2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The mission of White Rock Elementary is to enable and inspire our diverse student body to achieve academic excellence and make positive contributions to our world.

The vision for White Rock Elementary is to work with all stakeholders to ensure that our learning community is an inclusive and equitable place where all students can thrive. By setting clear and high expectations that are supported by culturally responsive teaching, highly qualified staff, and rich social emotional practices, our students will develop a curiosity for the world around them and a desire to connect with others. They will exit their elementary years ready academically and socially to continue their education.

SCHOOL & COMMUNITY PROFILE

White Rock Elementary (WRE) is located east of Sacramento along the Highway 50 corridor in the city of Rancho Cordova. WRE has a rich heritage of community pride and neighborhood charm. The campus presents an inviting landscape as it sits on the corner of Evadna and White Rock Road with its well-maintained landscape and clean aesthetic. It is complemented by the beautiful park across the street equipped with tennis and basketball courts, a large play structure, and a water park, making it a hub for our community. Located in Rancho Cordova, WRE is one of twenty-one elementary schools in the Folsom Cordova Unified School District (FCUSD). FCUSD serves approximately 20,500 students.

WRE is a Transitional Kindergarten through fifth grade Title I and Additionally Targeted Support and Improvement (ATSI) site. We share our property with a State and Federally funded preschool program run through FCUSD. WRE has a very diverse population of students with 42% being English Language Learners (ELL). As of September 2023, our enrollment was 374 students in preschool through fifth grade. Our school has many different cultural groups and languages including Spanish, Russian, Armenian, Ukrainian, and Dari. Looking at our school's demographics, WRE is comprised of 52.1% Hispanic/Latino, 17.1% white, 7.38% African American, and 12.4% more than two races. Due to the percentage of students from Spanish-speaking homes, we translate all school communication into Spanish. We have an English Language Advisory Committee (ELAC) to support our dual language students and families.

Our teaching staff is made up of sixteen general education teachers, two special education teachers, one Academic Coach, four Intervention Teachers, three physical education teachers, four music teachers, three Spanish speaking paraeducators, one

2023-24 School Description and Mission Statement

Russian/Armenian speaking paraeducator, five special education paraeducators, and three general education paraeducators. Our administrative team is comprised of one full time principal and a full-time assistant principal. Our hard-working staff strives to provide an exceptional educational experience. Along with the Federal Preschool, WRE offers a federally funded, free to parents, after school program called, After School Education Safety (ASES). Our support staff is robust with a school psychologist, one licensed mental health specialist, one Speech Language Pathologist (SLP), access to one Occupational Therapist, and a Behaviorist.

Learning extends beyond the core curriculum of reading, math, writing, social studies, and science. Our fourth and fifth grade students receive two times a week music instruction and all grades enjoy participating in physical education classes. WRE prides itself on implementing strong social-emotional learning as we are committed to teaching the FCUSD adopted Second Step curriculum along with the following evidence-based programs; Responsive Classroom and Zones of Regulation. In addition, we are a Positive Behavioral Intervention School (PBIS) where we believe in the explicit teaching of our 3 B's: Be Respectful, Be Responsible, Be Safe, throughout our entire school site. We believe that to be impactful educators, we must ensure our students are ready to learn by creating connectedness to their learning environment and the people within it.

We serve our student's academic needs in many ways. Utilizing the PLC approach, teachers meet regularly to review data, plan lessons, group students, determine formative/summative assessments, and isolate essential standards. Teachers have time during their teaching day and after school to complete this work. In addition, our Intervention Team, led by our Title I Academic Coach, works cyclically to provide small group instruction in the areas of phonics, reading, math, writing, and English Language acquisition. Teachers use core curriculums: SIPPS, EnVision, Benchmark, and Renaissance to support their instruction. Through this approach, we are able to create small groups of students and target instruction for intervention. Intervention not only occurs during our school day but also beyond the bell.

We are a Title I and a Community Eligibility Provision site. We qualify for this because 92% of our students qualify for free or reduced lunch. All our students are welcome to eat breakfast before school, and lunch mid-day, and those that stay for our free after school program are provided with supper.

