## **ARTICLE 1 – AGREEMENT**

- 1.1 This is an Agreement made and entered into between the Folsom Cordova Unified School District (hereinafter referred to as “District”) and the Folsom Cordova Education Association, an affiliate of the California Teachers Association/National Education Association, (hereinafter referred to as “Association”.) This agreement covers the period of July 1, 2014, to June 30, 2016.
- 1.2 This agreement is entered into pursuant to Chapter 10.7, Section 3540-3549 of Division 4 of Title 1 of the *Government Code of California*.

## **ARTICLE 2 - RECOGNITION**

- 2.1 The District recognizes the Association as the exclusive representative for those certificated employees working under contract. Contracted certificated temporary, probationary, and tenured employees who also serve as hourly Home School, Summer School, and Adult Education teachers are included. All other certificated employees are specifically excluded.

## **ARTICLE 3 - NEGOTIATIONS PROCEDURES**

- 3.1 Re-Openers
  - 3.1.1 Each party may reopen two non-monetary Articles or topics of bargaining each year for the length of the contract. By mutual agreement of both parties, an exception may be made to reopen issues related to benefits.
  - 3.1.2 By mutual agreement, the parties may extend the term of this contract beyond June 30, 2016.
  - 3.1.3 All meetings will be held as mutually agreed.
  - 3.1.4 The District will provide a reasonable amount of release time for a reasonable number of Association members for negotiations.

## **ARTICLE 4 - ASSOCIATION RIGHTS**

- 4.1 Subject to current District Administrative Regulation (AR) 4119.25, the Association shall have the right to access the areas in which employees work; to use institutional bulletin boards, mailboxes, and other means of communications; and to use institutional facilities for the purpose of Association meetings.
  - 4.1.1 Association representatives may address the Board of Education as provided by law and school board policy.
  - 4.1.2 The names and addresses of employees in the bargaining unit will be available to the Association President no later than November 1st of each school year.
  - 4.1.3 The Superintendent or designee will meet with representatives designated by the bargaining unit on no less than a monthly basis throughout the current school year, July 1 - June 30, at mutually agreed upon dates and times to discuss employee concerns, proposed policy changes, and new policy pertinent to unit members (4000 & 4100 series), and to obtain input which is outside the realm of the contract.
  - 4.1.4 The representatives will be notified of anticipated changes in the District policies and regulations that affect or change working conditions for unit members.
- 4.2 Problem Solving
  - 4.2.1 The primary focus is on site certificated staff and site administrators solving site related problems at the lowest possible level and in a timely manner. Schools will hold a minimum of two (2) regular meetings between the building reps and site administrators each month or on an as needed basis. Additional meetings may be

scheduled as needed. Schools will credit building reps with two (2) adjunctive duty assignments as part of this program.

4.3 Agenda Reports

4.3.1 FCEA shall be included on the agenda for a regular site-based faculty meeting to provide an opportunity for the building representative to make an FCEA report. This report shall not be related to job actions of any kind, or any topic/comment which could be construed as negative toward the District or its officers, agents, or employees.

**ARTICLE 5 - DISTRICT RIGHTS**

5.1 The exclusive representative recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board or the duly authorized representatives designated by the Board to act on its behalf. The District, on its own behalf and on the behalf of the electors of the District, hereby retains and reserves unto itself, as limited only by the terms and provisions of this Agreement, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws, the Constitution of the State of California, and the Constitution of the United States, including, but without limiting, the generality of the foregoing, the rights:

5.1.1 To determine and administer policy.

5.1.2 Subject to the provisions of the law, to hire all employees, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote all such employees.

5.1.3 To determine the number and kinds of personnel necessary for the efficient operation of the District and to direct their activities.

5.1.4 To determine the curriculum.

5.1.5 To build, move, or modify the facilities.

5.1.6 To develop and administer the budget.

5.1.7 To determine the methods of raising revenue.

5.1.8 To contract out work.

5.1.9 To take action on any matter in the event of an emergency.

5.1.10 To delegate to the Superintendent, and other legally appointed officers, the operation of the schools, the executive management, and administrative control of the school system, its priorities and facilities, including, but not limited to, innovative and experimental exploration in the field of education, experimental and innovative uses of District facilities, and experimental and pilot investigation of new educational programs. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the employer, the adoption of policies, rules, and regulations, and practice in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms are in conformance with the laws of the State of California.

5.2 Nothing in this Article shall be interpreted to preclude the Association from exercising its right to consult as set forth in *Government Code 3543.2*.

**ARTICLE 6 - GRIEVANCES**

6.1 Purpose and Intent

6.1.1 This Grievance Procedure is established to provide a process through which the exclusive representative or an employee might attempt to resolve a grievance with his/her immediate supervisor and, if necessary, with the District Superintendent

(or designee), an advisory arbitrator, and the Board of Education. It is the intent of this policy that grievances be resolved at the lowest possible level.

6.2 Definitions (Applicable to all segments of this Article)

6.2.1 A "*grievance*" is a formal written allegation by a grievant that he/she has been adversely affected by the misinterpretation, misapplication, or violation of this Agreement.

6.2.2 The "*grievant*" is the unit member, unit members, or the Association making the claim.

6.2.3 A "*grievance officer*" is the administrator responsible at each step for providing a decision to the grievant.

6.2.4 A "*day*" is any day in which the grievant is normally required to perform services for the District under his/her regular yearly contract, excluding summer school.

6.2.5 The "*immediate supervisor*" is the lowest level administrator having immediate jurisdiction over the grievant who has been designated by the Superintendent or the Board of Education to administer grievances.

6.2.6 A "*conferee*" may be a District staff member, administrator, District counsel, certificated employee counsel, or a representative of a recognized certificated employee organization.

6.2.7 An "*advisory arbitrator*" shall be an impartial third party who is neither an employee of the District nor an employee or member of the employee association.

6.3 Time Table

6.3.1 To insure the prompt resolution of a grievance, specific time limits have been established. However, they may be extended as necessary with the consent of both parties (District designated grievance officer and grievant). If at any level or step the grievance is not resolved to the satisfaction of the grievant, it may be appealed to the next level or step, according to the established procedures.

6.4 Informal Level

6.4.1 Before filing a formal written grievance, the grievant shall attempt to seek a resolution by an informal conference with his/her immediate supervisor. This informal conference shall be held within ten (10) days after the grievant had knowledge of the occurrence, act, or omission giving rise to the grievance.

6.5 Formal Level

6.5.1 The following steps and procedures are established should the grievant wish to appeal a grievance decision:

6.6 Step 1: Immediate Supervisor

6.6.1 Within ten (10) days after the informal conference, the grievant must present his/her grievance in writing on the appropriate form to his/her immediate supervisor.

6.6.1.1 This statement shall be a clear, concise statement of the grievance, the circumstances involved, including the specific contract provision violated, the decision rendered at the informal conference, and the specific remedy sought.

6.6.1.2 The grievance form will be signed by the grievant, the date and time of presentation affixed thereto, and signed as received by the immediate supervisor.

6.6.2 The immediate supervisor shall communicate his/her decision to the employee in writing within ten (10) days after receiving the formal grievance. If the immediate supervisor does not respond within the time limits, the grievant may appeal to the next level.

- 6.6.3 Within the above time limits either party may request a personal conference. (Immediate supervisor/employee/association representative.)
- 6.7 Step 2: Office of the Superintendent
- 6.7.1 In the event the grievant is not satisfied with the formal written decision of the immediate supervisor in Step 1, the grievant may (within ten (10) days of the formal written decision rendered in Step 1) appeal the decision on the appropriate form to the District Superintendent or designee. Forms are to be made available at school and departmental locations by the District grievance officer.
- 6.7.1.1 This statement should include a copy of the original grievance, the decision rendered by the immediate supervisor, and a clear, concise statement of the reasons for the appeal.
- 6.7.2 The Superintendent or designee shall communicate his/her decision within ten (10) days after receiving the appeal. Either the grievant or the grievance officer may request a personal conference within the above time limits. If the Superintendent or designee does not respond within the time limits, the grievant may appeal to the next step.
- 6.7.3 If the aggrieved party is not satisfied with the decision of the Superintendent or designee, he/she may submit a request for advisory arbitration to the Association Executive Board who will decide upon the merit of the case.
- 6.8 Step 3: Advisory Arbitration
- 6.8.1 If the Association proceeds to arbitration, it shall notify the District in writing within ten (10) days of the Step 2 decision.
- 6.8.2 Within ten (10) days the Association and the District grievance officer shall attempt to agree upon an advisory arbitrator. If no agreement can be reached, they shall request the State Conciliation Service to supply a panel of five names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the advisory arbitrator. The order of striking shall be determined by lot.
- 6.8.3 The fees and expenses of the advisory arbitrator and the hearing shall be borne equally by the District and the grievant. All other expenses shall be borne by the party incurring them.
- 6.8.4 The advisory arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted. If the parties cannot agree upon a submission agreement, the advisory arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.
- 6.8.5 The advisory arbitrator will have no power to add to, subtract from, or modify the terms of this agreement, or the written policies, rules, regulations, and procedures of the District.
- 6.8.6 After a hearing and after both parties have had an opportunity to make written arguments, the advisory arbitrator shall submit, in writing, to all parties, his/her findings and recommendation for possible implementation by the Superintendent or designee within thirty (30) days.
- 6.9 Step 4: Governing Board
- 6.9.1 If either party fails to appeal the award within the time limits established, the recommendation of the arbitrator shall be implemented. However, if either of the parties is not satisfied with the recommendations of the advisory arbitrator, a written appeal may be made to the Governing Board within ten (10) days following receipt of the advisory arbitrator's report. A copy of the appeal shall be

submitted to the Superintendent (and the other parties to the grievance, i.e., grievant, immediate supervisor.)

