School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 2020 August

Folsom Cordova Unified held a Public Hearing on September 24, 2020, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Folsom Middle School opened in September of 1968 with 243 seventh and eighth grade students. Our two-story classroom building and our multi-purpose building were constructed and opened, respectively, in July and September of 1994. In 1997, the school's name was changed to Folsom Middle School when it opened its doors to sixth grade students. Our school is comprised of 52 classrooms, a gymnasium, technology lab, computer lab, media center, art lab, home economics lab and multi-purpose room, and serves over 1,400 students. Remodeling in 2003-2004 included upgrading our technology infrastructure, replacing flooring, lighting and ceiling treatments, replacing the heating and air conditioning system in the A-Wing, and building a new gymnasium.

The principal and vice-principal work daily with six custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the work orders and repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Date of inspection: 09/25/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Opportunities for Parental Involvement (School Year 2020-2021)

Folsom Middle School hosts a School Site Council (SSC), Parent Teacher Organization (PTO), and English Language Advisory Committee (ELAC), which focus on supports for all students including academically underachieving students and those needing additional services to experience success. Parents are always encouraged to be involved and Student Support Team (SST) meetings are scheduled to support students who struggle academically or behaviorally and are experiencing difficulty with maintaining grade level expectations.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Due to Folsom Middle School still being on a Distance Learning Platform under the COVID-19 restrictions, a worksite safety plan for the return to campus has been created and published for a safe return to campus following the guidelines of the Centers for Disease Control and Prevention and the Sacramento County Public Health Guidelines. The Folsom Cordova Unified School District Risk Management Team has approved this plan.

In addition to the COVID-19 worksite plan:

Restrooms and eating facilities are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. The latest update was October 2020. Emergency plans have been developed in case a threatening situation should arise and are located in the emergency binder in the Principal's office.

Student safety is a priority at Folsom Middle School. The school employs campus monitors and additional lunch supervision staff to monitor students and ensure campus safety. Administrators, custodians, campus monitors, and office personnel remain in constant contact via the use of two-way radios. Folsom Middle School is integrating the CATAPULT emergency system for communication during crisis situation. The Folsom Middle School Safety Committee meets regularly to review all safety procedures on campus. Any student accident or safety concern is immediately reported and addressed. There were 11 student accidents in 2019-2020. Folsom Middle School also has access to three Folsom Police Department School Resource Officers.

Folsom Middle School is continually updating its current emergency plan to align directly with the federally adopted Incident Command System. This is a standardized, on-scene, all-hazard incident management system which describes, to the extent possible, the standard operating procedures and responsibilities that the school, along with the District and external cooperating and assisting agencies, will use for responding to any emergency affecting students, staff and/or property of the District. All rooms have posted by the door an emergency protocol chart, which outlines procedures and resources to be activated in the event of an emergency.

Folsom Middle School's Safety Plan includes:

- Disaster procedures
- Routine and emergency procedures
- Evacuation routes
- Child abuse reporting procedure
- Student conduct code
- Policies related to suspension and expulsion
- Sexual harassment policies
- School dress code
- Maintaining a safe and orderly school environment
- School discipline policy

All policies and regulations that students and parents are responsible for knowing are clearly communicated to parents and students through Parent/Student Handbooks, Student Conduct Code and require an acknowledgement sign-off from the parent and student. Students are regularly reminded of policies and regulations during school wide assemblies. Any changes or revisions of policies or regulations are communicated to all staff, parents and students.