Parents express the desire to understand their children's school experience. WRE uses many of our resources to establish and maintain relationships with our parents through School Site Council (SSC), ELAC, Title I meetings, coffee with the principal, family events, home visits, informational classes for parents, and offering volunteer opportunities. We tailor our outreach in response to conversations that staff, and administration have with parents, as well as insight we receive through our SSC.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)

Total Teaching Positions						

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

White Rock Elementary has 26 classrooms, one multipurpose, two playgrounds one for kinder and the other for all other grades, and an admin building. The school was built in 1959, and the multipurpose with a conference room and an RSP room was added in 1967. The site was modernized in 1990, 1997, 1998, and 2006. Portables were added in 1997, 1998, 1999, 2006, and 2007. The STARS portable was modernized in 2007 when it was placed on the site. There are three sheds on the campus. This site houses a California State Preschool and has eight small group instruction rooms. A portable building that had five separate rooms received an update to house Transitional Kindergarten for the 2023/2024 school year. A county-owned Head Start building is also located on this site. The school was renovated in 2009 and is in good repair with no planned repairs needed.

The principal works with the custodial staff of two full-time and one part-time custodian to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

In the 2023-2024 school year WRE will begin to use a Community Schools framework and the four Pillars of Community Schools. We are committed to working in partnership with our students, their families, and community service agencies to bring resources onto our campus that remove barriers to student learning. This is done by understanding the Science of Learning Development and that youth who are exposed to chronically stressful experiences will struggle with learning if they do not feel psychologically and physically safe at WRE. Supportive environmental conditions that foster strong relationships and build a sense of community are a priority for us. These include positive sustained relationships with the families of our students that foster attachment and emotional connections; physical, emotional, and identity safety; and a sense of belonging and purpose. It is our goal to work collaboratively with parents in a shared decision-making approach where we are all working to support learning at school and at home. Therefore, WRE continues to find ways to increase the involvement of our parents and community. Parents are encouraged to attend a variety of special events throughout the year, such as Back to School Night, Kindergarten Orientation, Harvest Festival, Math and Science Nights, Winter Wonderland, Open House, The B Street Theater student play, Parent/Teacher conferences, and our spring concerts. Our school website, Facebook group, and Blackboard Mass Notifications keep parents informed about important school information. All of the communication platforms provide accessibility by offering hundreds of language translations.

To encourage parent voice in decision making, all White Rock families are invited to participate in the planning, implementation, and evaluation of the SPSA. Additionally, parents of emergent bilingual/EL students are encouraged to participate in the ELAC and provide a written evaluation of programs.

Parents are welcome to support student academics at home by accessing the curriculum support links found on our website. When there are academic, social, or behavioral concerns, we use Student Study Team (SST) meetings to provide a space to collaborate and explore possible supports. Teachers provide ongoing communication to families regarding academic progress through mid-trimester progress reports and direct contact. The majority of WRE teachers use a newsletter or Class Dojo to keep parents informed on a daily and weekly basis. Our Parent Coordinator works to process school volunteers and implement opportunities for parent participation on site. The principal communicates with families by updating the website, interactive videos, Facebook posts, and weekly newsletters that are sent through email, and text messages. All communications are easily accessible for our diverse language population.

WRE continues its partnership with Shoes That Fit, providing shoes and jackets to students in need during the Holiday season. In addition, we maintain clothes and a shoe closet that is stocked by donations from local non-profits such as the Assistance League. Blessings in a Backpack provides snacks for students to take home on the weekend for students experiencing food insecurity. In the 2023-2024 school year, we look forward to utilizing our Community School status to enrich our connections with community partners that can creatively work with us to support our students and families.

2023-24 School Safety Plan

White Rock strives for a safe and clean environment. Restrooms and eating facilities are cleaned daily. Classrooms are cleaned at least every second day with the exception of kindergarten, preschool, and special education classrooms that are cleaned daily. Any safety hazard that is reported is reviewed immediately and resolved. Safety and Emergency plans are reviewed each fall and spring with our School Site Council. The Safety Plan was approved in December 2022. The community is encouraged to use our facility, including evening meetings of various community organizations such as Folsom Cordova Parents Early Readiness Playgroup and the Supplemental Tutoring and After School Education and Safety (ASES). There were five (5) student accidents reported at our school in the 2022-2023 school year.

Reducing vandalism and after-hours problems is still a top priority. Our community, especially immediate neighbors continue to watch out for our campus to curb any incidents of vandalism and graffiti.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

White Rock teachers have participated in additional training through Responsive Classroom and Solution Tree to support students' engagement in school and academic progress. Staff have continued to attend professional development at the site level on Step Up to Writing, Guided Language Acquisition Design Strategies, Building Thinking Classrooms, and Trauma Informed teaching practices.

Counseling & Support Staff
It is the goal of White Rock Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. In addition, we are using staff from our Special Friends/ Partners in Prevention (PIP) Elementary Intervention Program (EIP) and Marriage Family Therapists (MFT) for assistance in these areas.