- 6.9.2 The Governing Board has the power to render a final and binding determination of a grievance. The recommendation of the arbitrator shall only be advisory; and if, upon review, the Governing Board determines that it is unable to render final determination on the record, it may reopen the record for the taking of additional evidence.
- 6.9.3 When the Governing Board has reached a decision, the Superintendent or designee will be directed to inform the parties and implement the decision.
- 6.9.4 Nothing in this Article shall preclude the grievant from seeking judicial review of the Governing Board's decision, including, but not limited to, Section 3548.6 and 3548.7 of the *Educational Employment Relations Act*.

#### 6.10 General Provisions

- 6.10.1 A conferee may be present at any conference or meeting of the grievant and the immediate supervisor; of the grievant and the grievance officer; of the grievant and the arbitrator; of the grievant and the Board of Education established as a part of the formal level of this grievance procedure, if specifically requested by a party to the grievance. This should not preclude the right of either party to separately make an investigation of the facts without the presence or interference of a conferee.
- 6.10.2 Any person involved in the grievance process who intends to be represented by a conferee at any meeting shall give notice at least twenty-four (24) hours, but not more than five (5) days, in advance of said meeting to the grievance officer designating who such representative shall be. Such notice may be waived by mutual consent.
- 6.10.3 The files of the grievance and disposition thereof shall be entered into the personnel files of any employee involved in the grievance only as required to implement the disposition of the case as provided by policy and Ed. Code.
- 6.10.4 Actions to challenge or change the policies of the District or any specific contract provision must be undertaken under separate legal processes.
- 6.10.5 Other matters for which a specific method of review is provided by law, by the policies of the Board of Education, or by the Administrative regulations and procedures of this school district are not within the scope of this procedure.
- 6.10.6 If the grievance arises from action or inaction on the part of a member of the administration at a level above principal or immediate supervisor, the grieved person or the Association shall submit such grievance in writing to the Superintendent; and the processing of such grievance shall begin at Step 2.

### **ARTICLE 7 - REPRESENTATION FEE**

- 7.1 The District and the Association recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join, and participate in employee organization activities.
- 7.2 Any unit member who is a member of the FCEA/CTA/NEA, or who has applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues, initiation fees, and general assessments in the Association. Pursuant to such authorization, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit member each month for ten (10) months. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

- 7.3 The District shall not be obligated to put into effect any newly changed or discontinued deduction until the pay period commencing fifteen (15) days or more after such submission.
- 7.4 Any unit member who is not a member of the FCEA/CTA/NEA, or who does not make application for membership within thirty (30) days of the effective date of this Agreement, or within thirty (30) days from the date of commencement of assigned duties within the bargaining unit, shall become a member of the Association or pay to the Association a lawful representation fee in an amount not to exceed the unified membership dues, initiation fees, and general assessments. Such fee shall be payable to the Association in one lump sum cash payment in the same manner as required for the payment of membership dues, provided, however, that the unit member may authorize payroll deduction for such fee in the same manner as provided in Section 7.2 of this Article. In the event that a unit member shall not pay such fee directly to the Association, or authorize payment through payroll deduction as provided in Section 7.2, the Association shall so inform the District, and the District shall immediately begin automatic payroll deduction, as provided in *California Education Code, Section 45061*, and in the same manner as set forth in Section 7.2 of this Article. There shall be no charge to the Association for such mandatory agency fee deductions.
- 7.5 Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support FCEA/CTA/NEA as a condition of employment; except that such unit member shall pay, in lieu of a service fee, sums equal to such lawful representation fee to a non-religious, non-labor organization, charitable fund exempt from taxation under Section 501(c)(3) of Title 26 of the *Internal Revenue Code*, including, but not limited to:
- Martin Luther King Scholarship Fund
  - FCEA Scholarship for Senior Students
  - Foundation to Assist California Teachers (FACT)
  - Folsom Cordova Education Foundation (FCEF)
- Such payment shall be made on or before October 31st of each school year or in 10 monthly payments.
- 7.6 Proof of payment and a written statement of objection along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, shall be made on an annual basis to the Association and District as a condition of continued exemption from the provisions of Sections 7.2, 7.3, and 7.4 above. Proof of payment shall include the amount paid, date of payment, and to whom payment was made. Such proof shall be presented to the Association and the District on or before June 30th of each school year. In the absence of such proof being provided, the employee shall, within thirty (30) days of June 30<sup>th</sup>, submit the prior year's lawful representation fee to the Association.
- 7.7 Any unit member making payments as set forth in Sections 7.5 and 7.6 above, and who requests that the grievance arbitration provisions of this Agreement be used in his/her behalf, shall be responsible for paying the reasonable cost of using said grievance arbitration procedures.
- 7.8 With respect to all sums deducted by the District pursuant to Sections 7.2, 7.3, and 7.4 above, whether for membership dues, agency fee, or lawful representation fee, the District agrees to promptly remit such monies to the Association, accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association.

- 7.9 The Association agrees to promptly furnish any information needed by the District to fulfill the provisions of this Article.
- 7.10 The Association and the District hereby agree as follows:
- 7.10.1 The Association agrees to hold the District harmless and to pay to the District all reasonable legal costs incurred in defending against any suit, court action, and/or administrative action challenging the legality or constitutionality of the agency fee provisions of this Agreement or their implementation and to pay any judgment or settlement liability arising out of such challenge.
- 7.10.2 The Association shall have the exclusive right to decide and determine whether any such action or proceeding referred to in paragraph 7.10.1 shall or shall not be compromised, resisted, defended, tried, or appealed.

**ARTICLE 8 - WORK YEAR, WORK DAY, HOURS OF EMPLOYMENT**

- 8.1 Effective with the 2014-2015 school year, the work year shall be 182 teaching days plus one (1) in-service day and one (1) work day\*. The last teaching day of the work year shall be designated as an operational day unless needed for an emergency student day.  
\*Workday is for teacher preparation. No scheduled and/or involuntary meetings will be conducted.
- 8.1.1 Effective July 1, 2015, all new certified employees in the Special Education Department shall, in addition to the days set forth in Article 8.1, have two (2) professional development days paid at their daily rate.
- 8.1.2 These dates are mandatory and shall be scheduled by the special Education Department.
- 8.2 The unit member's working day shall be as administratively required to perform professional duties. A unit member will be expected to be on-site not later than 15 minutes prior to the school's regular instructional day. The length of the duty day shall not be less than fifteen (15) minutes following the conclusion of the school's regular instructional day, unless early release is authorized by the site administrator/designee.

