SCHOOL INFORMATION

AGENDAS

Agendas (student planners) are distributed to 4th and 5th grade students at the beginning of the year. Every student is given one Agenda courtesy of the Russell Ranch PTA. If it is lost, misplaced, or stolen, then it is the financial responsibility of the child to replace it (\$5). All students are expected to have and use these planners throughout the school year. It is each student's responsibility to use these calendars to record all homework assignments and projects for each class. Parents are asked to review the assignments recorded in the Agenda every evening and check the online class website once a week.

RUSSELL RANCH SCHOOL WEBPAGE

For the weekly school bulletin, teacher and class information, PTA newsletters, or for other school information, Russell Ranch School's webpage can be viewed at: <http://www.fcusd.org/rre>

TEACHER CONTACT INFO

Parents may track their student's academic progress and attendance using the Parent Portal on the Russell Ranch website. All Russell Ranch School staff members have email accounts, (if information is needed, classroom teachers or office can assist). Staff Email addresses can be found on RR homepage (via the tab "teacher websites).

TELEPHONE USE

The office telephones, as well as telephones in the classrooms, are for the use of the staff only. The counter telephone in the office is available for students to call parents. Students may only use the telephone with a pass from a teacher or during their lunch break. It is only in the case of an **emergency** that the office will accept and assist calls for students.

MESSAGES AND DELIVERIES

To avoid unnecessary classroom interruptions, the office staff will not accept or deliver nonessential personal messages or items such as food, flowers, etc. Classes will not be interrupted to relay non-emergency messages, but staff may be sent a message with the information about student's forgotten items. **Please note - we cannot guarantee delivery or receipt of messages by a certain time.** If a parent delivers homework, music instruments, or a lunch, students will be called to come to the office in between classes or at lunch to pick-up their belongings. **Parents are encouraged to let students assume responsibility for remembering lunches, school items, homework, etc...as appropriate and necessary for age and ability.**

EMERGENCY CARD

Parents or guardians are now required by law to complete the emergency card information at the time of registration. Parents or guardians are also required to keep current the information as changes occur, i.e., name of baby sitter, employment location and phone number, etc. - always make sure we have CURRENT INFO.

ILLNESS

Students who become ill at school will be sent to the office, their parents will be notified, and arrangements made for their child to go home. All students will have an emergency card on file listing the name of the preferred physician, location and telephone number of parents and a friend or relative to be reached in case of an emergency. Notify the school immediately if there is a change of address, phone number, etc. - always make sure we have CURRENT INFO.

ACCIDENTS AND INJURIES

It is required that all accidents and injuries be reported to the teacher and/or school office. If an injury requires immediate medical attention, the parent will be notified IMMEDIATELY. If the parent/guardian should not be available, the school is authorized to obtain medical care for the pupil in accordance with the best judgment of those in charge.

MEDICATION

Any pupil who is required to take, during the regular school day, medication prescribed for him by a physician, may be assisted by the school nurse or other designated school personnel if the school district receives (1) a written statement from such physician detailing the method, amount, and time schedule by which such medication is to be taken, and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matters set forth in the physician's statement. California Education Code, Section 49423.

The school does not supply medication of any type. The student's parent or guardian must provide all medication needing to be taken at school. This includes all prescription and over the counter medication including but not limited to non-aspirin type pain relievers, cough drops, antacids, creams, and ointments. **Students are not allowed to have medication in their possession at any time.** (Students with asthma are allowed to carry an inhaler only if there is a written statement from the child's physician indicating that it is necessary for the student to carry an inhaler on his/her person.) Medication can be given to a student during the school day only if it is absolutely necessary to maintain that student in school. The school nurse or other designated school personnel will administer the medication to a student provided that the school office has received the following:

NO MEDICATION CAN BE GIVEN WITHOUT ADHERENCE TO THE FOLLOWING PROCEDURES (California Education Code, Section 11753.1)

