School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Our mission at Cordova Villa Elementary School is to provide a community for our students that fosters social, emotional, and behavioral skill development in order to achieve academic success.

Vision:

In partnership with families and community organizations, Cordova Villa Elementary will inspire students to achieve the highest standards of intellectual and personal development through stimulating and comprehensive programs within a caring, respectful, and multicultural environment. The school community is committed to developing students who are resilient and adaptable, equipped with the knowledge, skills, and disposition to continue their education and become responsible, successful adults.

School & Community Profile:

Folsom Cordova Unified School District is comprised of two communities located in Sacramento County along HWY 50. With a population of more than 20,600 students, schools are an average of twenty miles from downtown Sacramento and just over 100 miles from San Francisco. Folsom Cordova Unified School District enrolls Preschool through Adult. There are twenty elementary schools, one charter elementary school, four middle schools, three comprehensive senior high schools, three alternative high schools, and an adult school.

Cordova Villa Elementary School, located in the community of Rancho Cordova, operates on a traditional schedule August through May. During the first month of the 2019-20 school year, 466 students were enrolled in grades TK through fifth, with students with disabilities making up 14.6% of our population. Our school consists of the following race/ethnicity groups: 42.7% Hispanic/Latino, 16.3% African American, 15.2% White, 8.2% Asian, 3.4 % Pacific Islander, 1.7% Filipino, 0.9% American Indian, and 11.2% reporting two or more races. As a Title 1 school, we have 89% poverty rate, including 1% foster youth and 6% homeless. Our English Learner population makes up 31% of our enrollment, of which 8% have been in the country less than three years. Our English Learners speak a variety of languages including Spanish, Farsi, Pashto, Russian and Ukrainian. In addition, we have 57% of students reporting being on welfare. Our students with disabilities make up 14.6% of our population, including preschool. In addition to a special education preschool program, our site also houses a state preschool program consisting of 55 students. Cordova Villa Elementary has 72 students enrolled in the ASES program known as “STARS” daily until 6:00pm.

Cordova Villa is a community school and we work with parents as partners in their child's education. We continue to find creative ways to involve our parents through school events such as field trips, drama productions, chili cook-offs, English Learner Advisory Committee (ELAC), and School Site Council. Teachers regularly communicate home and support families not only in academics, but with social emotional needs as well. With a focus on the California Common Core State Standards, we hold high expectations for students and provide additional supports throughout the school day to meet the needs of each individual student. As a Positive Behavioral Interventions and supports (PBIS) school, we focus on structures and supports that promote positive behavior management in and out of the classroom, teaching and reinforcing behavior expectations to help prevent problem behaviors from interfering in student learning. We support our students' social and emotional needs through classroom structures and lessons designed for emotional regulation and have a designated Marriage Family Therapist (MFT) and school psychologist on site.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 2020 August

Folsom Cordova Unified held a Public Hearing on September 24, 2020, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Advance, 2016	Yes	0.0%
Mathematics	Pearson - enVision, 2015	Yes	0.0%

School Facility Conditions and Planned Improvements

Cordova Villa Elementary was originally constructed in 1966 and is comprised of twenty-five classrooms (25 classrooms are currently in use), one cafeteria, one library, one staff lounge, one computer lab, and two playgrounds. The 2009 modernization included the remodeling of the main building, replacement of three portables, the construction of a new multipurpose room, and the refurbishment of the school fields and landscape.

The principal works daily with the custodial staff of one (1) full time and two (2) part time custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Date of inspection: 10/07/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Cordova Villa actively seeks and appreciates the resources to assist under achieving students from families and community partners (i.e., River City Christian Church, Intel PC Pals, Costco, Walmart, Target, WinCo, Dignity Health, Kaiser, Grocery Outlet, Rancho Cordova Rotary Club, and Community Readers). The school and FCUSD also provide resources to support underachieving students (i.e., parent workshops, school supplies, academic support).

We provide opportunities for parents, staff and community members to take part in the planning, implementation, and evaluation of programs through participation in our School Site Council, English Learner Advisory Committee, and quarterly meet and greets with the Principal.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	3.5	1.2	5.0	4.2	3.5	3.5
Expulsions	0.0	0.2	0.2	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Cordova Villa Elementary is safe and clean. Classrooms, restrooms and eating facilities are cleaned and disinfected regularly. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall. Our school is participating in the School Emergency Response plan based on the Incident Command System that Emergency Services uses. Each month Cordova Villa practices either a lockdown, Fire drill or a Hold and Secure drill.

Our Safe Schools Plan encompasses disaster procedures, fire escape routes, school conduct code and discipline, sexual harassment policy, and child abuse reporting. This year we adopted and are following the site-specific COVID-19 Pandemic Response Plan. The plan was reviewed by the Site Council on August 31, 2020. During the 2019-20 school year, there were nine reported student accidents.

Date of Last Review/Update: August 31, 2020

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers and site level academic, reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

It is the goal of Cordova Villa Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision-making or handling peer pressure. Our Professional Learning Community is focused on developing the knowledge and skills of our entire staff to support student learning.
