2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/quardians and community members should contact the school principal or the district office. DataQuest is an online data tool located on the CDE DataQuest web page at **DataQuest** https://dq.cde.ca.gov/dataguest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). The California School Dashboard (Dashboard) California School Dashboard https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and **California School** schools are meeting the needs of California's diverse student population. The DASHBOARD Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Internet access is available at public libraries and other locations that are publicly **Internet Access** accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation

on a workstation, and the ability to print documents.

may be used (depending on availability), the types of software programs available

2022-23 School Overview

School Vision and Mission:

The mission of Sandra J. Gallardo Elementary School is to meet the needs of all learners in a safe, supportive environment that better prepares each student for college and career readiness.

The vision of Sandra J. Gallardo Elementary School is to provide a professional learning community where each student receives rigorous learning opportunities to build a strong educational and social foundation needed to succeed in school and life. Sandra J. Gallardo Elementary School's administration and staff will provide:

- High Expectations
- Rigorous Curriculum
- Community Involvement
- Promotion of 6B's Character Traits (Be Safe, Be Kind, Be Respectful, Be Responsible, Be on Task, Be Present)

School & Community Profile:

Sandra J. Gallardo Elementary School is an elementary school in Folsom, California, serving Kindergarten through 5th grade. Our student enrollment, reported on the California Basic Educational Data System (CBEDS) in August 2022, is 365. In 2010, our school was named a Distinguished School based on academics, student performance, and a positive learning environment. Our school is a place where students, staff, parents, and community members interact to create a collaborative learning environment while respecting and celebrating individual differences. Folsom Cordova Unified School District provided Equity training for select teachers in supporting our campus and providing a culture where everyone recognizes diversity, equity, and inclusion. Sandra J. Gallardo Elementary School has (2) teachers who completed the training and received the Cultural Competency Certificate. Additional representatives will be trained and taught these concepts for continued support for our staff and students.

Sandra J. Gallardo Elementary School is structured around high academic and behavioral expectations, which helps to maintain, support, and encourage a positive school-wide atmosphere. Our school and staff reflect a culture of a caring, supportive and strong home-school connection made up of educators who hold California Teaching Credentials and paraprofessionals, both of whom are committed to educational excellence for all students. Teachers regularly participate in Professional Development (PD) and collaborative opportunities through our Professional Learning Communities (PLCs).

2022-23 School Overview

As we serve the needs of our students, we offer programs that serve individual academic needs including Speech, Occupational Therapy, and Intervention Programs. Opportunities for differentiated learning help to provide challenges for all students, including those identified for Gifted and Talented Education (GATE). Additionally, we support English Learners (EL) with qualified staff and programs identified to develop English acquisition skills. Sandra J. Gallardo Elementary School is also home to a Student Care program. Our curriculum is focused on teaching students the District adopted Common Core State Standards in all grades. Materials used in classrooms are State and District adopted. Chromebooks are used in all classrooms. We are using a Professional Learning Communities (PLC) model to continue to build teacher efficacy that will support and improve learner outcomes. As we develop our Science, Technology, Engineering, and Math (STEM) Program, teachers and parents bring Science exploration to the classroom. Additionally, students participate in Student Council, Music, STEM Night, Science Fair, Math Bowl, Spelling Bee, Cross Country, and other social events during the school year.

Our school-wide discipline program is based upon a positive culture approach including Positive Behavior Interventions and Supports (PBIS), participation of Swamp Supporters, and student engagement. We utilize the Second Step curriculum, The 6 Bs (Be Safe, Be Kind, Be Respectful, Be Responsible, Be On Task, Be Present), Positive Postcards, and Atta Gator incentives, which recognize student progress and positive choices. Students in need of additional support such as counseling and/or interventions participate in the Primary Intervention Program (PIP)/Special Friends.