- 1. A district medication consent form signed by the doctor (physician)*
- 2. A district medication consent form signed by the parent/guardian.*
- 3. The medication is sent to school in the original "over the counter" or pharmacy prescription container.*
- 4. Medications shall be brought to the school office by a parent, guardian, or designated adult.*
- 5. Refills of medication are the responsibility of the parent/guardian.*
- 6. All medications shall be held in the school office, in a secure location, in the original container labeled with the student's name.*
- 7. Parents need to be in constant communication with the office when their children are on daily medication, or at any time they are concerned, even if the medication is not given during the school hours. Please inform the school if your child is taking a medication that may affect his/her behavior.*
- 8. Parents are responsible to pick up any remaining medications at the end of the school year, or the left over medications will be discarded.*

INSURANCE INFORMATION

At the beginning of the school year, students receive a student insurance application form. This insurance, available at very reasonable rates, is a transaction between the parent and the insurance company.

ATTENDANCE

A significant part of the student's experience and education is derived from classroom relationships, activities, discussions, and participation. Absences may result in a lower subject grade or failure if too much school is missed. We urge parents to consider this when scheduling dental and doctor appointments, and vacation plans.

The State of California uses a positive attendance accounting system. This means that schools will only receive their daily funding for students who are physically present at school. We will be marking students in four categories, present, absent, tardy, or truant.

ABSENCE VERIFICATION

A parental phone call or written excuse is required which includes the specific reason, the date(s), and the signature of parent(s) or guardian when absent for any reason. Please call the office before 9:00 am if your child will be absent. When you return to school, please bring your note to the front office for verification.

Students who have been absent without a valid excuse will be marked unexcused.

TARDY POLICY

1. When children are late to school, it causes disruption of the class and decreases learning time for all students.
2. It takes additional teacher time to help the student catch-up with the rest of the class.
3. It is the **parent** and **student's** responsibility to arrive at the proper time.
4. Missing class time justifies that lost time must be made up.

TARDY PROCEDURES

1. All tardy students are to report to the office.
2. The office will determine if a tardy is excused, keep records and follow up on excessive tardiness.
3. Teachers will return tardy slips to the office.

CONDITIONS FOR EXCUSED TARDY

1. The tardy is pre-arranged with the teacher or the principal's office.
2. Medical or dental appointments that cannot be scheduled before or after school.

UNEXCUSED TARDY

Students may be asked to make up time in a classroom during recess and/or after school. A student who is late three times (30 minutes or more on each occasion) will be reported as a truant to the Attendance and Due Process Office, (See FCUSD Truancy Policy.)

EARLY DISMISSAL

If parents need to check their student(s) out during school hours for medical appointments, etc. – you must first sign them out in the school office. At that time the students will be called from their classroom to meet parent(s) in the office. Parents are not to go directly to the classroom first. Students will not be released without proper procedure and please be prepared to show photo id as well in the front office.

FREE AND REDUCED LUNCH

The school district sends out applications to those families currently enrolled in the Folsom/Cordova Unified School District. If you have not received one of the applications, please stop by the office for more information or assistance.

TEACHER REQUESTS: We appreciate the thoughtfulness and advocacy in your child's education. As policy, we do not take specific teacher requests unless there are extenuating social or academic considerations. Balancing classes is complicated with all the factors we must take into account. Our teachers, principal, and support staff spend many hours building balanced classes to meet the needs of ALL children. When building classes the factors we must take into consideration are: number of students enrolled in each class, academic assessments, behavior, social development, GATE, special education, gender, English Language Learners, and several other individual needs. It is very difficult to grant requests and maintain fair and balanced classes to meet the needs of ALL students. Thank you for your understanding and respect for our processes.

CHANGE OF PERSONAL INFORMATION

Please contact the school office promptly if you have any changes of address, emergency contacts / information, work or phone numbers. For the sake and safety of your student, we must have current data. We release students only to the persons authorized on the emergency card. Remember – if you become injured or ill, someone else would need to have authorization, to pick up your child, (either from the emergency card or by you) if your child needs to leave school.

