

SMS Teacher's Assistant Application (TA) for 2017-2018
RETURN THIS APPLICATION WITH YOUR REGISTRATION FORM- DUE 3/07

Name _____ is requesting to serve as a
Teacher's Assistant for: (please check one option below)

____ Office

____ Library

____ Teacher 1st teacher preference _____
2nd teacher preference _____
3rd teacher preference _____
4th teacher preference _____

Criterion for selection/placement:

- Previous academic achievement during 7th grade year of a 2.0 GPA minimum, consistent attendance; and, no suspensions. Qualification will be final only after 3rd trimester grades are posted.
- Teachers/Counselors cannot guarantee placement. Please don't ask teachers if you have gotten a position. They are unable to guarantee that you will be placed with them as a TA. Scheduling conflicts, availability of TA positions, or suggested elective due to STAR scores may prevent TA placement. You may not get any of the teachers listed above as your choices. The counselors do the best they can to place students.
- In order to be an assistant, the student must demonstrate the skills, abilities and character pillars that are needed to fulfill the required duties. A student who does not demonstrate responsibility, trustworthiness and respect will be terminated from the position and the student's counselor will make a schedule change.

I have read and understand the above information. If I'm selected, being a teacher's assistant will be my elective class and the supervising teacher will give me a letter grade and citizenship mark. I understand that I may be removed from a TA position at any time if I do not meet the above criteria.

If you don't see a TA position on my schedule when you pick it up in August, it means that either you were not selected, it would not fit into your schedule, or there was not a position available.

Student's Signature _____ Date _____

Parent's Signature _____ Date _____