Parents are encouraged to attend Back to School Night, STEM/Math Night, School Site Council, Multi-Cultural Night, Coffee and Conversation with the Principal, as well as Open House, to facilitate better parent-teacher-student communication and home-school connection. Our school, District, and PTA websites are viable resources for calendars, communications, and clarity throughout the year. Sandra J. Gallardo Elementary School actively seeks and appreciates the resources to assist under-achieving students from families and community partners (i.e., PC Pals, Intel Corporation, PTA.). Weekly Gator News newsletters, Blackboard emails, voicemails, and text messages support Gallardo's communication with our families.

At Sandra J. Gallardo Elementary School, we believe that all students can learn. As we work in partnership with our families, we can facilitate learning to ensure that our students will achieve their highest potential. This will be accomplished by maintaining high standards, teaching a rigorous curriculum, promoting good character, and supporting the social and emotional needs of our students and staff

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 25, 2022, and determine that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Sandra J. Gallardo Elementary was originally constructed in 2003 and is comprised of 28 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, a STEM lab, 2 learning centers, 2 playgrounds, one student care facility.

Cleaning Process: The Principal works daily with the custodial staff of three employees (two full time and one half time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the District office for review.

Maintenance and Repair/Deferred Maintenance Budget: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The District participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar–for–dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	83	N/A	59	N/A	47
Mathematics (grades 3-8 and 11)	N/A	82	N/A	48	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parental Involvement / Parent Teacher Association (PTA): Gallardo is utilizing parental involvement in conjunction with our Parent Teacher Association (PTA). Parents are encouraged to be actively involved in our PTA, School Site Council (SSC), in classrooms, and in special events. Specifically, our PTA is dedicated to supporting our campus with endless campus needs. Parents are welcome at our school which, brings additional support, expertise, and creativity to our learning community. Attendance at Back to School Night, STEM/Math Night, School Site Council, Multi-Cultural Night, Coffee and Conversation with the Principal, as well as Open House to facilitate better parent-teacher-student communication and home-school connection is encouraged. Our school, District, and PTA websites are viable resources for calendars, communications, and clarity throughout the year. Sandra J. Gallardo Elementary School actively seeks and appreciates the resources to assist under-achieving students from families and community partners (i.e., PC Pals, Intel Corporation, PTA.). Weekly Gator News newsletters, Blackboard emails, voicemails, and text messages support Gallardo's communication with our families.

Communication: Gallardo's school website, Gator News newsletter, and Membership Tool Kit (PTA Sponsored), is updated regularly. The home-school communication system, Blackboard Connect, informs parents of important information and upcoming events.

For additional information regarding organized opportunities for parent involvement at Sandra J. Gallardo Elementary School, please contact Mikal Thompson, Parent Coordinator, at 916.294.9170.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.61	3.25	2.45
Expulsions	0.00	0.06	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Our school is safe and clean. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each Fall and Spring. During instructional time, Gallardo is a closed campus, and classroom doors are closed and locked. Staff members are diligent about checking that all visitors and parent volunteers have registered with the office as well as wearing the appropriate identification badge while on campus.

Emergency Plans have been developed in case a threatening situation should arise. Fire and Evacuation Drills are conducted on a regular basis based on Catapult EMS training. We continue to foster a strong relationship with our local law enforcement and emergency responders. Utilizing yard supervisors, students are supervised before and after school, as well as during all recesses and lunch periods. Our playground and classrooms meet or exceed all safety requirements. There were eleven (11) student accidents reported for the year 2021-2022.

Professional Development

Folsom Cordova Unified School District provides professional development days for Certificated and Classified Staff. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending classes, as well as statewide and local workshops. District-sponsored training are provided for teachers through Professional Learning Communities (PLC), Lead Teachers, and site-level PLC/Academic Lead Teachers and a Technology Coach. In addition, our District staff has worked collaboratively to provide an induction program for qualified new teachers. Throughout the year, a dedicated time during site staff meetings is utilized for professional development. Topics include but are not limited to: Renaissance, Lexia, SIPPS, Responsive Classroom, Social Emotional Learning strategies, and Implicit Bias/Equity. Currently, several teachers are participating in Language Essentials for Teachers of Reading and Spelling (LETRS) Training.

This table displays the number of school days dedicated to staff development and continuous improvement.