TEXTBOOKS

Textbooks will be issued to students. The students are responsible for the replacement of lost or damaged textbooks. Students may be encouraged to cover textbooks that go home during the school year, pending the teacher request.

DRESS CODE

Pants will be worn around waist...no sagging pants. Please do not send children to school in tank tops with thin (spaghetti) straps. Thicker strapped sleeveless shirts may be appropriate, but when in doubt, please ask the office or teacher. Shoes must be attached to the feet and need to be suitable for running and P.E. activities. No flip flops, open sandals, or high heels. Students will not be permitted to wear make-up. Students who come to school wearing unacceptable clothing will be asked to contact a parent to bring a change of clothing to school. Undergarments should not be visible. The school principal and/or classroom teacher will determine appropriate school dress.

ACADEMIC EXPECTATIONS

Each student will make the greatest possible individual effort in learning and completing school assignments. Each student will participate fully in any school or classroom activity in which he or she is involved. Every student will participate in the district adopted core literature program for each grade level. This program will promote understanding of plot, theme, character analysis, and style development of selected literature. Every student will be involved with the use of manipulative and calculators in mathematics. Every student will be instructed in the scientific method using a hands-on approach.

S.T.E.M. – SCIENCE, TECHNOLOGY, ENGINEERING & MATH

In the spring of 2014, FCUSD designated Russell Ranch as a STEM school in Folsom. All students will participate in innovative, cutting edge curriculum designed to prepare students for career goals – through highly engaging and real-world problem solving methods and activities.

HOMEWORK POLICY

The purpose of assigning homework at Russell Ranch School is to strengthen academic skills, reinforce concepts taught by teachers, develop student responsibility and accountability, and promote parent awareness.

- Homework is deemed to be an independent activity, to be accomplished outside of the school day and without benefit of teacher assistance, and to reinforce previously learned ideas.
- Unfinished classroom or work missed due to absence, although accomplished outside of the school day, is not included in the school's definition of homework.
- Homework will generally fall into one or more of three different categories and may include, but are not limited to the following examples:
 - INDEPENDENT PRACTICE - This includes activities to reinforce skills such as studying spelling words and practicing math facts.
 - PREPARATION - These are assignments designed to provide information and focus on future class activities. Studying for tests and reading supplementary materials are examples of such homework assignments.
 - EXTENSION/CREATIVE - Activities such as book reports, science projects, and research for social studies reports are examples of such homework.

Amount of Homework:

The amount of homework assigned shall be related to the maturational and ability level of the students in a given class. It is anticipated that the amount of time expected to complete homework shall not exceed four hours per week by the fifth grade level. Specific amount of time per week shall be determined by grade level.

Please be advised that your child may spend more than one-hour daily completing schoolwork, as time at home may be spent doing assigned homework and completing unfinished classroom assignments.

Homework will generally be assigned on a Monday through Thursday basis. Assignments of a longer nature, such as a term project or book report, will include checkpoint monitoring.

- **Student Responsibility** - It is the responsibility of the student to record and understand the homework assignment, complete it, and return it to school on the required day. Teachers may use homework
- assignments to help determine a student's grade.
- **Parent Responsibility** - It is the responsibility of the parent to set a specific time and place for doing homework, to monitor the student, to assist when appropriate and to check completeness and accuracy. **Teacher Responsibility** - Teachers will be responsible for assigning homework to students and for providing the necessary explanation and direction required to assure that the students can accomplish the work with reasonable success. The teacher will also monitor and acknowledge homework results for parents and students. Specific classroom homework expectations will be established by each teacher in accordance with FCUSD Board Policy and may differ from room to room depending upon the needs and abilities of the students. Each teacher will notify parents of their classroom policy.

SHORT TERM INDEPENDENT STUDY

The minimum period of time for any independent study option shall be five (5) consecutive school days. The school principal in conjunction with the classroom teacher shall ensure that a written independent study agreement, as prescribed by law, exists for each participating student, (Education Code 51747).

