# Blanche Sprentz Elementary School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

## General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

california DEPARTMENT OF EDUCATION

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## The California School Dashboard (Dashboard)

 https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Blanche Sprentz supports the FCUSD Vision: Empowering All Students to Thrive Through Educational Excellence.
At Blanche Sprentz, our mission is to ensure evident levels of growth for all students in academic achievement and social emotional learning, through a positive, creative, and culturally responsive school climate in partnership with students, staff, families, and the community. Our vision is to prepare all students to become responsible citizens and productive members of a culturally diverse society. Blanche Sprentz students are provided with an environment that is safe, kind, respectful, supportive, and educationally inspiring. Our school climate encourages students to demonstrate openness, trust, self-esteem, selfdetermination, and respect for self and others. We provide an intentional focus on student achievement.

Language arts, mathematics, social studies, science, technology, physical education, and the fine arts are included in our district adopted curriculum. All subjects are taught in the context of meaningful learning experiences that take advantage of children's natural curiosity. Learning in the classroom is reinforced with homework assignments that students can complete independently. Special services are provided by a psychologist, speech pathologist, occupational therapist, behavior specialist, nurse, health clerk, resource specialist, self-contained special education teacher, and library clerk. Students have access to a well-equipped Science, Technology, Engineering, Art, and Math (STEAM) lab to enrich learning and increase exposure to science and technology.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

Blanche Sprentz Elementary has 17 classrooms, a multipurpose room, a library, and an administration building. The main campus was built in 1966. Portable classrooms were constructed in 2000. Blanche Sprentz Elementary School was modernized in 2003. All plumbing, electrical systems, lighting, heating, and cooling were major parts of this modernization. Also with the modernization, Blanche Sprentz updated the fire alarm system, wired the school for the internet, and set up a new computer lab with 32 Pentium 4 computers. A new multipurpose room was installed in 2023. Efforts to keep the current grounds clean and in good repair are addressed daily. To ensure that school facilities are kept in good repair and safe, work orders are submitted immediately. The site custodian addresses any concerns in a timely manner. A comprehensive camera system was installed in the summer of 2020, and student desks and tables were replaced in November 2020.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at https://www.fcusd.org/Page/41590. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-fordollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted $9 \%$ percent of the LEA's general fund budget.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Blanche Sprentz utilized a variety of outreach efforts for input and feedback on the development of our Single Plan for Student Achievement (SPSA). Our School Site Council (SSC) provides input into the plan during our scheduled meetings, noting areas of concern and growth. Our SSC meets six times per year to discuss needs and concerns to support student learning. Our Site Council and the staff reviewed the annual SPSA. In composing this year's SPSA, our principal used survey results data from the California Healthy Kids Survey, and Panorama Social Emotional Learning Survey, as well as reflected on teacher and community input collected anecdotally during the 2022-2023 school year.

Throughout the year, Blanche Sprentz involves our school community, including parents, staff, and students, in developing and monitoring our school plan. The following groups continue to monitor and have input into the plan throughout the year: Site Leadership teams: Guiding Coalition \& Climate Facilitator Team, bimonthly
School Site Council (SSC) meets 6 times a year (reviews and approves the plan by September 1, 2023; monitors throughout the year)
English Learner Advisory Committee (ELAC) minimum 5 times a year
Parent Survey (fall and spring)
Every Student by Name (ESBN) meetings three times a year
Consultations with the Director of Categorical Programs (ongoing)
Faculty meetings (LCAP workshop and review)
Blanche Sprentz offers a variety of ways parents and families can participate in and contribute to their child's learning environment. Our parent coordinator helps parents and community members make an impact through volunteering, with opportunities including at-home helpers, room parents, reading tutors, classroom helpers, field trip chaperones, club facilitators, fundraiser participation, library support, and Parent Teacher Organization (PTO) membership. Additionally, there are opportunities for parent involvement through Folsom Community Service Day, our annual fall Back to School Picnic, Spooky Sprentz, DaVinci Day, Book Fairs, teacher appreciation activities, and annual end of the year Field Day.

## Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

It is the goal of our staff to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision-making, or handling peer pressure. Teachers are implementing 20 lessons of the Second Step Social Emotional Curriculum.

In addition: Blanche Sprentz participates in site Professional Learning Teams in the areas of ELA and Math, Special Friends, and SIPPS interventions during the school day, and an emotional support program by a district Social Worker. Nine certificated teachers have committed to intensive professional development in the Language Essentials for Teachers of Reading and Spelling (LETRS), the Professional learning that provides K-5 teachers with deep knowledge to be literacy and language experts.
