# Gold Ridge Elementary School 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year) 

General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

## Internet Access

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

School Vision and Mission:
Vision: Our vision is to empower young minds, encourage creativity, and cultivate a sense of belonging, so that each student can reach their full potential and become a confident, compassionate, and curious lifelong learner.

Mission: At Gold Ridge Elementary, we are dedicated to fostering a culturally responsive and inclusive learning environment where every student is valued, celebrated, and empowered. Our mission is to inspire a sense of belonging, equity, and excellence by promoting a deep appreciation for diversity, nurturing a love of learning, and preparing our students to become informed and participating global citizens.

#### Abstract

2023-24 School Description and Mission Statement Gold Ridge Elementary is a Pre-K - 5th grade school located in the Broadstone neighborhood of Folsom. Kemp Park and wetland marshes, ponds, and creeks are within easy walking distance of the school. The campus houses 25 classrooms, a library, an Extended Learning Opportunity Center, and both Special Education preschool programs. Our multipurpose building includes a stage and a serving kitchen; gym facilities are shared with the Folsom Parks and Recreation Department.

As of California Longitudinal Pupil Achievement Data System (CALPADS) 2023, our student enrollment was 533 students. We have a racially and culturally diverse student population representative of California. Our students speak approximately 30 different home languages, and language minority students represent 30 percent of our school population.

Our teachers and staff are committed to high academic expectations with individualized support to help all students master content standards. To complement our academic emphasis, we believe all students benefit from a rich variety of experiences in music, physical education, technology, gardening, and the arts. Our teachers partner with parent volunteers and community groups to extend learning through programs such as Eagles Art (a docent-led Visual Arts program), 3E Science (parent supported hands on Next Generation Science Standards (NGSS) hands on activities), Garden Grow program, PC Pals (provided by Intel Corporation volunteers), and a variety of after school clubs. Our commitment to the Visual and Performing Arts is on display at grade level music and theater performances, school clubs like Drama and Chorus, and our annual Celebration of the Arts.

Parents are engaged in a wide variety of leadership and volunteer activities that enrich and support learning. Our Parent Teacher Organization (PTO) sponsors community events such as our Back-to-School Kick Off and Winter Wonderland, funds assemblies, and organizes enrichment activities such as Science Fair and our parent docent Science Technology Engineering and Math (STEM) program 3E Science. Approximately 200 parents sign up each year to work as Science and Art docents, volunteer in classrooms, and chaperone field trips.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

Gold Ridge Elementary has 25 classrooms, a multipurpose room, and an administration building. The school was built in 1998. Portable buildings were added in 2003.

The principal works daily with the custodial staff of three full-time employees to ensure that the school is maintained in a clean and safe manner. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the work orders and repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at https://www.fcusd.org/Page/41590. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-fordollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3\% percent of the LEA's general fund budget for the deferred maintenance program.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Our PTO supports parental engagement through family nights, events, and parent education programs. Parents volunteer in classrooms - tutoring target students, supporting our Accelerated Reader program, presenting 3E Science and Eagles Art, and enabling classes to take educational field trips off-site - enriching and extending learning in wonderful ways. Family education events range from enrichment assemblies on Science and STEM to formal training that supports parenting through FCUSD.

We maintain a robust website that receives thousands of visits monthly that we use to communicate with and engage our community about instruction, intervention, and supplemental learning opportunities.

Parents serve on the English Language Advisory Committee (ELAC), School Site Council, and PTO committees, and as classroom and school wide volunteers. Our School Site Council (SSC) consists of equal numbers of staff and parents who meet on a regular basis to review programs and priorities and advise the principal.

## 2023-24 School Safety Plan

Gold Ridge is a safe and clean facility. There were five (5) student accidents reported at our school in the 2022-2023 school year. The restrooms and the cafeteria are cleaned daily. Classrooms are cleaned every third day. Any safety hazard that is reported is reviewed immediately and resolved. Emergency plans have been developed in the event a threatening situation should arise.

Gold Ridge has identified three overarching rules to support positive behavior at school: be safe, be respectful, and be responsible. The school rules are published in the Student/Parent Handbook and reviewed with students each trimester through a broad-based Positive Behavior Intervention and Support (PBIS) program. Gold Ridge PBIS includes a S.O.A.R. (Self-aware, on-task, achievement, respect) ticket program with monthly and weekly reinforcement activities, grade level behavior videos, special assemblies, and classroom-based instruction. Yard Supervisors, physical education teachers and the administrative team present guidelines for safety using playground equipment and rules for games.

Gold Ridge addresses safety in multiple other ways as well. We maintain a close alliance with the Folsom Fire Department and with the Folsom Police Department. The safety team consists of the principal, the department chairs/designees, the Physical Education (PE) specialist, the head custodian, and the front office staff. Each member has a radio for communication during drills and if an unexpected emergency were to occur. The team meets monthly to review safety procedures and plan emergency drills. Additionally, campus supervisors are trained on campus rules, and crisis and safety protocols.

The Comprehensive School Safety Plan was Last Reviewed with Staff: November 6, 2023

## Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

Professional development is focused on supporting students master essential standards through collaborative work in Professional Learning Communities. Teachers have or will soon receive training in Behavior Rtl, the 15 Day Challenge with Maria Nielsen, Response to Instruction (RtI), Renaissance, Lexia Core 5, enVision math, Benchmark for ELA, and Second Step.

This table displays the number of school days dedicated to staff development and continuous improvement.
