2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Vision and Mission:

Our Vision for Navigator is to create a learning community where each student is recognized for their positive contributions and their strengths and growth areas. In addition, to build a strong educational and social foundation in order to foster confidence and independence.

The mission of Navigator Elementary School is to build a strong educational and social foundation in order to foster confidence and independence by:

- teachers engaging in continuous cycles of improvement (“Plan, Do, Study, Act”) through work in Professional Learning Communities (PLC)
- provide scaffolded instruction to ensure all students have access to learning (grouping students in small groups between classrooms and support staff)
- targeted instruction by teacher and support staff for English Language Learners to reclassify them as English Language Proficient
- increasing student attendance with school-wide incentives
- delivering high quality Social Emotional Learning (SEL) curriculum to encourage and recognize positive behaviors.
- developing strong relationships with families and the greater community

School & Community Profile:

Folsom Cordova Unified School District is comprised of two communities located in Sacramento County along HWY 50. With a population of more than 20,500 students, schools are an average of twenty miles from downtown Sacramento and just over 100 miles from San Francisco. Folsom Cordova Unified School District enrolls Preschool thru Adult Learners. There are twenty elementary schools, one charter elementary school, four middle schools, three comprehensive senior high schools, three alternative high schools, and an adult school.

Navigator Elementary is one of 21 elementary schools in the Folsom Cordova Unified School District. We are located in the city of Rancho Cordova, a culturally and socioeconomically diverse city located approximately 15 miles east of Sacramento. Built-in 2006, Navigator was the first new school in Rancho Cordova in 40 years. We operate on a traditional schedule; August-May, with school hours between 8:25 - 2:37. A distinguishing characteristic that sets Navigator apart is its large population of

2023-24 School Description and Mission Statement

students with special needs. We are home to four special day classes for students with autism.

At Navigator, we respect and celebrate individual differences. The staff and administration are committed to inspiring our student body to become lifelong learners. Our school serves the needs of general education and special education students in grades kindergarten through fifth. We proudly offer programs that serve the individual academic and Social-Emotional Learning (SEL) needs of our students including Special Education, Transitional English, Speech, Occupational Therapist (OT), Intervention Programs, and after-school enrichment including Boys & Girls Club. We are equipped to help our students with their social and emotional needs through the availability of our school psychologist (mentoring), our Marriage & Family Therapist (MFT) our Special Friends program (1:1 and group), Second Step SEL curriculum, and mindfulness curriculum Pure Edge in our classrooms. Navigator is a Positive Behavior Intervention Support (PBIS) school. We have a weekly behavior focus broken down into daily lessons. We teach Second Step curriculum in grades K-5. Some of our teachers were trained in Responsive Classrooms and we are working in Professional Learning Communities that focus on best practices in professional learning teams.

We currently have 1 Transitional Kindergarten class, 3 kindergarten classes, 2 first grades, 2 second grades, 2.5 third grades, 2 fourth grades (two splits for 4th grade), 1.5 fifth grade classes, five classes for students with moderate to severe autism, and one special education resource classroom. We also have two full-time credentialed intervention teachers and a physical education teacher. To help address the social-emotional needs of our students we have a full-time school psychologist and 50% mental health specialist.

Our curriculum is focused on teaching students the adopted California Common Core Standards in all grades. Materials used in classrooms are state and district adopted materials. We have Chromebooks for students to use in the classroom and are currently at a 1:1 ratio in 1-5th grade. Our classrooms for students with autism use a unique curriculum that provides academic materials designed with their needs in mind.

Parent participation is encouraged to foster a close, cooperative relationship between home and school. Our Parent-Teacher Association (PTA) is active, providing many activities and events for Navigator students and families. Our Schoolwires webpage keeps parents informed about schedules, events, and activities happening at school. Teachers have frequent communication, regular conferences, and parent involvement in the classroom all help to build a positive learning environment. School communication with families is provided on Blackboard, Peachjar, and School Website. We have monthly attendance focus areas schoolwide and for targeted groups of students to educate and incentive positive attendance to reduce chronic absenteeism.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Navigator Elementary was originally constructed in 2006 and is comprised of 25 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, a computer lab, and 3 playgrounds. The play structure is in good condition.

The principal works daily with the custodial staff of two full-time and one part-time staff member to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency, health, and safety repairs. While reviewing this report, please note that discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	37	35	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Navigator continues to find ways to increase the involvement of our parents and community. Parents are encouraged to attend a variety of special events such as Falcon Family Night and Back to School Night in the Fall and our Open House in the Spring. We are hosting a monthly parent School Site Council and ELAC meeting to get parent input on our SPSA. We share out data monthly with our parent leadership teams. Our school website and e-alert system keep parents informed about important school information. All Navigator families are invited to participate in the planning, implementation, and evaluation of the Single Plan for Student Achievement (SPSA) plan. Additionally, parents are encouraged to participate in the English Learner Advisory Committee (ELAC) and provide a written evaluation of programs. We also post curriculum support links and provide log-on information for Lexia, Freckle, and other math and ELA support programs for use at home. We use MTSS(Multi-Tiered Systems of Support) and Student Study Team (SST) meetings to help support our most struggling students. Teachers provide ongoing communication with parents through progress reports, newsletters, and direct contact. Our Parent Coordinator works 10 hours a week to process school volunteers and implement opportunities for parent participation. The parent coordinator will also work to utilize the Blackboard Connect system to increase parent communication.

2022-23 Chronic Absenteeism by Student Group

2023-24 School Safety Plan

The safety of students and staff is of primary concern at Navigator Elementary. The school complies with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last updated and presented to parents in December of 2023. The School Safety Committee will approve of updated plan in January 2024/25. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Evacuation drills are conducted on a monthly basis throughout a typical school year. Lockdowns and other disaster drills are held as needed. We have used Catapult to log and communicate during all drills. Ongoing training for staff on Catapult is ongoing. Catapult will be utilized for staff communication in a real emergency. It is essential to practice communicating through Catapult during all drills.

Students are typically supervised before school, at recess, and during lunch on a normal school day. We have added 4 additional yard duties this year. Certificated and classified staff help with supervision during lunch and break periods. There are designated areas for student drop off and pick up for both personal vehicles and school buses. Visitors and volunteers must sign in and out at the office upon arrival at our campus. At that time, visitors must obtain and wear a badge or sticker showing that they have a valid reason to be on campus. Volunteers are processed according to district guidelines and are required to wear an ID badge, which is kept in the school office. In the 2023/24 school year, Navigator had five (5) student accident reports 2023-2024.

Date of Last Review/Update: December 2023

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

In addition: Teachers are supported through Every Student By Name meetings in which academic and behavioral data is reviewed and interventions are planned. The principal regularly meets with staff to support professional growth and development.

This table displays the number of school days dedicated to staff development and continuous improvement.
