## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### School Vision and Mission:

At Gold Ridge, students receive exemplary academic instruction.

Teachers are knowledgeable and skilled at engaging and challenging students.

Students move on to the next grade level well prepared.

Teachers believe in working together to support student success. Teachers meet and work collaboratively on a regular basis.

Ensuring the success of all students is a team effort.

Learning is enriched and strengthened through technology and the arts.

We are committed to the inclusion and integration of all students.

### School & Community Profile:

Gold Ridge Elementary is a Pre-K – 5th grade school located in the Broadstone neighborhood of Folsom. Kemp Park and wetland marshes, ponds, and creeks are within easy walking distance of the school. The campus houses 25 classrooms, a library, a Student Care Center, and both Special Education and Adult Education preschool programs. Our multipurpose building includes a stage and a serving kitchen; gym facilities are shared with the Folsom Parks and Recreation Department.

As of California Longitudinal Pupil Achievement Data System (CALPADS) 2021, our student enrollment was 534 students. We have a racially and culturally diverse student population representative of California. Our students speak approximately 30 different home languages, and language minority students represent 30 percent of our school population.

Our teachers and staff are committed to high academic expectations with individualized support to help all students master content standards. To complement our academic emphasis, we believe all students benefit from a rich variety of experiences in

## 2021-22 School Overview

Music, Physical Education, Technology, and the Arts. Our teachers partner with parent volunteers and community groups to extend learning through programs such as Eagles Art (a docent led Visual Arts program), 3E Science (parent supported hands on Next Generation Science Standards (NGSS) hands on activities), PC Pals (provided by Intel Corporation volunteers), and a variety of after school clubs. Our commitment to the Visual and Performing Arts is on display at grade level music and theater performances, school clubs like Drama and Chorus, and our annual Celebration of the Arts.

Parents are engaged in a wide variety of leadership and volunteer activities that enrich and support learning. Our Parent Teacher Association (PTA) sponsors community events such as our Back to School Kick Off and Winter Wonderland, funds assemblies, and organizes enrichment activities such as Science Fair and our parent docent Science Technology Engineering and Math (STEM) program 3E Science. Approximately 300 parents sign up each year to work as Science and Art docents, volunteer in classrooms, and chaperone field trips.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

<b>Year and month in which the data were collected</b>	2021 August

## School Facility Conditions and Planned Improvements

Gold Ridge Elementary was originally constructed in 1998 and is comprised of 25 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, an occupational therapy room, and two playgrounds.

The principal works daily with the custodial staff of three full time employees to ensure that the school is maintained in a clean and safe manner. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the work orders and repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Date of inspection: October 29, 2021

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

The Gold Ridge PTA supports parental engagement through family nights, weekend events, and parent education programs. Parents volunteer in classrooms - tutoring target students, supporting our Accelerated Reader program, presenting 3E Science and Eagles Art, and enabling classes to take educational field trips off-site - enriching and extending learning in wonderful ways. Family education events range from enrichment assemblies on Science and STEM to formal training that supports parenting such as Love and Logic.

We maintain a robust website that receives thousands of visits monthly that we use to communicate with and engage our community about instruction, intervention, and supplemental learning opportunities.

Parents serve on the English Language Advisory Committee (ELAC), School Site Council, PTA committees, and as classroom and school wide volunteers. Our School Site Council (SSC) consists of equal numbers of staff and parents who meet on a regular basis to review programs and priorities and advise the principal.

### C. Engagement

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.17	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Gold Ridge is a safe and clean facility. There was one student accident reported at our school in the 2020-2021 school year. Restrooms and the cafeteria are cleaned daily. Classrooms are cleaned every third day. Any safety hazard that is reported is reviewed immediately and resolved. Emergency plans have been developed in the event a threatening situation should arise.

Our Written Worksite Specific Plan (WWSP) for pandemic response calls for twice daily sanitizing of in-person classrooms and hourly sanitizing of restrooms and common areas. Robust procedures are in place to ensure physical distancing, mask wearing, hand washing, and symptom screening.

Gold Ridge has identified three overarching rules to support positive behavior at school: be safe, be respectful, and be responsible. The school rules are published in the Student/Parent Handbook and reviewed with students each trimester through a broad based Positive Behavior Intervention and Support (PBIS) program. Gold Ridge PBIS includes an Eagle ticket program with monthly and weekly reinforcement activities, grade level behavior videos, special assemblies, and classroom based instruction. Physical education teachers present guidelines for safety using playground equipment and rules for games.

Gold Ridge addresses safety in multiple other ways as well. We maintain a close alliance with the Folsom Fire Department and with the Folsom Police Department. The safety team consists of the principal, the department chair, the Physical Education (PE) specialist, the head custodian, and the Office staff. Each member has a radio for communication during drills and if an unexpected emergency were to occur. The team meets monthly to review safety procedures and plan emergency drills. Additionally, campus supervisors are trained on campus rules, and crisis and safety protocols.

## Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

Professional development is focused on supporting students master essential standards through collaborative work in Professional Learning Communities. Teachers have or will soon receive training in Response to Instruction (RtI), iReady, Lexia Core 5, enVision math, Benchmark for ELA, and Second Step.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