8.3 Full Time Equivalency Ratios

Elementary - Full Time	=	100%
Elementary - Half Time	=	50%
Elementary - One (1) Day Per Week	=	20%
Secondary - Full Time	=	100%
(Based on a three (3) period day)		
Secondary - One Period	=	33%
Secondary - Two Periods	=	67%
Secondary - Three Periods (+ Prep)	=	100%
(Based on a five (5) period day)		
Secondary - One Period	=	20%
Secondary - Two Periods	=	40%
Secondary - Three Periods	=	60%
Secondary - Four Periods	=	80%
Secondary - Five Periods (+ Prep)	=	100%
(Based on a six (6) period day)		
Secondary - One Period	=	17%
Secondary - Two Periods	=	33%
Secondary - Three Periods	=	50%
Secondary - Four Periods	=	67%
Secondary - Five Periods	=	83%
Secondary - Six Periods (+ 2 Preps)	=	100%

- 8.4 Any comprehensive secondary school that has administratively determined that additional “last minute” sections/courses are needed, particularly when enrollment exceeds projections, and hiring staff for hard-to-fill sections/courses is difficult, may fill additional sections/courses using current full time (1.0 FTE) staff members under the following conditions:
- 8.4.1 The sections are temporary, filled as soon as possible with suitable candidates and will be limited to one semester at a time.
  - 8.4.2 The sections may be scheduled during “zero” period, if appropriate.
  - 8.4.3 On a voluntary basis only, current staff may volunteer for sections for which they are qualified.
  - 8.4.4 If multiple full time staff members are interested and qualified for one of these temporary sections, yearly selections will be made on a rotating basis. If an additional temporary section is filled with a current full time (100%) staff member for a 6-period day, then additional compensation will be at 20% of his/her step placement on the salary schedule for the period of time he/she is teaching this section. If an additional temporary section is filled with a current full time (100%) staff member for a 4-period day, then additional compensation will be at 33% of his/her step placement on the salary schedule for the period of time he/she is teaching this section. Amounts over 100% (1.0 FTE) are not included as part of STRS calculation.
- 8.5 Instructional schedules shall be in compliance with SB813 and Trailer Bill funding guidelines.
- 8.5.1 All staff at the middle and high schools shall be provided a weekly opportunity for common planning time (CPT).
    - 8.5.1.1 CPT is designed to permit staff the opportunity to implement the programs connected with restructuring activities, to coordinate WASC activities, plan, develop, and implement the latest research guidelines for best practices, and to provide articulation among Middle Schools and High School departments to develop instructional continuum.
    - 8.5.1.2 The length of the common planning day will not exceed the number of minutes in a regular school day.
    - 8.5.1.3 CPT at the high school levels will include regular staff, division, WASC, and collaboration meetings. (Executive Council meetings will not be included in CPT.) Meetings held outside of school hours henceforth will be on a volunteer basis, unless unforeseen circumstances require such a meeting.
    - 8.5.1.4 CPT at the middle school levels will be utilized to incorporate ideas from the latest research on middle school instruction, allow time for teachers to plan collaboratively, and do other activities as needed to improve school functioning, and shall, based on consent by both the site administrator and middle school staff, include periodic or regular staff meetings.
    - 8.5.1.5 At the high school level, a minimum day will be scheduled for the Back-to-School Night and Open House if either is scheduled. Every attempt will be made to schedule a minimum day whenever teachers are required to attend similar after school activities.
    - 8.5.1.6 At the middle school level, the sites will determine day placement.
    - 8.5.1.7 Teachers will be given relief from either the fifteen (15) minutes before school or the fifteen (15) minutes after school contract requirement as a compensation for the longer work week requirement of CPT.

- 8.5.2 Currently, middle schools use either a six, seven, or an eight period “academic” class schedule with an additional Homeroom/Advisory period.
- 8.5.2.1 For the “typical” six academic periods, Article 10.1.1 is still in effect where there is a maximum of 175 daily student contacts for academic classes and a maximum of 200 daily contacts for the P.E, and elective classes.
- 8.5.2.2 The Homeroom/Advisory period is designed to foster close personal relationships with students to develop social and academic skills as described in Chapter 5, page 100, in Taking Center Stage, the California Department of Education Guide for Middle Schools. It is shorter than other periods. It is not graded. It does not include a required curriculum.
- 8.5.3 High School Advisory – Advisory at the high school level (Vista del Lago Advisory, Folsom High School PAWS, Cordova high School Lancer Advisory, and Kinney High School Homeroom) shall not result in an additional preparation or increased duties for teachers.
- 8.6 Librarians shall be on duty fifteen (15) minutes more than the daily hours required of the District's classroom teachers in 8.2. Specific hours and work locations for employees in these positions shall be determined by the administrator.
- 8.7 Psychologists shall be on duty a minimum of sixty (60) minutes more than the daily hours required of the District's classroom teachers in 8.2. Specific hours and work locations for employees in these positions shall be determined by the administrator.
- 8.8 It is recognized that employees' duties and responsibilities can continue beyond the normal workday. Examples of duties for which employees may be assigned are:
- Student supervision (Secondary)
  - District or school level in-service
  - Faculty meetings
  - Parent conferences
  - Back to school nights
  - Graduations
  - Open House
- 8.8.1 Site administration will schedule after school meetings and evening events in a reasonable fashion, so as not to have too many commitments in any given week. Adjunctive duties will be distributed in a fair and equitable way, giving teacher preferences first consideration. An adjunctive duty is an unpaid assignment related to the school site that typically occurs outside the instructional day (by way of illustration, and not limitation, this includes CAC, FCEA rep, PTA, etc.)
- 8.9 Each full time employee shall have a continuous duty free lunch period, each working day, of not less than thirty (30) minutes.
- 8.10 Employees may not be involuntarily assigned to perform duties listed on the extracurricular assignment pay schedule; however, once such an assignment has been accepted, it must be fully completed.
- 8.11 Elementary Prep (K-6)
- 8.11.1 A minimum of sixty (60) minutes per week of preparation time will be provided for self-contained classroom teachers in grades K through 6.
- 8.11.2 Commencing with the 2008-2009 school year, a minimum of forty (40) additional minutes per week will be provided for each self-contained classroom teacher in grades 3 through 6. If Class Size Reduction is restored to 3rd grade, the 40 additional minutes of elementary prep will be provided for grades 4 through 6.
- 8.11.3 Guidelines for elementary prep time
- 8.11.3.1 Definition:

- 8.11.3.1.1 Prep time is a professional time to prepare for teaching, communicating with parents, collaboration, etc.
- 8.11.3.1.2 Prep time is not for personal business. Should a teacher need to leave the campus, he/she must notify the site administrator/designee.
- 8.11.3.2 Curriculum
  - 8.11.3.2.1 The original 60 Minutes
    - 8.11.3.2.1.1 The three (3) curriculum areas to be considered are music, art, and physical education. Any curriculum change and appropriate staff notifications must be completed prior to March 1st of the school year.
    - 8.11.3.2.2 The Additional 40 Minutes
      - 8.11.3.2.2.1 The District shall determine the curriculum for the additional 40 minutes provided to 4-6 classroom teachers.
- 8.11.3.3 Minutes Per Week:
  - 8.11.3.3.1 A minimum of 60 minutes per week of prep time will be provided for each self-contained classroom teacher in grades K through 3. Self-contained classroom teachers in grades 4-6 shall receive 100 minutes per week. This assumes a five (5) day work week.
  - 8.11.3.3.2 The District will establish and maintain a ratio of 1:24 – one elementary specialist teacher for every 24 eligible teachers (regular, newcomers’ class, and self-contained SDC) for the original 60 minutes. The ratio for the additional 40 minutes shall be 1:32. If, at a particular school site, this ratio is inadequate to provide the elementary prep time in the allocated amount stated above, then adjustments will be considered on a case-by-case basis.
  - 8.11.3.3.3 Specialists that travel to multiple sites will be scheduled to no more than nine sections each day, or the number that will allow adequate travel time.
  - 8.11.3.3.4 All other contract language on class size applies to specialists.
- 8.11.3.4 School/Site Decision Making:
  - 8.11.3.4.1 As a new elementary school opens, those classroom teachers at each school will come to consensus regarding the subject area(s) to be covered by the specialist teacher. If a specialist teacher teaches at more than one site, consensus between schools will determine the subject area(s) taught by the specialist. Notification will be made to the Personnel Department.
  - 8.11.3.4.2 Article 8.11.3.4.1 does not apply to the additional

40 minutes for self-contained classroom teachers in grades 4-6.

8.11.3.5

Special Classes/Aides:

8.11.3.5.1 Each SDC class at the school site may be combined with an appropriate regular class based on IEP and in consultation with the site administrator. The SDC class at Reymouth will be an exception. The specialist teacher assigned to Cordova Villa will cover the SDC class at Reymouth as a separate class. All SDC aides must go with the class during the SDC teacher's prep time to assist with the SDC students.

8.11.3.5.2 Newcomers' class teachers will be scheduled for prep time just as a regular classroom teacher is scheduled. Aides who are scheduled to the newcomers' class during prep will remain with the class to assist the teacher providing prep time.

8.11.3.5.3 Support personnel who do not teach self-contained classes do not receive prep time (speech pathologists, psychologists, resource specialist program teachers, ESEA resource teachers, etc.).

8.11.3.5.4 ESEA aides, Bi-lingual aides, etc., who are assigned to a class during that teacher's prep time will remain with the class to assist the specialist teacher.

8.11.3.6

Scheduling of Classes:

8.11.3.6.1 Specialist teachers will develop a schedule which allows each classroom teacher in grades K-3 a minimum of 60 minutes per week and each classroom teacher in grades 4-6 a minimum of 100 minutes per week. Site administrators will review and approve the schedule. Schedules for minimum and super minimum days must also be developed, as prep time will occur according to a pro-rated shortened schedule, except specialists that travel to more than one school on a single day.

