2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Vision and Mission:

Learning for All; Whatever it Takes.

Our vision can be accomplished by preparing ALL students for success in high school and beyond through:

Continually raising expectations

Building positive relationships

Providing necessary supports

We focus on student learning and achievement with the idea that all students can learn. We commit to improving the culture of our school through strong academics and behavioral expectations and supports. Our focus is to provide equitable learning opportunities to all students and focus on providing additional services where applicable.

School & Community Profile:

Sutter Middle School (SMS) is located thirty minutes East of Sacramento in the foothills of the Sierra Mountains in the town of Folsom (population 73,000, elevation 220 ft.) with an enrollment of approximately 1,500 students; SMS serves sixth, seventh

2021-22 School Overview

and eighth-grade students. Sutter Middle School takes great pride in challenging students and meeting their academic and developmental needs. As a school, SMS has excelled in a number of areas from academics to music to athletics to support our special needs populations. Our students' success is attributed greatly to the collaborative efforts of students, staff, and parents at Sutter Middle School.

At SMS, a child's academic success, as well as their development as a productive citizen, is of utmost importance. Classes at all levels are in place to challenge students according to their needs. Support classes have been built into the academic day to further assist students in need in the mastering of the Common Core curriculum. In addition, curricular support is offered to students with special education needs. SMS implements an inclusion model; research based best practices document that students will receive a better education from a highly qualified general education teacher who is supported by the expertise of a special education instructor. There are general education curriculum support classes as well as curriculum support for students with an Individualized Education Plan (IEP). Team teaching models of inclusion in the areas of Math and English and Language Arts (ELA) are in place. Also, a Math Intervention Specialist Teacher will support with data collection, analysis, performance support, curriculum support, and work with special education, English Learners (EL), and Low Income (LI) students. In addition, we offer an Intensive English class for EL students who need a double block of English to learn the fundamentals of the language, beginning with our intervention curriculum called iLit, and moving towards grade level curriculum. This year we will have a Strategic English class offered at each grade level to target the students who are more than two grade levels below and are not qualified for other support services.

It is our mission at Sutter Middle School to provide "Learning for All; Whatever it Takes". We have created a program that is challenging and tries to meet the needs of every student. We value the support and participation of parents and the community, and as we grow, we know that our programs, both academic and developmental, will only get stronger.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2020-21 Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on January 20, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Sutter Middle sits on the site of the original Folsom High School, which was built in 1924. Sutter Middle is comprised of 47 classrooms, a gym, multipurpose room/cafeteria, library, staff lounge, computer labs, and playgrounds. The Assistant Principal works daily with the custodial staff of four full-time custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office.

The District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies may be reported in the inspection process. Any items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar–for–dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. This school year deferred maintenance monies help to improve appearance in front office with new carpets and paint; due to a flood in the main office there was a second round of re-flooring that included stripping the floors completely and re-carpeting.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

| Grade Level | Percentage of Students Meeting Four of Six Fitness Standards | | Percentage of Students Meeting Six of Six Fitness Standards |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

English Language Advisory Committee (ELAC), School Site Council (SSC) and Parent Teacher Associations (PTA) committees focus on supporting students performing below grade level. The PTA organization is an active group on campus. They do an annual fundraiser to provide resources for the school. The website posts information to parents including Back to School Night, athletics, clubs, upcoming social events, and other activities. There is a daily bulletin posted. The principal will use the district level communication system to get pertinent information out to all parents. The School Site Council and the PTA are focused on providing assistance for all students with a focus on those who are achieving below grade level.

Our School Site Council consists of five staff members, including the principal, three parents, and two students. They advise on school goals and the use of funds. The ELAC committee is comprised of the School Site Council. Parents work in the STEM Academy as Career Technical Education resources. They help students to understand the many career opportunities available to them in STEM related careers. Parents also work to support our education beyond the classroom through field trips. The counselors organize a Career Day for the 8th grade students in the spring that involves the community coming into classrooms to support career exploration.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |
|-------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| Suspensions | 4.53 | 0.14 | 4.15 | 0.20 | 3.47 | 0.20 |
| Expulsions | 0.00 | 0.00 | 0.17 | 0.01 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Our school is safe and clean. Restrooms and eating facilities are cleaned daily. Classrooms are cleaned every third day. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. There was 1 student accident in 2020-2021.

Emergency plans have been developed in case a threatening situation should arise. Sutter Middle maintains a safety committee that meets quarterly to address any concerns pertaining to student safety on campus or the ingress and egress of students coming to or from school. Sutter Middle maintains a safety plan that includes procedures for all of the following:

- * School discipline policies
- * Sexual harassment policies
- * Suspension and expulsion policies
- * School dress code
- * Disaster procedures
- * Routine and emergency procedures
- * Maintaining a safe and orderly school environment
- * Child abuse reporting procedures

The administration has worked to inform students and parents of the dangers of the streets and traffic around the school. Regular safety announcements go out to PTA in the newsletter, and the Assistant Principal will appear on the daily bulletin and report out to students about safety issues.

In addition to general state funding, Sutter receives state and federal funding from the following categorical funds and other support programs: Title I Improving Academic Achievement, Title II Supporting Effective Instruction, Title III English Learners, Title III Immigrant Student Program, Title IV Student Support and Academic Enrichment, Elementary and Secondary Relief Dollars (ESSER), LCAP Supplemental Funds (English Learners/Low Income Student), and funds for interventions and expanded learning.

Data Sources: Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2020-2021 school year SARC template, and/or located on Dataquest (http://data1.cde.ca.gov/dataquest). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

Counseling & Support Staff

It is the goal of Sutter Middle to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision-making, or handling peer pressure.

In addition, the counselor to pupil ratio is 2.2:676. There are two psychologists who service our school needs - One attends three days per week and the other is here two days per week; they conduct testing students and servicing Individual Education Plans as well as running some groups to service student needs. Sutter has a part-time health assistant and a part-time nurse. The table lists the support service personnel available at Sutter Middle.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
