2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Vision and Mission:

The mission of Sandra J. Gallardo Elementary School is to meet the needs of all learners in a safe, supportive environment that better prepares each student for college and career readiness.

The vision of Sandra J. Gallardo Elementary School is to provide a professional learning community where each student receives rigorous learning opportunities to build a strong educational and social foundation needed to succeed in school and life. Sandra J. Gallardo Elementary School's administration and staff will provide:

- High Expectations
- Rigorous Curriculum
- Community Involvement
- Promotion of 6B's Character Traits (Be Safe, Be Kind, Be Respectful, Be Responsible, Be on Task, Be Present)

School & Community Profile:

Sandra J. Gallardo Elementary School is an elementary school in Folsom, California, serving Kindergarten through 5th grade. Our student enrollment, reported on the California Basic Educational Data System (CBEDS) in August 2021, is 365. In 2010, our school was named a Distinguished School based on academics, student performance, and a positive learning environment. Our school is a place where students, staff, parents, and community members interact to create a collaborative learning environment while respecting and celebrating individual differences. In 2019, FCUSD provided Equity training for select teachers in supporting our campus and providing a culture where everyone recognizes diversity, equity, and inclusion. Sandra J. Gallardo Elementary School has (1) teacher who has completed the training and received the Cultural Competency Certificate. This Fall, additional representatives will be trained and taught these concepts for continued support for our staff and students.

Sandra J. Gallardo Elementary School is structured around high academic and behavioral expectations, which helps to maintain, support, and encourage a positive school-wide atmosphere. Our school and staff reflect a culture of a caring, supportive and strong home-school connection made up of educators who hold California Teaching Credentials and paraprofessionals, both of who are committed to educational excellence for all students. Teachers regularly participate in

2021-22 School Overview

Professional Development (PD) and collaborative opportunities through our Professional Learning Communities (PLCs).

As we serve the needs of our students, we offer programs that serve the individual academic needs including Speech, Occupational Therapy, and Intervention Programs. Opportunities for differentiated learning help to provide challenges for all students, including those identified for Gifted and Talented Education (GATE). Additionally, we support English Learners (EL) with qualified staff and programs identified to develop English acquisition skills. Sandra J. Gallardo Elementary School is also home to a Student Care program.

Our curriculum is focused on teaching students the District adopted Common Core State Standards in all grades. Materials used in classrooms are State and District adopted. Chromebooks are used in all classrooms. We are using a Professional Learning Communities (PLC) model to continue to build teacher efficacy that will support and improve learner outcomes. As we develop our Science, Technology, Engineering, Math (STEM) Program, teachers and parents bring Science exploration to the classroom. Additionally, students participate in Student Council, Music, STEM Night, Science Fair, Math Bowl, Cross Country, and other social events during the school year.

Our school-wide discipline program is based upon a positive culture approach including Positive Behavior Interventions and Supports (PBIS), participation of Swamp Supporters, and student engagement. We utilize the Second Step curriculum, The 6 Bs (Be Safe, Be Kind, Be Respectful, Be Responsible, Be On Task, Be Present), Positive Postcards, and Atta Gator incentives, which recognize student progress and positive choices. Students in need of additional support such as counseling and/or interventions participate in the Primary Intervention Program (PIP)/Special Friends.

Parent participation is encouraged to foster a relationship between home and school. With the support of our Parent Teacher Association (PTA), Intel Corporation funds, and parents, we are able to offer extended day programs, interventions and enrichment clubs held after school hours, (i.e. Chess Club, Honey Coding, Yearbook Club, Early Engineers, Firefly Art, Cross Country, Ukulele, History Club, etc.). Our parent docent Fine Arts Mini Experience (FAME) program is designed to enrich the visual and performing arts. Community volunteers support our campus by explaining economics through the Intel/PC Pals program, Rotary Club, and Junior Achievement program.

At Sandra J. Gallardo Elementary School, we believe that all students can learn. As we work in partnership with our families, we can facilitate learning to ensure that our students will achieve their highest potential. This will be accomplished by maintaining high standards, teaching a rigorous curriculum, promoting good character, and supporting the social and emotional needs of our students and staff

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Sandra J. Gallardo Elementary was originally constructed in 2003 and is comprised of 28 classrooms, a multipurpose room/cafeateria, a library, a staff lounge, a computer lab, 2 learning centers, and 2 playgrounds. Recent remodeling included the addition of a second student care facility.

Cleaning Process: The Principal works daily with the custodial staff of three employees (two full time and one half time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the District office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The District participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Date of inspection: October 1, 2021

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parental Involvement / Parent Teacher Association (PTA): Gallardo is utilizing parental involvement in conjunction with our Parent Teacher Association (PTA). Parents are encouraged to be actively involved in our PTA, School Site Council (SSC), in the classrooms, and special events. Specifically, our PTA is dedicated to supporting our campus with endless campus needs. Parents are welcome at our school which brings additional support, expertise, and creativity to our learning community. As COVID-19 Health and Safety guidelines change, additional campus volunteer opportunities for parents and community members will become available.

Communication: Gallardo's school website, Gator News newsletter, and Membership Tool Kit (PTA Sponsored), is updated regularly. The home-school communication system, Blackboard Connect, informs parents of important information and upcoming events.

For additional information regarding organized opportunities for parent involvement at Sandra J. Gallardo Elementary School, please contact Mikal Thompson, Parent Coordinator, at 916.294.9170.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.17	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Our school is safe and clean. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each Fall and Spring. During instructional time, Gallardo is a closed campus, and classroom doors are closed and locked. Staff members are diligent about checking that all visitors and parent volunteers have registered with the office as well as wearing the appropriate identification badge while on campus.

Emergency Plans have been developed in case a threatening situation should arise. Fire and Evacuation Drills are conducted on a regular basis based on Comprehensive Hour Zero training. We continue to foster a strong relationship with our local law enforcement and emergency responders.

Utilizing yard supervisors, students are supervised before and after school, as well as during all recesses and lunch periods. Our playground and classrooms meet or exceed all safety requirements. There was one reported student accident for the 2020-2021 school year.

The health and safety of our staff and students are of utmost importance. Due to the COVID-19 pandemic, a special Written Worksite Plan has been developed. Following procedures as provided by public health officials, our site works closely with District and Health Services departments. Safety measures such as wearing masks, social distancing, washing hands, and providing any needed Personal Protective Equipment (PPE) are just a few of the precautions that are currently in place. Classrooms are configured to allow distancing, with regular sanitizing and cleaning occurring throughout the day. A screening protocol has been provided to each family and staff member as well as a Symptom Decision Tree to assist in cases where there may be signs of illness.

Professional Development

Folsom Cordova Unified School District provides professional development days for Certificated and Classified Staff. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending classes, as well as statewide and local workshops. District-sponsored training are provided for teachers through Professional Learning Communities (PLC), Lead Teachers, and site-level Academic and Technology Coaches. In addition, our District staff has worked collaboratively to provide an induction program for qualified new teachers. Throughout the year, a dedicated time during site staff meetings is utilized for professional development. Topics include but are not limited to: i-Ready, Lexia, SIPPS, Responsive Classroom, Social Emotional Learning strategies, and Implicit Bias/Equity. Currently, several teachers are participating in Language Essentials for Teachers of Reading and Spelling (LETRS) Training.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