8.11.3.6.2. The prep time schedule will be developed first and take priority over individual classroom schedules and all other schedules except music and universal access. Prep time will not be scheduled during a classroom teacher's recess or lunch period. (The bell schedule may need to be modified to accommodate the prep schedule. Someone will be scheduled for prep time throughout the teaching day, from beginning to end, in most cases.)

*Recommendation:* Perhaps the best time to schedule prep for the SDC teacher is when the greatest number of students are already mainstreamed. That way, the least number of SDC students will join an appropriate regular class. All SDC aides must go with the class during the SDC

- teacher's prep time to assist with the SDC students.
- 8.11.3.6.3 If a teacher's prep time falls on a holiday or non-student day, the prep time for that day is not rescheduled. Prep schedules will not be changed for individual teacher needs (i.e., field trips, classroom teacher absence, special programs.)
- 8.11.3.6.4 Teachers assigned a Monday or Friday prep time schedule during one school year will not be scheduled the following year for a Monday or Friday schedule. Monday-Friday prep time schedules need to rotate through staff members for equity because of the number of holidays and non-student days which fall on Mondays or Fridays. (This does not mean that schools with staff turnover always assign the newer teachers to a Monday-Friday schedule and senior teachers never take a turn at a Monday or Friday schedule.)
- 8.11.3.6.5 Specialist teachers will be selected and ready for prep to start by the first day of school. Classroom teachers and specialist teachers may mutually agree when to start prep at a later date. As adjustments in the number of classes assigned to school are made, schedules will be adjusted.  
*Recommendation:* That classroom teachers and specialist teachers work jointly to establish clear expectations and procedures for students.
- 8.11.3.7 Specialist Teachers:
- 8.11.3.7.1 The specialist teacher is responsible under the FCEA teachers' contract to be at his/her site for work fifteen (15) minutes before and fifteen (15) minutes after the students' instructional day. Part-time specialist teachers will add fifteen (15) minutes before and after their prorated day.
- 8.11.3.7.2 Specialist teachers will not be scheduled for any recess/bus supervision duties. Should an emergency situation arise, specialist teachers may be assigned supervision duties on an equitable basis.
- 8.11.3.7.3 Specialist teachers will have the same number of minutes, not to include transition time, for lunch and recess breaks as the classroom teachers at the site.
- 8.11.3.7.4 Specialist teachers will coordinate with site administrators to attend an equitable number of staff meetings, non-student in-service days, District in-service days, etc., comparable to regular classroom teachers.
- 8.11.3.7.5 Specialist teachers who are assigned to YRE schools will work an equivalent number of teacher days as a classroom YRE teacher, with the option of extending up to a total of 228 teaching days. A

- substitute will be secured if the teacher does not opt to extend his/her contract.
- 8.11.3.7.6 The specialist teacher is responsible for short-term and long-term planning and lesson planning comparable to classroom teachers.
- 8.11.3.7.7 When the specialist teacher is absent, substitutes will be secured in the same manner as for a regular classroom teacher. When a full day substitute is secured for a less than full time specialist teacher, the site administrator will assign the substitute teacher responsibilities for a full day of work.
- 8.11.3.7.8 During assemblies or special programs that interrupt the regular schedule, the specialist teacher is responsible for the students of his/her assigned class at that assembly, etc. The classroom teacher receives prep time.
- 8.11.3.7.9 The site administrator is responsible for the evaluation of non-traveling specialist teachers. If a specialist teacher teaches at more than one site, those administrators need to determine each year which one is the primary evaluator, with input from the other(s). Each administrator will share the observation portion of the evaluation. Specialists assigned to multiple sites with a district-wide administrator may be evaluated by the administrator.
- 8.11.3.7.10 Specialists who travel between sites will have fewer classes based on travel time.
- 8.11.3.8 Timeliness:
- 8.11.3.8.1 Each classroom teacher is responsible for delivering the students at the scheduled time to the specialist and being ready to receive his/her students at the end of the prep schedule. Should tardiness occur, lost prep time is not made up.
- 8.11.3.8.2 Each specialist is responsible for receiving and returning the students to the classroom teacher at the scheduled time.
- 8.11.3.9 Supplies and Equipment:
- 8.11.3.9.1 Supplies and equipment for specialist teachers providing prep time are funded through the site's budget and any other monies available to that school (SIP, PTA, grants, etc.) Monies should be budgeted for specialist teachers using the same process as for classroom teachers.
- 8.11.3.10 Facilities:
- 8.11.3.10.1 Priority usage of the multi, playground areas, and equipment for the specialist should be coordinated and calendared in advance.

- 8.11.3.10.2 Site administrators shall develop a “rainy day” plan for specialist teacher use of facilities.
  - 8.11.3.10.3 School sites shall provide access to a computer, and attempt to provide a desk and identified work area for the specialists. Schools need to provide a safe place for the specialist teacher to keep personal effects. Appropriate and safe storage will be provided for instructional materials.
  - 8.11.3.10.4 The classroom teacher may choose to work in the classroom during their prep time.
- 8.12 Secondary Prep (7-12)
- 8.12.1 At the Secondary level, a full-time teacher will be provided a scheduled prep period equivalent to five class periods each five-day week. Full-time teachers on an eight-period A-B block schedule shall be provided, whenever possible, a scheduled prep period each day.
  - 8.12.2 It will be the District's responsibility to assign someone to make a reasonable effort to obtain a substitute when requested for ½-day or full-day teacher's absence, in lieu of utilizing teachers on prep time to cover these absences.
  - 8.12.3 Administrators may assign teachers to cover classes during their prep period as long as this is done in a fair and equitable manner.
- 8.13 Secondary Supervision (7-12)
- 8.13.1 At the secondary level (grades 7-12), paid, non-adjunctive student supervision beyond the normal workday shall be on a volunteer basis provided that if sufficient volunteers are not forthcoming at a particular school, the principal or designee may assign such supervision. Such assigned supervision shall be made in an equitable manner at each location. Teachers may trade supervision assignments with each other if both parties agree to the exchange. The responsibility to communicate the change and to ensure coverage remains with the assigned teacher.
- 8.14 Teacher Visitation
- 8.14.1 Professional visitations to another site will be on an as needed basis as determined by the site administrator.
- 8.15 180-Minute Minimum Day - End of each trimester for elementary (1 - 6)
- 8.15.1 The elementary student school day (grades 1-6) will be increased by two (2) minutes to allow a minimum day at the end of the 1st, 2nd, and 3rd trimesters. The minimum days will be within two (2) days prior to, or following, the end of the trimesters. This time will be used to prepare for Parent-Teacher conferences and to complete grading and report cards.
  - 8.15.2 Kindergarten teachers will be allowed up to five (5) 180-minute minimum days each school year. These minimum days will be used to prepare for Parent-Teacher conferences, conference with parents, and prepare report cards... Since kindergarten conferences do not coincide with the end of each school calendar trimester, Kindergarten teachers will be allowed to use these days based upon individual school needs for kindergarten conferences and report cards. Scheduling of parent conferences (either in November or January) will be determined and coordinated by the site administrators based upon consultation and input from teachers to meet individual school kindergarten program needs.
- 8.16 240-Minute Minimum Days
- 8.16.1 The elementary student school day (grades 1-6) is increased to allow ten (10) 240-minute days. The middle school student school day (grades 6-8) and the high

school student day (grades 9-12) are increased to allow seven (7) 240-minute minimum days. The middle and high schools may have one additional minimum day (total of eight) if the annual instructional minutes are maintained and if the additional day is used for an Open House. These minimum days are to be used for, but are not limited to: Back-to-school night preparation; open house preparations; parent teacher conferences; and final exams.

8.17 IEP Meeting Attendance

8.17.1 When unit members are required by law to attend IEP meetings:

8.17.1.1 The District will make every reasonable effort for IEP's to be scheduled and completed during the unit member's contract day. Every attempt will be made to schedule a student's IEP team meeting at a time that is mutually convenient for the parent/guardian and school staff.

8.17.1.2 The District shall make every effort to provide substitute teachers for unit members to attend IEP meetings.

8.17.1.3 Unit members shall contact the IEP chairperson if that member cannot attend a scheduled IEP.

8.17.1.4 Unit members shall not be required to attend IEP meetings on their days off.

8.18 Elementary Supervision Time

8.18.1 Elementary supervision is based on the number of K-6 regular classroom teachers at each school site times 16 minutes per teacher. Daily hour allocation will be calculated and provided to school sites prior to the start of each school year. Kindergarten teachers shall be entitled to one (1) daily relief period of not less than 15 minutes.

8.19 Overnight Field Trips/Extended Workday

8.19.1 A staff member who accompanies students on an overnight field trip and is responsible for students beyond the regular instructional day will be released 15 minutes after the students return to school and leave for home. If that school day has ended, however, the staff member will be released when all students are safely off campus.

