Russell Ranch Elementary School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Vision and Mission:
We expect all students, parents, and staff to work as a team to promote the maximum academic, social, and emotional growth of each student.

Russell Ranch Elementary School is committed to carrying out its mission by:

1. Providing a safe and positive learning environment.

2. Providing caring and talented teachers.

3. Communicating effectively with parents and students.

4. Developing students' self-esteem.

5. Promoting student success and responsibility.

6. Recognizing positive growth and accomplishments.

7. Increasing the involvement of parents and the community in school activities.

8. Promoting comprehensive individualized academic expectations, through Response to Instruction/Intervention (RtI), Multi-Tiered Systems of Support (MTSS), or enrichment as needed.

9. Providing opportunities for students to enrich and expand their school experiences through both classroom and extra-curricular clubs/activities.

10. Promoting appropriate integration of technology into the classroom.

School & Community Profile:
Russell Ranch Elementary School is one of 21 elementary schools in the Folsom Cordova Unified School District. Located along the Highway 50 corridor, beautifully positioned in a well-thought-out neighborhood, surrounded by Folsom's finest establishments and scenery. Russell Ranch Elementary School has the distinct pleasure of being a California Distinguished School in 2014, 2018, and 2020. We fly our Distinguished School flag proudly, as it represents every part of our campus efforts and all who step on our grounds. All of our educational programs operate with three tenets in mind: "All means all," "We are here for the children," and "Parents are their children's first teachers."

Russell Ranch Elementary School provides a challenging curriculum while allowing students to explore and develop their interests and talents. All students are assessed formally throughout the year, and ongoing assessments guide the development of appropriate interventions and enrichment programs to meet the needs of all students. Our Multi-Tiered Systems of Support (MTSS) schedule provides reduced class sizes to provide instruction for students in Gifted & Talented Education (GATE) accelerated classes and targeted instruction for remediation and extra support. Due to the support of our Parent-Teacher Association (PTA), Intel Corporation funds, and parents, we are able to offer extended-day programs, interventions, Science Technology Engineering & Math (STEM) curriculum, and a variety of after-school clubs, (i.e., Chess Club, Robotics Club, Engineering, Computer Club, and Musical Theater). Russell Ranch Elementary School maintains a positive school environment through the teamwork efforts of our staff, students, and parents. Our hardworking school staff is expected to model the behavior we expect from our students. We expect our students to be Respectful, Responsible, Friendly, and Safe. Our Blackboard Connect messages (voice, emails, and text), school marquee, and website allow for maximum communication from the school to the members of our community. Frequent communication and strong parent involvement allow for an informed and positive learning environment.

In the spring of 2018, Russell Ranch Elementary School received a grant of $20,000 through the State of California's Scholar-Dollars program. Those monies have helped convert our former computer lab space into an incredible Innovation Station/Maker's Space/STEM lab. The Innovation Station includes two 3-D printers, a magnetic whiteboard planning area, an interactive Lego wall, an interactive Promethean Board, storage, project space, and modular furniture designed for group and individual work with ergonomic, flexible, and mobile seating options throughout the space. The projects, curriculum, and lesson plans will be sponsored by each grade level as we adhere to Next Generation Science Standards (NGSS) and core curriculum support materials. This space will be a constant work in motion, allowing for exploration, creativity, processing, and design.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Russell Ranch Elementary was originally constructed in 2007. The campus is comprised of 31 classrooms (special education and general education students), a gym/multipurpose room/cafeteria, a library, a staff lounge, Innovation Station, and three playgrounds. Portables were added in 2011, 2013, and 2014.

Cleaning Process: The principal works daily with the custodial staff of three (three full-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at https://www.fcusd.org/Page/41590. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar–for–dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	79	77	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

District services are provided for families of our Russell Ranch and all of Folsom Cordova Unified School District. Parent volunteers, interventions by highly qualified teachers, and extended-day opportunities are available. Russell Ranch Elementary School provides a thorough Back to School Night, Open House, committee meetings, and principal/parent get-togethers to facilitate better parent communication to support home and school communication.

District services are provided as needed or allotted. Staff, parents, and community review site plans and goals through PTA, School Site Council, parent meetings, and English Learner Advisory Committee (ELAC) meetings. School Site Council is composed of five or more parents and five or more school staff.

District services and funding are provided for the direct support of the classroom, materials, and supplies as well as staff development. Staff and student needs are monitored and addressed for needs vs. wants, and we triage as the budget allows throughout the year.

District services and funding are provided, also including PTA, Intel Corporation, Community donations, and grant matching.

2023-24 School Safety Plan

The safety of students and staff is a primary concern of Russell Ranch Elementary School. The School Site Safety plan is reviewed and updated each year by the School Safety Committee and approved by the Folsom Cordova Unified School District Board of Trustees. All revisions are communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. The school stays in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a monthly basis throughout the school year. Lockdown drills are held several times a year, as needed. Students are supervised before and after school by certificated staff/classified staff/principal, and certificated staff/classified staff/principal supervise students during lunch. Certificated staff/classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up before and after school throughout the day and multiple schedules.

Child Abuse Reporting: Teachers and other school employees are required by law to report any cases of suspected child abuse or child neglect. Reports are investigated by the Department of Social Services to determine if any follow-up on the report is necessary.

Russell Ranch has created a school-wide positive support plan in order to communicate high standards and expectations and to hold students accountable for their behavior. The discipline plan is given to every student and reviewed in a classroom presentation. Staff members consistently enforce the school-wide standards. School staff is trained in the Positive Behavioral Intervention and Supports (PBIS) program, and additionally, our staff uses the Second Step Curriculum throughout the grade levels.

Procedure to Notify Teachers of Dangerous Pupils: If a student is deemed dangerous because of behavior at school or behavior outside of school, which has been dealt with by county juvenile authorities, the teacher of the student will be promptly notified of the status of the student.

2023-24 School Safety Plan

Sexual Harassment Policy: Russell Ranch strictly adheres to district policies, which prohibit sexual harassment or discrimination of any kind. The sexual harassment policy is distributed to each student at the beginning of the school year. All employees are advised of their duty to take prompt action if they become aware of any incidents of sexual harassment.

School-wide Dress Code: Russell Ranch believes that a clearly defined dress code contributes to a positive school environment. The primary standards for student dress and grooming are as follows: the student should be neat and clean; the student should wear clothing that does not compromise safety or modesty or that is disruptive to the educational process.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

This table displays the number of school days dedicated to staff development and continuous improvement.