The written agreement shall specify the length of time in which the independent study assignment must be completed. Because excessive leniency in the duration of independent study assignments may result in a student falling behind his / her peers, independent study assignments shall be no more than a week for all grade levels and types of programs. However, when deemed necessary, based on the specific circumstances of the student's approved program, the principal may allow for a longer period of time between date assignment is made and when it is due, up to the termination of the agreement.

Please see FCUSD website for additional Independent Study information, (BP 6158; AR 6158)

SCHOOL LIBRARY AND IMPROVEMENT PROGRAM (S.L.I.P.)

The SLIP Council is the vehicle for Site Based Decision Making, a district plan allowing schools more freedom in planning their own program. The SLIP Council is comprised of an equal number of school staff members and parents of children at the school. Our council will evaluate school progress in all academic areas and look for ways to improve performance at the school.

RUSSELL RANCH SCHOOL-WIDE POSITIVE BEHAVIOR SUPPORT PROGRAM

The Russell Ranch School-Wide Behavior Support Team meets regularly to monitor and work on a continuous improvement program for our students and staff. The team consists of teachers, special education staff, student supervisors, and parent representatives. Our Positive Behavior Support (PBS) program has many integrated components including our B.E.S.T. Program, Second Step, and special needs awareness. Our BEST program is a positive support program which includes the Silver Horseshoe awards, recognition assemblies, and many other positive incentives and rewards. The Special Needs Awareness component begins with our philosophy to be a full inclusive school experience for ALL of our exceptional children. We strive to provide education to staff and students about the types of special needs we work with in education, (such as Autism ADD, etc.). These components of our program are part of our curriculum for every classroom and every child. Some of the topics like child safety and conflict management are covered multiple times over the year. In addition, every staff member on campus participates in our School-Wide Behavior Support Program. We are very proud to see the results in the behavior of our students. Every day we witness acts of kindness, respect, and students willing to reach out and include other students in their activities. We are very proud of how our students conduct and behave themselves in a respectful and safe manner.

SCHOOL WIDE ANTI-BULLYING APPROACH

Staff at Russell Ranch are being trained using the Second Step curriculum along with positive behavior supports. This program includes classroom lessons that teach students how to recognize, respond, and report bullying. Bullying is unfair and one-sided. It happens when someone keeps hurting, frightening, threatening, or leaving someone out on purpose.

Examples of direct bullying include:

- *Causing physical harm or threats*
- *Insulting, taunting, or engaging in name-calling*
- *Telling a child to his or her face in a mean way that he or she cannot play*

Examples of indirect bullying include:

- *Spreading malicious rumors or lies about a child*
- *Writing hurtful graffiti about a child*

SILVER HORSESHOE RECOGNITION ASSEMBLIES

Students are selected by their teacher each trimester for Mustang Silver Horseshoe recognition awards. All students selected will be honored in our Recognition Assemblies. Students are selected on the basis of practicing the Mustang Rules. Parents will be notified by a letter when their student is selected and are encouraged to attend this recognition event, (dates TBA).

CLASSROOM DISCIPLINE POLICY

The Russell Ranch School-wide Positive Behavior Support Program also encourages students to follow classroom rules by using positive reinforcement. Students are expected to be respectful, courteous, and cooperative in the classroom. Every teacher gives Silver Horseshoe Awards to students who follow classroom rules. Each teacher has a different system for encouraging their class to earn as many Silver Horseshoe Awards as possible. Examples include pizza parties, extra recess, art projects, and homework passes. Teachers discuss their reinforcement systems at Back to School Night.

When positive reinforcement of following classroom rules does not encourage students to engage in appropriate behavior in the classroom, disciplinary action will be taken. Students who interfere with anyone's learning, including their own or who engage in disruptive behavior in the classroom will be addressed by the teacher initially and may include a referral to the Principal.

1. Class Violations	Teacher determines. Students and parents will be informed of the classroom discipline policy and the consequences.
