2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Our vision is to engage, inspire, and empower a community of caring, inclusive, and culturally aware learners in critical thinking, collaborating, problem-solving, innovating, and preparation for college and career readiness.

Our mission is to provide a well-rounded education for ALL students (academically, emotionally, and behaviorally) through clearly defined standards and high expectations. This will be achieved by:

- Providing a safe learning environment with an intentional, equitable, and culturally responsive focus on social, emotional, and academic learning;
- Utilizing Positive Behavioral Interventions and Supports (PBIS): an approach for teaching children appropriate behavior and providing the support necessary to sustain that behavior;
- Learning through a unique, experiential, hands-on, and collaborative process;
- Inspiring creative, critical, and analytical thinking;
- Providing a rigorous and technologically enhanced curriculum;
- Supporting school-wide Science, Technology, Engineering Arts, and Mathematics (S.T.E.A.M.) enrichment;
- Creating educational opportunities for students that will broaden their experience and meet future school and workforce needs;
- Encouraging parents and community partners to be involved through our PTO (Parent Teacher Organization), School Site Council, and classroom/site volunteer program.

School & Community Profile:

Oak Chan Elementary School, which opened in the fall of 1989, is located in the Lexington Hills subdivision of Folsom and serves students residing in Lexington Hills, the Parkway development, the Pinnacle, the Falls, Legends, and Fairmont Apartments. Our completely rebuilt campus includes four newer buildings. There are 21 classrooms with a common work area in each of the classroom wings. This area is used for one-to-one support, student small collaboration groups, and focused intervention. In support of our Full Inclusion Program as well as other physical movements, usually, a specified space is dedicated to our school Occupational Therapist and other programs such as physical education and music. The Learning Center and Academic Support classrooms are located in our Resource Center. This spacious facility includes offices for our Speech Pathologist and School Psychologist as well as a fully supported library and STEAM Lab (Science, Technology, Engineering, Art, Mathematics). All new furniture allows for flexible seating and state-of-the-art technology supports academic instruction as well as Career and College readiness. With beautiful new landscaping and playground areas, students have an

opportunity to explore, be creative, and experience all the elements of outdoor play. We are very fortunate to have a small park across the street from our school, with wetlands and a second park within walking distance. A small pond and bike trail are adjacent to our school grounds and provide an ideal learning environment for nature studies. In collaboration with Folsom Parks and Recreation, we are able to utilize the parking space for events such as Dragathon and the launching of 5th grade Intel Rockets.

Our current 2022-2023 enrollment is 430. We have 2 kindergarten classes, 3 first, grade classes, 3 second grade classes, 4 third grade classes, with 3 classes each in fourth and fifth grades. Approximately 8% of our student population are eligible for Free and Reduced Meals (this school year, all students can receive lunch at no cost) and 3% are designated as English Language Learners. Our site has 2 Counseling Enriched Program (Special Education CEP) classes, which support behaviorally challenged kindergarten through fifth-grade students from various Folsom elementary schools. Oak Chan is also home to a Student Care program.

The faculty and staff at Oak Chan Elementary School believe that our children's education is a responsibility shared by our school, our students, our families, and our community. Our primary goal is to prepare students to become responsible citizens and productive, caring members of our society. Oak Chan Elementary School students are provided with an environment that is safe, caring, friendly, and educationally inspiring. High academic expectations and mastery of the basic skills are emphasized, with students pursuing good study skills and developing an appreciation for lifelong learning. Our dedicated staff of professionals and paraprofessionals is passionate about their chosen profession and strives to provide a model learning environment for ALL children. In 2014, our school was named a Distinguished School based on our high standards, academic student support, and positive learning community. In 2020, the California Positive Behavioral Intervention and Supports (PBIS) Coalition recognized Oak Chan for its outstanding contribution to the support and care of our students during the unprecedented COVID-19 pandemic.

Our school-wide discipline program is based on Positive Behavior Interventions and Supports (PBIS); clearly defined standards for student behavior, consistent and fairly enforced consequences, and appropriate incentives/recognition. The Second Step Character Program is utilized to address positive choices, anti-bullying, and Social and Emotional Learning (SEL). Oak Chan Elementary School is a safe, healthy learning environment based on the belief that students learn to advocate for themselves and problem solve in a respectful manner; being reflective and accountable for their choices assures students a successful school experience. With the guidance of our Climate Coach, we are focusing on inclusion, equity, and fostering a responsive classroom. Parents and the public are encouraged to be involved with the school program through our PTO (Parent Teacher Organization), School Site Council, and volunteer program.

The district adopted Common Core academic curriculum provides for basic skills, extra support, and enrichment in the general education classroom. We are a full 'Inclusion' and 'mainstreaming' school; strategically supporting children with special needs. As we develop our STEAM Program (Science, Technology, Engineering, Arts, Mathematics), we offer various school-wide and before/after school enrichment including a very strong instrumental Music program for fourth and fifth-grade students; Meet the Master's Art program which allows the students an opportunity to learn about well-known artists and create their own masterpiece; a six-week Starstruck dance program; Makerspace Carts that empower students to be creative and innovative; and a dedicated group of parents who assist each child in creating two ceramic projects (there is a Ceramics Kiln on-site). Many students participate in Student Council, Theater Arts, Chess, Choir, Science Fair, Math Bowl, History Day, Spelling Bee, Engineering, Coding, Art, Garden Club, Dashing Dragons (running club), and many other clubs and social events during the school year.