**ARTICLE 9 - LEAVES OF ABSENCE**

  - 9.1.5 Prior to February 1, of each year, the Personnel Department shall send a letter to all persons currently on leave asking their intention to renew their contract for the coming year.
  - 9.1.6 All persons who are on leaves of absence must notify the Personnel Department by March 1, on their leave of absence year of their intention to renew their contract for the next school year.
  - 9.1.7 The Assistant Superintendent of Human Resources, or designee, will determine the start and termination dates of leaves by considering the needs of the educational programs of the school site and the needs of the employee.
  - 9.1.8 Employees who desire an extension of a leave shall make application to the Assistant Superintendent of Human Resources or designee at least eight weeks prior to the expiration date of the original leave. Upon such request, the Assistant Superintendent of Human Resources or designee may recommend that the Board of Education approve an extension of the leave for a period not to exceed one year.

    - 9.2.1.2 Any employee on an unpaid leave of absence for one (1) year or less shall return to his/her previous work site if he/she so desires. If the employee has indicated a desire to return to his/her previous work site, then the site administrator will contact that employee and give him/her the same consideration as if the employee were an active and current member on site when establishing specific assignments for the up-coming year. See Article 11.2.6 for specific guidelines.
  - 9.2.2 Health Leave
    - 9.2.2.1 The Board of Education may grant a leave of absence without pay to regular certificated employees for health reasons upon verification of need by a physician and recommendation of the Superintendent or designee. 9.3.2.5 An eligible retiring certificated employee who is also a member of the State Teachers' Retirement System, shall be credited at his/her retirement for each day of accumulated and unused sick leave as computed by the State Teachers' Retirement System.

9.3.2.6 Less than full time employees: A certificated employee employed for less than five (5) full days a week shall be entitled to that proportionate time for ten (10) days leave of absence for illness or injury as the number of hours and days employed bears to five (5) full days.

9.3.2.7 An employee initially employed is entitled at once to sick leave that the employee would be entitled to after one year of service.

9.3.2.8 Full use of the annual sick leave may be made at any time during the regular school year. If a first year employee should leave the employ of the District before the end of the year, any monies drawn for sick leave in excess of the rate of one (1) day per month shall be refunded to the District.

A certificated employee coming to this District from another school district in this state shall be entitled to all sick leave accumulated in the former district. (Employees are responsible for initiating the transfer of sick leave.)

### 9.3.3 Personal Necessity Use of Sick Leave

9.3.3.1 During any school year, certificated employees may elect to use accumulated sick leave as set forth below for any of the reasons listed in 9.3.3.1.1, 9.3.3.1.2, 9.3.3.1.3 and 9.3.3.1.4. When possible, employees should notify their administrator in advance of their absence.

the work day. An “*emergency*“ shall be defined as a situation that can neither be planned nor anticipated. No more than two days per school year may be utilized for this purpose.

9.3.3.1.4 Certificated employees shall be required to secure advance permission from their unit administrator or the Assistant Superintendent of Human Resources for leave taken for the following reasons:

9.3.3.1.4.1 Professional improvement or training in the field of education.

9.3.3.1.4.2 Certificated employees may elect to use up to ten (10) additional days of accumulated sick leave for life threatening illness, injury, or operation involving a member of his/her immediate family upon verification of a physician and approval of the Assistant Superintendent of Human Resources. It is the responsibility of the employee to notify the Assistant Superintendent of Human Resources prior to the leave.

#### 9.3.4 Differential Leave

9.3.4.1 When a certificated employee is absent from duty because of a medically-verified disabling illness or injury, the employee shall be paid his/her regular salary less the sum paid to the substitute for a period up to five months.

9.3.4.1.1 First, all available unused sick leave is used until exhausted. (*California Education Code, Sections 44964, 449779.3.4.2*)

9.3.4.1.2 Second, when sick leave has been exhausted, differential leave will begin. Sick leave and differential leave shall run consecutively. Differential leave shall not exceed five (5) school months. (*California Education Code, Section 44977{b}{1}*)

9.3.4.1.3 An employee shall not be provided more than one five (5) school month period per illness or accident. However, if a school year terminates before the five (5) school month period is exhausted; the employee may take the balance of the five-month period in a subsequent school year. (*California Education Code, Section 44977{2}*)

9.3.4.1.4 When all available leave has been exhausted and the employee is not medically able to resume the duties of his/her position, the employee shall be placed on a reemployment list for a period of 24 months (if the employee is probationary) or 39 months (if the employee is permanent). When the employee is medically able, during the 24- or 39-month period, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. The 24-month or 39-month period shall commence at the expiration of the five-month period. (*California Education Code, Section 44978.1*)

- 9.3.4.1.5 For the purpose of this leave only, the term five (5) school months shall mean 100 consecutive workdays commencing with the first day of absence after the exhaustion of all accrued sick leave. For a less than full-time employee, the days shall be counted the same as for a full-time employee at his/her work site.
  - 9.3.4.1.6 The sum deducted from the employee's pay shall be the amount paid to the substitute in accordance with adopted District policy.
  - 9.3.4.1.7 If the District has a tiered rate in effect, the deduction shall start commencing with day one (1) of the employee's absence at the lowest amount and get progressively larger.
    - 9.3.4.1.7.1 This progression shall apply even if it is known at the outset that the leave will extend beyond the initial rate.
  - 9.3.4.1.8 The Assistant Superintendent of Human Resources or designee may require evidence during sick leave of absence, including doctor's statement of the employee's ability or inability to satisfactorily perform the functions of the employee's position. Approval of the Assistant Superintendent of Human Resources or designee is required prior to a return to position status following an injury or illness absence which extends into differential status.
- 9.3.5 Critical or Terminal Illness Leave for Immediate Family Care
- 9.3.5.1 In the event the employee has expended the personal necessity leave provided by the provisions of this Agreement, an extended leave up to thirty (30) days may be granted by the Assistant Superintendent of Human Resources or designee for critical or terminal illness of a member of the immediate family.
    - 9.3.5.1.1 The employee will notify the Personnel Department at the earliest possible time in the event of critical or terminal illness of a member of the family.
    - 9.3.5.1.2 The employee will be required to present evidence for need of such leave by a written statement of the attending physician.
    - 9.3.5.1.3 Upon proper verification, only the cost of a substitute will be deducted from the employee's warrant.
    - 9.3.5.1.4 Formal approval by the Board of Education is necessary for a leave of absence exceeding thirty (30) days.
- 9.3.6 Pregnancy Disability Leave
- 9.3.6.1 Paid pregnancy disability leave of absence shall be granted to an employee in relation to childbearing as follows:
    - 9.3.6.1.1 An employee who is pregnant may continue in active employment as late into her pregnancy as her health permits and as certified by a physician. Disability, as certified by her attending physician, caused or contributed to by pregnancy, miscarriage, abortion, childbirth, a recovery there from is considered, for all job related

purposes, a temporary disability and shall be treated as such under the sick leave provisions of this Agreement.

9.3.6.1.2 The Assistant Superintendent of Human Resources or designee shall require the employee to submit verification of ability or disability as certified by the attending physician to continue her classroom duties.

### 9.3.7 Bereavement Leave

9.3.7.1 A regular certificated employee will be granted a maximum of three (3) days leave, or five (5) days, if one way travel of 200 miles or more is required, at full pay, in the event of death of a member of his/her immediate family.

### 9.3.8 Industrial Accident and Illness

9.3.8.1 When an industrial accident or illness makes it necessary, the Board of Education shall grant a leave of absence not greater than sixty (60) working days. (*California Education Code, Section 44984*)

9.3.8.1.1 Allowable leave shall not be accumulative from year to year.

9.3.8.1.2 Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee.

9.3.8.1.3 Industrial accident or illness leave will commence on the first day of absence.

9.3.8.1.4 Payment for wages lost on any day shall not, when added to an award granted the employee under the Worker's Compensation laws of the State, exceed the normal wage for the day.

9.3.8.1.5 Industrial accident leave will be reduced by one (1) day, for each day of authorized absence, regardless of a temporary disability indemnity award.

9.3.8.1.6 When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount of unused leave due him/her for the same illness or injury.

9.3.8.1.7 Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefits provided in *California Education Code, Sections 44977, 44978, and 44983*. For the purposes of each of these sections, his/her absence shall be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take as much of his/her accumulated sick leave which, when added to his/her temporary disability indemnity will result in a payment to him/her of not more than his/her full salary.

9.3.8.1.8 The Board of Education may provide for such additional leave of absence, paid or unpaid, as it deems appropriate. Following such leave the employee may return to the employee's position without suffering any loss of status or benefits.

