual Harassment and Title XIV, Duck and Cover Procedures, "Lock Down" Procedures, School Dress Code, and Fire Drill Procedures and Active Shooter drill and training for both students and staff.

Professional Development (Most Recent Three Years)

Folsom Cordova provides up to three professional development days for certificated staff for the current year and the last two years.

Each employee is encouraged to grow professionally through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through our Professional Development Academy (PDA), a model of lead teachers and site level reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with BTSA (Beginning Teacher Support and Assessment) to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district. The district is involved with both ATP (Administrator Training Program) and Teacher Training, which increase the capacity of all staff to deliver a standards-based curriculum.

2016-2017 Professional Development Plan:

Each school year, the Principal implements a Professional Development plan for staff. This plan includes four additional staff development training days with Kinney High School our district's other Continuation High School. These collaboration trainings include:

It is the goal of Folsom Lake High School to assist students in their social and personal development as well as academics. The school provides additional support to students who are experiencing academic challenges, difficulty coping with personal and family problems, difficulty with decision making, or handling peer pressure. The counselor to pupil ratio is .2:52. (Counselor has been assigned Tuesdays only as a full day.) In addition to the School Counselor, a Mental Health Specialist has been providing counseling for students through a staff, parent or student referral process. Four days per week of Mental Health counseling services has been implemented over the years to provide support for our most "At Risk" tier 3 students.
