## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### School Vision and Mission:

#### Vision:

Mills Middle School is an inclusive, diverse community of learners whose staff ensures equitable access to rigorous academic learning while simultaneously fostering the social and emotional well-being of the whole child.

#### Mission:

Mills Middle School prioritizes the needs of each student by cultivating an inclusive environment that provides for community-based academic and social emotional growth.

#### School & Community:

Folsom Cordova Unified School District is comprised of two communities located in Sacramento County along HWY 50. With a population of more than 20,500 students, schools are an average of twenty miles from downtown Sacramento and just over 100 miles from San Francisco. Folsom Cordova Unified School District enrolls Preschool thru Adults. There are twenty-one elementary schools, one charter K-8 school, four middle schools, three comprehensive senior high schools, three alternative high schools, a distance learning academy, and an adult school.

Mills Middle School operates on a six-period day schedule. In the first semester of the 2023-2024 school year, 818 students were enrolled in grades six through eight. The school's largest ethnic group is Hispanic/Latino, with 43.3% of the school population describing themselves as Latino/Hispanic. In terms of racial subgroups, significant numbers include White at 21.6%, African American at 10.39%, two or more races at 12.10%, Asian at 9.6%, Filipino at 1.2%, American Indian/Alaskan Native at .3%, and Pacific Islander at 1.1%. Mills is a Title 1 school where 88% of students are categorized as socioeconomically disadvantaged, 31% are English Learners (EL), and .0% are Foster Youth. Mills Middle School has up to 36 students enrolled in the After School Education & Safety (ASES) program daily until 6:00 pm. Mills provides Science, Technology, Engineering, and Math (STEM) and Visual and Performing Arts (VAPA) opportunities for students to grow and succeed. Mills values the importance of teaching Social and Emotional Learning (SEL) skills, and the school has received Silver Recognition from the California Positive Behavior Intervention and Support (PBIS) Coalition the past three years. Mills received the California Community Schools Grant in June '23. The Community Schools effort will bring community partnerships to our schools to remove barriers in access to physical and mental health services, tutoring, mentoring, access to basic services like food, clothing, and housing is focused on reducing these challenges to create stability in our attendance, enrollment and allow

2023-24 School Description and Mission Statement

students minds to be focused on learning and growing as part of our school community.

Mills Middle School parents consistently and repeatedly express the desire to be involved in their child's education. The school will be expending considerable time and resources establishing strong connections to the parent and family community through our parent volunteer process, School Site Council (SSC), English Learner Advisory Committee (ELAC), new family orientations, Parent Night, and informational events for parents in response to parent surveys. Mills offers a Flex program where students have the opportunity to receive academic intervention within the school day twice a week and enrichment once a week. Students also have the opportunity to receive extra tutoring and mentoring support through our After-School Education and Safety (ASES) Program.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)

Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

This school has 42 classrooms. The school was built in 1960 with buildings added in 1961, 1962, and 1963; a library/media center was added on in 1972. This school has no portable buildings. A shade structure was added in 2010 and a bus shelter in 2004. There is also a track, new softball fields, a gymnasium, a staff lounge, an administration office, and a computer lab. There are three storage containers and three sheds on this site. All rooms have a Promethean board for teaching, and when needed such as IEPs or other meetings, live broadcasting. All students have a Chromebook for their schoolwork and hotspots are provided to students if needed. Staff and students work cooperatively to report any incidents of vandalism or graffiti for immediate repair or removal. The litter is removed daily. An administrator and/or the head custodian walk the school each morning checking the safety conditions before the students arrive.

Passage of the Measure N Bond provided money for the entire school to be painted to recapture the original colors from 1958 when the school was built. The school opened with 177 students in March of 1958. Improvements to our joint use facilities, such as our playfields, have benefited both our students and the community.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

Parents are encouraged to attend Back to School Night, School Site Council, District English Learner Advisory Committee (DELAC), English Learner Advisory Committee (ELAC), Title I Parent Meetings, Parent Information Nights, Tutoring, Music Performances, Sporting events, and STEM Expo. Parents are also encouraged to volunteer. Information is provided on our webpage, automated calling system, and through the use of our computer kiosks for parents to look up current grades. Daily bulletins are posted on the school webpage. Family school newsletters are emailed home monthly. New-parent orientation is offered the week before school starts and in January. Mustang Rodeo is the day before school begins where all incoming sixth grade students and their families are invited to campus to tour, pick up materials and Chromebooks, and get information on a number of different programs and parent resources. Parent workshops are also offered each Wednesday morning to assist families with learning how to navigate PowerSchool and understand the Renaissance diagnostic scores.

For additional information regarding organized opportunities for parent involvement at Mills Middle School, please contact Shelley Raffaelli, Administrative Assistant, at 916-294-9045. For Spanish speaking families, please contact Dolores Gaxiola, the Parent Coordinator at 916-294-9045.

Parents or community members who wish to participate in leadership teams, school committees, and school activities, or become a volunteer may also contact Shelley Raffaelli, or for Spanish Speaking families, Dolores Gaxiola, Parent Coordinator, Mills Middle School, 916-294-9045.

## 2023-24 School Safety Plan

Mills makes it a priority to ensure a safe and clean learning environment for students. A custodial staff of four maintains the facility daily. Restrooms and eating areas are cleaned daily and classrooms are cleaned thoroughly every third day. The Mills "Safety Committee" oversees safety. The committee is tasked with developing and ensuring emergency procedures are practiced. Each classroom has a designated area in the room, a "safety wall," with emergency procedures and contact information visible to all. Roles and responsibilities during an emergency, for both staff and students, are practiced monthly. Administrators and staff have been trained on the district's new emergency management system, Catapult. All safety information is located in the School Comprehensive Safety Plan, which is approved, by the Safety Committee, law enforcement, and fire department.

In addition, Mills also employs five full-time campus security monitors who actively monitor campus and assist with emergency situations. School administration also has access to security cameras, which have been updated and additional cameras added this past year, which monitor key areas of campus.

Each year, data is gathered which helps to drive school climate. For example, there were two (2) student accidents reported during the 2022-2023 school year. The school nurse and/or health assistant assist during such events. In addition, Mills staff and students take a survey each year on campus health and safety. The report findings state that Mills is a safe environment for staff and students.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options. In addition, Mills held two days of professional development (PD) on Safe Schools. Mills is also holding its own site level professional development sessions on several Thursdays this year for 90 minutes each on relationship building, classroom management, basic behavior management and noncompliant behaviors. This year all Mills teachers will also have the opportunity to participate in Guided Language Acquisition Design (GLAD) training. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops and conferences; reading professional literature, and networking. District-sponsored in-service and training are provided through lead teachers and site level instructional coaches. The instructional coaches run "Mustang Walks," where teachers participate in instructional rounds during their prep twice a month to observe best practices in other classrooms. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers.

Counseling & Support Staff

It is the goal of Mills Middle to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. In addition, the counselor to pupil ratio is 1:368. During the COVID-19 crisis, our counselors created a "Mills Wellness Site" for our students to access. This site provides resources on activities, yoga for teens, mindfulness, virtual field trips, and more. Students can also fill out a request form to meet with a counselor and links to phone numbers and websites for additional mental health outreach.

Our mental health specialist is also providing ongoing professional development for staff on trauma informed practices. Mills also established the Safe School Ambassadors, led by one of our counselors. The goal is to utilize trained student leaders at Mills to create a more robust positive school climate.