- 9.3.8.1.9 During any paid leave of absence, the employee may endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, will deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually paid to and retained by the employee for periods covered by such salary warrants.
- 9.3.8.1.10 In all cases, employee benefits are to be computed on the basis of the employee's regular wage or salary prior to the deduction of any amounts for temporary disability payments. However, in no case shall an employee receive more than regular salary. (*California Education Code, Sections 44043 and 44044*)
- 9.3.8.1.11 When all available leaves of absence have been exhausted and an employee is still unable to resume the duties and responsibilities of the position, the employee's active employment status shall be terminated; and the employee shall be placed on a re-employment list for a period of thirty-nine (39) months.
- 9.3.8.1.12 Any employee receiving benefits as a result of this section shall, during periods of injury or illness, remain within the State of California unless the governing board authorizes travel outside the State.
- 9.3.8.1.13 Any employee who has been placed on a re-employment list, as provided herein, who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed.

9.3.9 Jury Duty Leave

- 9.3.9.1 Employees necessarily absent because of service on a jury shall receive full pay during such service, provided that jury duty proof of attendance is collected by the employee and remitted to the District.

9.3.10 Litigation Leave

9.3.11 Military Leave

- 9.3.11.1 Any full time employee who may enlist or be conscripted into the defense forces of the United States for service or training, shall be granted military leave. He/she shall be reinstated to a position in this school system with full credit including increment(s) under the salary schedule, upon written request supported by competent proof that the applicant is fully qualified to perform the duties of said position. The application for reinstatement shall be made within reasonable time after discharge or release from military service, and not later than ninety (90) days from the date of release or discharge.
- 9.3.11.2 Personnel called by the armed forces for military screening or military physical examination shall suffer no loss of pay for the period required for such activity.

- 9.3.11.3 Employees who are members of any reserve corps of the Armed Forces of the United States or of the National Guard, or who are inducted, enlisted, or otherwise ordered into active duty, shall be granted such leave as provided in the Military and Veterans Code.
- 9.3.11.4 Any employee who is a member of a reserve component of the United States or of the California National Guard is entitled to temporary military leave not to exceed 180 calendar days during any period of ordered duty for active military training. (The 180-day period authorized for military leave is intended to cover the normal two weeks of training during the summer months or the attendance at a service school.) Employees on ordered military leave for active training shall be granted and shall be entitled to all rights and privileges they would receive in their public employment if they were not absent for such training.
- 9.3.11.5 Any employee who is on temporary military leave of absence and who has been in the service of the public agency from which the leave is taken for a period of not less than one (1) year immediately prior to the day on which the absence begins shall be entitled to receive his/her salary or compensation as such employee for the first thirty (30) calendar days of any such absence. Pay for such purposes shall not exceed this section in determining the one (1) year of public agency service. All services of said public employee in the recognized military service shall be counted as public agency service.
- 9.3.12 Study and Travel Leave
- 9.3.12.1 The Board of Education may approve study and travel leaves not to exceed one (1) year for certificated employees who have served the District for seven (7) consecutive years. The number of employees granted study and travel leaves in any one semester shall not exceed one percent (1%) of those employees in the unit.
- 9.3.12.2 Study and travel leaves may be granted by the Board of Education from the District rather than from any given position, for the purpose of advanced study, travel study programs, and research. Normally, a minimum of twelve (12) semester units of upper division or graduate level work is required for one (1) semester/trimester leave, and twenty-four (24) units are normally required in the case of two (2) semester/three (3) trimester (one-year) leaves. Such leaves are granted not as a reward for professional services, but rather as an opportunity to prepare for improved service which will benefit the schools and the pupils of the District.
- 9.3.12.3 The study and travel leave programs shall operate according to the established provisions of this Agreement.
- 9.3.12.4 Applications for this leave will be reviewed by a study and travel leave committee for making recommendations and establishing priority to the Superintendent or designee. The Superintendent or designee will submit recommendations to the Board of Education.
- 9.3.12.5 The establishment of these provisions does not void the option of the Superintendent or designee to make recommendations or the

- Board of Education to grant special study and travel leaves in the best interest of the District.
- 9.3.12.6 Compensation during a study and travel leave shall be computed at fifty percent (50%) of the pay the employee would have received had the employee remained in the employee's regular position, including any factor dependent upon special credentials, but not including any payment for special assignment or extracurricular activities.
- 9.3.12.7 Time spent on study and travel leave shall be credited as regular District service in the determination of years of service for sick leave, seniority, and eligibility for fringe benefits, provided the requirements established for the study and travel leave have been satisfactorily met.
- 9.3.12.8 Applications for study and travel leave will be made in accordance with the following provisions:
- 9.3.12.8.1 The application for study and travel leave shall be made on the prescribed District form and submitted to the Assistant Superintendent of Human Resources or designee, who shall call a meeting of the Study and Travel Leave Committee, as necessary and present applications and/or applicants for review.
- 9.3.12.8.2 The deadline for submitting application for study and travel leave for the fall semester is February 1, and the spring semester, October 1.
- 9.3.12.9 The Study and Travel Leave Committee shall be composed of three (3) members of the Association, selected by the Association; and three (3) members of the administration, selected by the Superintendent or designee.
- 9.3.12.10 A majority of the Study and Travel Leave Committee must approve a study and travel leave request for recommendations to the Superintendent or designee. Should there be more than one (1) approved request, the applications shall be ranked in priority order by the Study and Travel Leave Committee and presented to the Superintendent or designee for recommendation to the Board of Education.
- 9.3.12.11 The following criteria shall be utilized in establishing priority order for study and travel leave recommendation:
- 9.3.12.11.1 Contribution to the needs of the pupils and schools of the District.
- 9.3.12.11.2 Likelihood of continued service beyond the minimum service required at completion of leave.
- 9.3.12.11.3 Record of contribution to the District.
- 9.3.12.12 Following the granting of a study and travel leave by the Board of Education, a contract of agreement shall be completed including the following: Effective dates, salary and method of payment, number of collegiate units to be earned, and other purposes to be fulfilled. The signing of such a contract, including the agreement to refund study and travel leave salary as prescribed by these provisions, shall be in lieu of furnishing a bond.

- 9.3.12.13 Upon return from study and travel leave, the employee shall file with the Superintendent or designee a detailed report within twenty (20) days after returning, giving evidence that the provision of the leave has been met. It shall also include a personal appraisal of the experience and activities involved that will be useful to the District
- 9.3.12.14 Persons returning from study and travel leave shall serve the District for a period not less than twice the length of the leave.
- 9.3.12.15 If an employee does not serve the District after return for a period which is equal to twice the period of the leave, the employee shall refund to the District an amount which bears the same proportion to total compensation received while on leave as the amount of time which was not served bears to the total amount of time agreed upon.
- 9.3.12.16 In the event that the program of study agreed upon in the study and travel leave contract with the District is interrupted by serious accident or illness during the leave and properly verified by a qualifying physician, such interruption shall not constitute a violation of the contract or prejudice the employee against receiving the rights and benefits provided under the terms of the study and travel leave. Such an interruption shall not extend over such a period of time that would cause the purpose of study and travel leave to be abandoned.
- 9.3.12.17 Should the disability extend to the point that the program has to be abandoned, the study and travel leave may be terminated; and either sick leave or regular long-term health leave may be substituted by mutual agreement.
- 9.3.12.18 In all cases of serious accident or illness of a prolonged nature, the Personnel Department shall be properly notified by registered letter within ten (10) days after the occurrence or medical diagnosis.

- 9.3.13 Association Leave
- 9.3.13.1 The District shall provide to the Association, a maximum of thirty (30) days leave of absence per year. Such leave may be taken by the Association president and/or other members of the Association subject to the limitations listed, to perform leadership duties and/or assist in the processing of employee grievances.
- 9.3.13.1.1 Reasonable notice to the Superintendent or designee shall be given by any employee taking Association Leave pursuant to these provisions.
- 9.3.13.1.2 Any one member of the Association may be given a maximum of fifteen (15) days of Association Leave per year. (In no case shall the total number of days exceed thirty {30} per year.)
- 9.3.13.1.3 The Association shall reimburse the District for the cost of the substitute employed to render service in place of the employee taking Association Leave. The sum deducted from the employee's pay shall be

- the amount paid to the substitute in accordance with adopted District policy.
- 9.3.13.1.4 This leave is in addition to release time for negotiations.
- 9.3.13.2 The FCEA shall be granted release time for Association duties. Release time will be granted at the ratio of .5 FTE/200 unit employees. The FCEA will be granted a choice of full or part-time release for each FTE.

