# Walnutwood High School School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

School Vision and Mission:
The Mission of Walnutwood High School is to provide each student an individualized opportunity, with parent and teacher support, to earn a high school diploma, acquire values, skills, and knowledge necessary to promote lifelong learning, enhance self-esteem, and become productive, responsible citizens.
The Vision of Walnutwood High School is to provide an alternative to the traditional classroom setting where the individual needs of each student are addressed. Emphasis is placed on self respect, self discipline, personal responsibility, and achievement.

School \& Community Profile:
In addition to Walnutwood High School (WHS), there are nineteen elementary schools, four middle schools, three traditional high schools, one charter school, one community day school and two continuation high schools in the Folsom Cordova Unified School District. WHS, with a four year average enrollment of 176 students, serves students in traditional Independent Study for grades 7-12, as well as serving students in two district programs: Adolescent Parent Program (APP) and Medical independent Study (MIS). WHS is an open entry-open exit school.

Independent study students typically meet with their teacher once each week for forty-five minutes. During that time teachers verify student homework, administer tests, give instruction, and provide new assignments. Students are primarily responsible for organizing their learning activities during the week. However, the teacher is available via e-mail or telephone to assist or advise students who are in need of help with their studies. Open access tutorials, staffed by a WHS instructor and or a Special Education aide, are available for students desiring additional academic support. Chromebooks and supplemental computer programs plus internet access are available.

For many of our students, WHS is their school of choice where they attend, thrive and make progress towards graduation. For others, WHS may not be their best option, but for a variety of reasons, it is their only option. Thus we have a wide array of students from college bound, self-motivated, and goal oriented, to others who have not been successful anywhere else in their school career. We welcome them all and develop an individual education plan that best meets the needs of each student. On average $31 \%$ of our students live in poverty and when blended with English Learners we have a 34\% unduplicated count.

Some of our students participate in Medical Independent Study; a program designed to address the needs of students who, for medical reasons, are unable to attend class at their home school. The District's Health Services validate the medical need and, in conjunction with the doctor's office, determine if the student is best served at home or at WHS. Our Adolescent Parent Program (APP) serves students who are pregnant or parenting. The school has an on site Child Development Center to care for infants and toddlers while their parents are in class. Students in APP attend classes four hours each day where they not only work on graduation requirements, but also learn essential parenting skills. Our APP students, (both mother and father) range in age from 14-19 years old.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 2019 August
Folsom Cordova Unified held a Public Hearing on December 19, 2019, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements (Most Recent Year)

Walnutwood High was originally constructed as an elementary school and modified for an independent study high school. A modernization project was completed in the summer of 2004. Classrooms and other facilities were converted to meet the unique needs of an independent study program. Modernization included providing more teacher student learning stations and installing new heating and air conditioning. The principal works with the custodians to ensure that the school is maintained to provide for a clean and safe school environment. A facilities directional sign was added to the school in the fall of 2005 and, with the passage of "Measure $N$ " improved landscaping, lighting and nighttime security was added.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, note that even minor discrepancies are reported in the inspection process. Any items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Date of Inspection: 10/11/2019

## School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2018-19)

Students enrolled at Walnutwood High School have the opportunity to participate in Career and Technical Education offerings on site and through our online program offerings. They can also be concurrently enrolled at comprehensive sites in our district that have a wide variety of offerings.
In spring of 2020, we will begin offering Principles of Business, Marketing, and Finance, and Game Design. Students were instrumental in choosing these courses from a menu of options available to them.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

## Opportunities for Parental Involvement (School Year 2019-20)

Walnutwood High School encourages parent involvement. We have a School Site Council (SSC) that provides a forum for parent input and support. The School Site Council advises on global issues impacting our school.

All parents and students attend an orientation meeting before their students enroll in Walnutwood High School. At this time, parents learn about the school, its requirements and the opportunities available to assist their students to be successful.

We have opportunities throughout the year for parents to be involved in activities such as our back to school barbecue, Explore Rancho, and our annual Thanksgiving Feast. Parents are also encouraged to attend meetings (such as IEP, SST and conferences) with teachers to help their children be successful learners.

Contact Information: Students within the Folsom Cordova Unified School District who are interested in exploring an independent study program should meet with their counselor and discuss whether Walnutwood High/Middle School would be a good option for them. Parents interested in exploring Walnutwood as an educational option should call the school at (916) 294-9105 and we will be happy to guide you through the process. Information is also available on our web site: www.fcusd.org/WHS

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Shelley Raffaelli, Administrative Assistant, Walnutwood High School or Annie Conover, Principal at (916) 294-9105.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

## School Safety Plan (School Year 2019-20)

Walnutwood High School, which is located at the Community Education Center, is safe and clean with a detailed list of cleaning times and days. Restrooms, eating facilities and the Child Development Center are cleaned daily. Classrooms are cleaned every third day.

Safety plans are reviewed annually. Emergency plans are in place for any threatening incident and all of our evacuation routes, as well as duck and cover, and fire drills have been updated and are practiced as required. Recent renovations included a new phone system and emergency communication upgrades. Any safety hazard that was reported was reviewed immediately and resolved.

The Safety Plan includes the following main components: Crime Report Information, Child Abuse Reporting, Disaster Procedures, Crisis Control and Response, Critical Incident Response, Discipline/Suspension/Expulsion Procedures, Sexual Harassment and Title XIV, Fire Drills, Duck-and-Cover Procedures, Lock-Down Procedures, and School Dress Code. There were zero accidents reported in our school in the 2018/19 school year.

## Types of Services Funded (Fiscal Year 2018-19)

## District Revenue Sources

In addition to general state funding, Walnutwood High School receives state and federal funding from the following categorical funds and other support programs: Title II, Title III English Learners, Title III Immigrant Student Program, LCAP Supplemental Funds (English Learners/Low Income Student), Comprehensive School Improvement (CSI) funds, and state funds for after school interventions for at-risk students. Data Sources: Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2018-19 school year SARC template, and/or located on Dataquest (http://data1.cde.ca.gov/dataquest). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Folsom Cordova Unified School District provides up to three professional development days for certificated staff for the current year and the last two years.

Each employee is encouraged to grow professionally through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. Districtsponsored in-service and training are provided through Professional Development (PD), a model of lead teachers and site level reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with Beginning Teacher Support and Assessment (BTSA) to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district.

## Counseling \& Support Staff

It is the goal of Walnutwood High to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. In addition, this year we are implementing Professional Learning Communities (PLC) at our schools. The counselor to pupil ratio is one to approximately 1:170.