The staff, parents, and extended family members of Oak Chan Elementary School students have worked hard to create an academically and socially engaging elementary school in which our children attend. We are confident that they will look back on their days at Oak Chan Elementary School with a smile on their face and warmth in their heart as they remember the lessons they learned and the friendships they made inside and outside of their classroom doors.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 25, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Oak Chan Elementary was originally constructed in 1989 with a completed reconstruction in 2018 through Measure G Funds.

Our restrooms, student care facility and multipurpose room are cleaned daily. Classrooms are cleaned on a regular basis with extra care given when the need arises. Our floors are mopped, vacuumed, or cleaned on a regular basis. Plumbing and electrical systems are operational. The custodial team maintains our school to the best of its ability in the limited hours provided. The head custodian makes efforts to ensure that the grounds are safe and attractive. Graffiti is immediately removed, and safety issues are addressed as soon as reported. When custodians are unable to work, their positions are filled with substitutes. This procedure ensures that bathroom facilities, eating facilities, and student care facilities are cleaned daily and trash is emptied from the entire campus.

Our school is highly concerned with providing for student safety and is reevaluated throughout the year. Our staff reports all accidents that they are aware of to the office to ensure student safety. Minor first aid is provided whenever necessary.

Repairs to the site or equipment are made in a timely manner. The district's maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	73	N/A	59	N/A	47
Mathematics (grades 3-8 and 11)	N/A	77	N/A	48	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents are encouraged to be actively involved at Oak Chan Elementary School through our Parent Teacher Organization (PTO), School Site Council (SSC), in the classrooms, and special events. Specifically, our PTO spends long hours raising much-needed funds to purchase technology, supplemental instructional materials, and school improvement equipment such as extra outdoor seating, enrichment programs, classroom libraries, field trips, assemblies, and much more. Parents are welcome at our school and bring additional support, energy, expertise, and creativity to our learning community.

For additional information about organized opportunities for parent involvement at Oak Chan Elementary School, please contact Brit Renshaw, the Parent Coordinator at 916-294-9155.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.61	3.25	2.45
Expulsions	0.00	0.06	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Our school is safe and clean. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall and spring. During instructional time, our front gates and classroom doors are closed and locked. Staff members are diligent about checking that all visitors and parent volunteers have registered with the office as well as wearing the appropriate identification badge while on campus.

Emergency plans have been developed in case a threatening situation should arise. Fire and earthquake drills are conducted on a regular basis based on comprehensive Hour Zero training. Our school also practices active shooter lock-down procedures in the event of an emergency at our school site. We continue to foster a strong relationship with our local law enforcement and emergency responders.

Utilizing yard supervisors, students are supervised during all recesses, lunches, and immediately before and after school. Our playground and classrooms meet or exceed all safety requirements. Parents from our PTO and School Site Council have assisted in developing bicycle and traffic safety rules and procedures and have worked with the site Principal on other safety concerns at Oak Chan. There were 7 reported student accidents for the 2021-2022 school year.

The health and safety of our staff and students are of utmost importance. Along with daily cleaning and sanitizing of rooms, our Health Office monitors any illness that is reported to our front office. A symptom decision tree has been supplied by our District Health Office to assist in cases where there may be signs of illness. With everyone's cooperation and adherence to our guidelines and procedures, we can continue to have an illness-free learning environment.

Date of Inspection: October 4, 2022

Date Comprehensive Site Safety Plan Last Reviewed with Staff: August 8, 2022

Date of update and Site Council Approval of Comprehensive Safety Plan: December 13, 2022

Our school-wide discipline program is based on Positive Behavior Interventions and Supports (PBIS); clearly defined standards for student behavior, consistent and fairly enforced consequences, and appropriate rewards. The Second Step Character Program is utilized to address positive choices and anti-bullying. Social Emotional Learning, Growth Mindset, Emotional Regulation (Dragon Zones), and flexible seating are areas of focus with our staff and students. Our school is a safe, healthy learning environment based on the belief that students learn to be reflective, problem solvers, and accountable for their behavior choices to assure a successful school experience. Parents and community partners are encouraged to be involved with the school program through our PTO, School Site Council, and classroom participation.

Professional Development

Folsom Cordova Unified School District has provided up to two professional development days for certificated staff for the current year and the last two years. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; by reading professional literature; and by networking. District-sponsored in-service and training are provided through Professional Learning Communities (PLC), lead teachers, and site-level academic, reading, math, science, and technology coaches. In addition, our district staff has worked collaboratively to provide an induction program for qualified new teachers. Throughout the year, a dedicated time during site staff meetings is utilized for professional development. Topics include but are not limited to Renaissance, Lexia, Responsive Classroom, Social Emotional Learning strategies, and Implicit Bias/Equity. Currently, several teachers are participating in Language Essentials for Teachers of Reading and Spelling (LETRS) training.

Counseling & Support Staff

In addition, it is the goal of Oak Chan Elementary to assist students in their social and personal development as well as academics. The school provides interventions and offers special programs for students who experience achievement gaps and/or in need of extra support in making positive choices. A focus on equity, Restorative Practices, and supporting Linguistically and Culturally Responsive classrooms has begun. Also, in addition to Second Step (Social Emotional Learning) lessons for our students, our staff members are participating in Social Emotional Learning (SEL) for Adults.
