2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Vision and Mission:

Folsom Hills Elementary School has created a vision for all students to succeed at their highest academic, social, and emotional potential.

Our school wide academic program is based on clearly defined standards and high expectations for all students academically, emotionally, and behaviorally. Staff regularly collaborates around the guaranteed and viable curriculum, seeks out professional development, and provides interventions to support all students. Professional Learning Communities and their interconnected communication and collaborative strategies have redefined our approach to ensuring this vision is implemented with fidelity.

Folsom Hills is a safe, healthy learning environment based on the belief that students learn to be accountable for their behavior to assure a successful school experience. Parents and the public are encouraged to be involved with the school program through our Parent Teacher Association, School Site Council, and classroom volunteer programs CAP [ceramics], FAME [artists and composers], PC Pals [private outside companies, such as Intel offering mentoring], etc.)

The district-adopted academic curriculum provides for both basic skills and enrichment in regular classrooms. The staff and parents of Folsom Hills students have worked hard to create an academically and socially rich elementary school setting, in which our students strive for social and academic success in a culturally and socioeconomically diverse society.

School & Community Profile:

2023-24 School Description and Mission Statement

Folsom Hills is an elementary school in Folsom, California, serving Pre-K through 5th grade students and families. In a typical school year, Folsom Hills serves approximately 500 students. Students come from a variety of surrounding neighborhoods, primarily The Parkway, Briggs Ranch, and Willow Creek. Numerous students also join us from throughout the district as well, due to our Foreign Language Experience in Spanish(FLES) program.

If an individual were to look into any of the 29 classrooms at Folsom Hills they would find teachers, along with parent volunteers, assisting students with both academic and social goals and benchmarks. One would also see specially trained parent CAP (ceramics) docents, FAME (artists and composers) docents, science docents, and Intel volunteer matching grant volunteers working with the students.

Folsom Hills' end goal is to prepare our students to become responsible citizens and productive, caring members of the world at large. Folsom Cordova's strong educational leadership team works hard to support each student academically and emotionally. Opportunities for differentiated instruction are available for each student, including those identified for Gifted and Talented Education, Specialized Academic Instruction, or Intervention; instructional intervention and enrichment programs are offered to ensure all students are supported in meeting grade level standards in reading and math. Multi-tiered support systems English/language arts groupings, small group math instruction, and intervention all assist with this goal.

The Folsom Hills team believes that a positive school culture must be provided to all students, coupled with an academically challenging curriculum; all in a caring and positive school environment. Experienced teachers and support staff, coupled with professional learning communities' consisting of Grade Level Teams, Safety, Positive Behavior and Intervention, all contribute to this over-arching goal. A strong, school-wide Positive Behavior and Support program, utilizing the "Friendly Fox Five" (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) acknowledges the work of students in creating a healthy and safe learning environment, with Gold Fox Awards and other school-wide incentives being used as reinforcements.

Our active Student Council provides awareness of the importance of community service for all children at Folsom Hills. Folsom Hills is well known for its strong, supportive parent community. In addition to classroom volunteers, parents also serve on our Site Council, which assists with important curriculum, budget, and facility decisions. Our Parent Teacher Association plans numerous activities that serve as a positive bond between home and school and provide financial support for our many programs. Parent involvement is the focus of our Parent Teacher Association. PTA provides additional funding for field trips, equipment for student productions, technology, books, and other instructional activities.

Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Vicky Cackler - Administrative Assistant at vcackler@fcusd.org or Monika Himmrich - Principal at mhimmric@fcusd.org. Folsom Hills encourages parent and community involvement and welcomes the comments of all parties.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Folsom Hills Elementary was originally constructed in 1991 and is comprised of 29 classrooms, an administration building, a multipurpose room/cafeteria, a library, a staff lounge, and three playgrounds (Kindergarten, primary and intermediate). In May 2019, Folsom Hills Elementary underwent a full-scale modernization, which included a complete remodel of the administrative offices, multipurpose room, and rooms 1-18, plus the student care building. Rooms 19-28 have been replaced with modular buildings. All grounds were redone, and the completion date was January 2020.

The principal works daily with the custodial staff to ensure that the cleaning of the school is completed to provide a clean and safe environment for everyone. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review. District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	71	75	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to attend Back to School Night to understand curricular and behavior expectations for the year. In a typical year, if an individual were to look into any classroom at Folsom Hills, they would find parent volunteers, along with teachers, assisting students with both academic and social goals and benchmarks. One would also see specially trained parent CAP (ceramics) docents, FAME (art) docents, and science docents working with the students. Parent involvement is the focus of our Parent Teacher Association (PTA) activities. PTA is always improving the quality of instruction by providing funds for field trips, equipment for student productions, technology, books, and other instructional activities.

2023-24 School Safety Plan

There were eight (8) student accidents reported at our school in the 2022-2023 school year. Restrooms and eating facilities are cleaned daily. Classrooms are cleaned on a regular basis. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. Safety drills are practiced regularly. Emergency plans have been developed in case a threatening situation should arise. A Facility Inspection (FIT report) is submitted to the district office on a monthly basis.

The safety of our students and staff is always our first priority. Our classrooms and playgrounds are monitored to ensure that all safety requirements are met. Safety is addressed in a variety of methods. Folsom Hills has a strong and positive relationship with the Folsom Police Department. Our Comprehensive Safe School Plan is updated each year and reviewed by our safety team. Our well-equipped Crisis Response backpacks are updated each fall and are housed in a visible place in every classroom on campus. Folsom Hills' Emergency Preparedness checklist, which contains specific instructions to be followed in the event of a real or potential emergency, is reviewed each year. These checklists are posted in each classroom.

Date of Last Review/Update: September 1, 2023

Date Last Reviewed with Staff: September 14, 2023 (School Site Council and Safety Team meeting)

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level , PLC Facilitators and technology coaches. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

Counseling & Support Staff:

It is the goal of Folsom Hills Elementary to assist students in their social emotional and academic development . Outside resources can be pulled for individual students, based on the assessed need by a team composed of the site and district-level personnel, if needed.

In addition:

Teachers, the administrative team, and our site psychologist all work to ensure that student needs are met, including, when appropriate, referrals to Early Intensive Behavioral Treatment (EIBT) preschool programs, occupational therapy, physical therapy, speech, and behavior specialists, and special education programs.