- 9.3.13.2.2 FCEA and Assistant Superintendent, Human Resources, will enter into an agreement specifying the duties and responsibilities for the part-time, back-fill teachers.
- 9.3.13.2.3 The teacher(s) sharing the classroom duties with the released member will be agreed upon by the Assistant Superintendent, Human Resources, and the released member.
- 9.3.13.2.4 If the replacement teacher is working in a full-time capacity, teacher selection will be at the discretion of the Assistant Superintendent, Human Resources.
- 9.3.13.2.5 Salary and Benefits.  
Depending upon the choice of full or part time leave, the FCEA agrees to reimburse the District 50% of the sum of the annual cost of the released member's salary and benefits and the replacement teacher's (class 2, step 1) salary and benefits. For purposes of this contract provision, salary does not include stipends or additional compensation for District responsibilities in the areas of coaching, club sponsor, department chair, or mentor. Fringe benefits package includes: health, vision, dental, and life insurance. The District will continue to pay all non-voluntary benefits.  
(This reimbursement will be made on a semi-annual or annual basis upon receipt of invoice from the District.) The above calculation will be prepared by the District on or before October 1st annually and agreed upon by the District and FCEA. The calculation may periodically be adjusted during the year if necessary. The above calculation will cover the cost of providing full-time sick leave accrual to the released employee. The released employee shall be entitled to utilize his/her sick leave based on the percentage of his/her District assignment.

9.3.13.2.6 During this leave, the FCEA President (and designee) will continue to be compensated by the District and will retain all rights and benefits.

9.3.13.2.7 Return to Service.

Upon completion of a leave of absence, the FCEA president (and designee) shall return to his/her previous work site and assignment(s) if he/she so desires. Upon return to duty, the FCEA President (and designee) shall not suffer reprisals for his/her Association activities.

9.4 Catastrophic Leave Bank

9.4.1 Creation and Purpose

9.4.1.1 The Association and the District agree to create a Catastrophic Leave Bank (“Bank”) effective July 1, 2007.

9.4.1.2 Catastrophic Leave will permit credentialed employees of the District to donate days to a Bank that will administer those days according to the terms of this section.

9.4.1.3 “Catastrophic illness or injury” is defined as an illness or injury that is expected to incapacitate the employee for an extended period of time or that incapacitates a member of the employee’s immediate family whose incapacity requires the employee to take time off from work for an extended period of time to care for that family member and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all his/her sick leave, excluding differential leave. A doctor’s verification is required.

9.4.1.4 The “immediate family”, for the purpose of catastrophic leave, shall be defined as spouse, domestic partner, child, step-child, parent, and any relative currently living in the immediate household of the employee.

9.4.1.5 Days in the Bank shall accumulate in the Bank from year to year.

9.4.1.6 The Catastrophic Leave Bank shall be administered by a joint committee comprised of two (2) members appointed by the Association and two (2) members appointed by the District. Appointments shall be made on a bi-annual basis.

9.4.2 Eligibility and Contributions

9.4.2.1 All credentialed employees of the District covered by this agreement (excluding substitutes) with one year of service within the District are eligible to contribute to the Bank.

9.4.2.2 All contributions to the Bank will be in the form of personal necessity days.

9.4.2.3 Participation is voluntary but requires contributions to the Bank. Only contributors will be permitted to withdraw from the Bank.

9.4.2.4 Employees who elect not to join the Bank must wait until the beginning of the next school year to join the Bank or may join during the period in which an additional day contribution is required of the Bank.

9.4.2.5 The contribution, on the appropriate form, must be authorized by the unit member.

9.4.2.6 Members wishing to cancel must notify the Human Resources Department in writing within the first 30 calendar days of the school year. Sick leave contributed to the Bank shall not be returned.

- 9.4.2.7 If the number of days in the Bank drops below 25% of the amount equivalent to the number of members in the Bank, an additional day contribution shall be required of each member. The member may, within 30 calendar days, either contribute or cancel. Sick leave contributed to the Bank shall not be returned. If a mid-year contribution is required and a current member does not have any personal necessity days remaining, the member may contribute a sick day.
- 9.4.2.8 Employees returning from extended leave will be permitted to contribute within 30 calendar days of beginning of work. The District shall supply enrollment forms for the Bank to all employees.
- 9.4.2.9 Full and part-time employees wishing to participate in the Bank shall make an initial contribution of one personal necessity day the first year of participation.
- 9.4.3 Application for Withdrawal from the Bank
- 9.4.3.1 Application shall be made when it becomes apparent that Catastrophic Leave may be needed.
- 9.4.3.2 Participants must use all accrued sick leave available to them before becoming eligible to withdraw from the Bank.
- 9.4.3.3 A minimum of ten workdays of illness or injury must be covered by the participant's own sick leave, differential leave, or leave without pay the first time the participant qualifies for a withdrawal from the Bank. If the same illness/injury recurs within twelve months of the beginning of the leave, the ten-day requirement will be waived.
- 9.4.3.4 Family members may apply for catastrophic leave on behalf of the unit member.
- 9.4.3.5 Leave is granted for up to thirty (30) work days at a time to a maximum of ninety (90) work days. The ninety (90) work day limit may be waived by a unanimous vote of the Catastrophic Leave Committee.
- 9.4.3.6 The first ten (10) duty days of catastrophic illness or disability must be covered by the participant's own sick leave, differential leave, or leave without pay.
- 9.4.3.7 If the unit member is eligible to receive Worker's Compensation or Disability Insurance, no leave will be granted until compensation is exhausted.
- 9.4.3.8 If no leave days are available in the Bank, the District has no obligation to provide leave.
- 9.4.4 Administration of the Bank
- 9.4.4.1 The Committee maintains records of employees participating, receives requests, verifies validity, approves, and communicates actions to members and to the District.
- 9.4.4.2 Decisions will be final and made in writing to the applicant within ten (10) working days of the application to the Committee.
- 9.4.4.3 All requests and actions by the Committee will be confidential.
- 9.4.4.4 The District will keep records and notify the committee monthly of the new members and days remaining in the Bank.
- 9.4.4.5 If this provision is rescinded, the Committee will continue to administer Catastrophic Leave days until the days in the Bank are exhausted.
- 9.4.4.6 If the number of days accumulated is maintained at or above 25% of the amount equivalent to the number of members in the Bank, no

contributions will be assessed for that year except for new members wishing to join the Bank.

## **ARTICLE 10 - CLASS SIZE**

For the purposes of class size, schools shall be staffed according to the provisions of this Article for schools utilizing either a 4 or 6-period student day. Should a school site utilize alternative scheduling, this article will be negotiated to address staffing ratios.

### **10.1 High Schools and Middle Schools**

10.1.1 Secondary teachers with a 6-period day shall have a maximum of 175 daily student contacts, with the exception of music and physical education teachers whose maximum daily contacts will not exceed 200, and the exception of teachers of District-authorized remedial classes whose maximum daily contacts will not exceed 100. Secondary teachers with a 4-period day shall have a maximum of 105 daily student contacts, with the exception of music and physical education teachers whose maximum daily contacts will not exceed 120, and the exception of teachers of District-authorized remedial classes whose maximum daily contacts will not exceed 60. Individual teachers may agree to exceed their maximum student contacts to meet their individual program needs. Less than full time teachers, or teachers with combined student maximums, will be assigned student maximums on a proportional basis. Individual class maximums will not exceed established safety maximums previously authorized by the fire department and the District's insurance providers.

10.1.2 Individual class sizes shall not exceed 37 students per class, with the exception of music and physical education class sizes which shall not exceed 45 students per class. District-authorized remedial classes shall not exceed 25 students per class. Individual teachers may agree to exceed their class maximums. During the first two weeks of instruction of each school year or first week of each term for a 4-period day, class sizes may exceed the maximums in order to balance and finalize the master schedule. An exception to these limits will only occur if the following requirements are met:

10.1.2.1 The Administrator makes every effort to reduce the class size by the start of the third week (or second week for a 4-period day) of the school year, or second week of each trimester/semester/term occurring during the year.

10.1.2.2 The administrator has contacted the assigned teacher to discuss the reason for the class size and provides in writing the timeline for reducing to the appropriate maximum contacts within the semester/trimester.

10.1.2.3 Students in excess of the maximum contacts are distributed evenly and on a rotating basis among the subject matter teachers.

10.1.3 At the conclusion of the first three weeks of instruction of the school year, the personnel department will provide the Association with a master schedule indicating class sizes for each secondary school. At the conclusion of the first week of instruction of each trimester/semester/term occurring during the school year, the personnel department will provide the Association with a master schedule indicating class sizes for each secondary school if requested by the Association.

10.1.4 The following teaching assignments will be excluded from the maximum student contacts in Section 10.1.1:

- Work Experience

- R.O.P.

10.2 Elementary Schools

10.2.1 The staffing allocation for elementary schools shall be made to comply with the following class size limits:

GRADE	DISTRICT WIDE AVERAGE	EACH CLASS
Kindergarten	31.0	32
1, 2, 3	30.0	32
4, 5, 6	30.2	34

10.2.2 At elementary schools with SDC and newcomer classes, regular classes at that site will be staffed at the District-wide average if that class is the same grade as the designated grade levels in the SDC or newcomer class. (redundant – covered in 10.5)

10.2.3 Deviations from the recommended average or maximum class size may be authorized by the Superintendent or designee after consultation with the classroom teacher in order to meet unique student needs.

10.3 The following certificated employees shall not be included in computing allocation under this Article:

- Management employees as designated by the Board of Education
- Counselors
- Librarians
- Special Education Teachers
- Psychologists
- Categorically Funded Teachers
- Elementary Specialist Teachers
- Elementary Music Teachers
- Nurses

10.4 If the State provides specific funding for reduction of class size and corresponding funding increases for facilities, the District and bargaining agent will meet and problem solve to provide recommendations for implementation.

10.5 Class Size for Full Inclusion Students

10.5.1 For purposes of this sub-article (10.5), students from the “inclusion caseload” means the following:

- SDC-Inclusion (SDC-I)
- SDC-Visually Handicapped (SDC-VH)
- SDC-Deaf and Hard of Hearing (SDC-DHOH)

10.5.2 At elementary schools with inclusion classes, whenever reasonably possible, the District will load regular classes that include students from the “inclusion caseload” at the District-wide average, (K at 31, grades 1-3 at 30, and grades 4-6 at 30). In the case of classes participating in class size reduction, no more than 20. While inclusion students will be counted for the purpose of establishing the size of the regular class, they will not count for CSR funding. The ADA for inclusion students will be earned through their SDC assignment.

10.5.3 A regular class that includes SDC-I students may exceed the class sizes stated above by a maximum of two (2) students, provided the need for placement of SDC-I students warrants. Except as noted in 10.5.4 below, only SDC-I students

will be placed into a classroom in excess of the District wide averages listed above.

10.5.4 While it is unlikely that the District will need to exceed the maximum of two (2) students set forth in 10.5.3, the parties acknowledge that there must be space available for a transferring-in student who requires SDC-VH and/or SDC-DHOH services. Accordingly, it is agreed that these two disability areas may exceed the two (2) student maximum restriction set forth in 10.5.3 by one (1) additional student.

10.5.5 Any class that exceeds the averages listed in 10.5.2 and 10.5.3 above will not have additional regular students assigned to that class until the number of enrolled students drops below the appropriate District-wide average.

## 10.6 Elementary Combination Classes

10.6.1 Whenever enrollment patterns, available facility space, and the District's financial resources permit, the District will make every effort to minimize the incidence of combination classes, unless the establishment of combination classes is consistent with the attainment of a particular staff's educational program.

10.6.2 Combo-class size will conform to contractual limits for regular classes. Whenever possible, combination classes will be equally balanced, with a variance between the two grades being no greater than 4 students. Classes shall be capped and closed prior to the close of the previous school year. Combination class teachers shall have the option to fill or hold at the soft cap.

10.6.3 Volunteers shall be given the first consideration for selection. If a volunteer is not selected, then combo class teachers shall be selected by the site principal in consultation with grade level teams. At sites with two or more teachers per grade level, combo class teachers shall not teach a combo class for two or more consecutive years without mutual agreement on the part of the teacher and site administrator. If a combo teacher cannot be selected using the above criteria, then teachers at the affected grade levels shall rotate responsibility of combo classes on a yearly basis.

10.6.4 In order for the class to be set up for success, the site administrator will consult with the school staff regarding guidelines for placement of appropriate students.

10.6.5 Combo-teachers may request first selection of remaining prep time as well as library and computer time following UA and educational programming slots that are established.

10.6.6 The combo-class teacher shall be excluded from sharing rooms with prep specialists when the facilities and/or schedules permit.

10.6.7 Teaching a combo class will count as a single adjunctive duty for the school year.

10.6.8 Teachers shall receive a \$250 materials stipend for teaching a combo class.

## Appendix D

### CERTIFICATED EXTRA CURRICULAR STIPEND SCHEDULES

Payment will be made, only as provided for in the annual budget, in accordance with the following schedules. Such payment will be in a lump sum on the supplementary payroll at the conclusion of the activity for the individual assignment.

For each year of this Agreement, the stipends set forth in this Appendix D-1 and D-2 shall be improved each July by the same percentage as the certificated salary schedule.

Major Clubs - Minimum: Two (2) meetings per month, \*15 participants, two (2) service projects per year. This service project benefits school or community. It is not a money-raising activity for the benefit of the club itself, or an activity for the membership of the club.

Minor Clubs - Minimum: Two (2) meetings per month and \*15 participants. No service project requirements.

Special Service Club: Sole purpose of the club is service directly related to an athletic season or school function. Club activity coincides with the athletic season for functions, i.e., Trackettes, Swimmettes, and Library. No class time is scheduled.

\* In cases of highly specialized club activities where there are less than fifteen (15) participants, permission from the Assistant Superintendent of Human Resources is required before activating the club.

The District reserves the right to determine the number and kinds of personnel necessary for the safe and/or efficient operation of the extracurricular program.

Employees may not be involuntarily assigned to perform duties listed on this extracurricular assignment pay schedule; however, once such an assignment has been accepted it must be fully completed as directed by the site level administrators or their designee.

#### **ATHLETICS:**

- An assistant is employed when 20-40 students are involved in the football, track, wrestling or swimming program and other assistants when the number of participants exceeds forty (40, 20 per assistant). For purposes of preliminary staffing, the number actively participating in the last meet of the previous season is the determining factor.
- If in a championship playoff, additional payment requests will be submitted at the conclusion of the activity. Extended season payment is based on the stipend divided by twelve (12), (season is considered to be 12 weeks), for one (1) week: divided again by five (5) for a daily rate.
- Staff is determined by the average number of active participants in the previous year. An assistant is authorized when forty-six (46) students are involved in the program and a second assistant when the number of participants exceeds ninety-two (92).
- Eligibility for extracurricular pay is determined by a minimum of thirty-six (36) activity sessions and four (4) special athletic events.

- During the term of this agreement, the extracurricular stipend for coaches of high school varsity sports will be increased should their team be administratively approved by the Principal and otherwise required to participate in post-season playoffs. The amount of this increase in stipend shall generally provide proportional weekly pay for each week beyond the regular league season, but in no case shall exceed thirty percent (30%) of the original stipend. This increase shall in no way be considered a bonus. It is intended only to provide compensation for the extra time involved.
- The season begins on the first day the California Interscholastic Federation (CIF), or the league, and the District allow practice to begin, or the day practice actually begins with District approval. The coach must be in attendance for the practice to be official. The season ends on the date of the last league game for football, baseball, volleyball, soccer, and basketball. The season ends at the conclusion of the sectional meets for all other sports.

### **MUSIC:**

- It is understood that the term "concert" refers to a formal, planned, and publicized evening performance designed for students, parents, school, and community.
- A "Music Festival" must be a CMEA sanctioned event. Each individual ensemble must perform on its own at a CMEA festival to qualify for extra-curricular pay. It is possible to combine groups at a festival, but prior approval from the Music Department Chair is required.
- These "requirements" for extra-curricular pay represent a minimum. It is expected that each music teacher will be responsive to requests from their administration and community to perform at worthwhile functions. These would include, but not be limited to: pep rallies, community events, school assemblies, patriotic observances, etc.

### **Extra Curricular Longevity Stipend:**

1. Only one (1) service credit may be earned per any one (1) academic year.
2. Only service credits earned after 7/01/86 are applicable.
3. Credit for "bonus"/"longevity" stipend is based on any paid FCUSD extracurricular service and need not be continuous or consecutive service.
4. Previous service is based on the individual's proven written record of employment.
5. Upon commencement of the fourth year of extracurricular service, a 5% factor will be applied to the employee's extracurricular stipend.

USE OF CURRENT SECONDARY AND ELEMENTARY SCHOOL STAFF  
FOR SUBSTITUTE TEACHING DURING THEIR PREP PERIOD OR DAY

**SIDE LETTER OF AGREEMENT**

The purpose of this side letter is to provide compensation for elementary teachers who have been assigned additional students when a substitute is not available, and any comprehensive secondary school teacher who has been assigned to cover a class period based on Article 8.12.3. In addition to the contract language regarding this issue, the following provisions will be included:

- A. The District shall make every effort to provide substitute teachers.
- B. The teachers assigned to cover for a missing substitute on their prep period will be determined first from a volunteer list established, by period and by site. If no volunteers are available, then assignments will be made from other available teachers on a fair and equitable basis.
- C. Once a teacher has covered five (5) periods for a missing substitute, compensation will be made in the amount of the daily regular fully credentialed substitute teacher rate. If there are less than five (5) periods covered at the end of the school year, then each teacher will be compensated at a prorated amount based on the number of periods assigned.
- D. If a school is on a “block” schedule, then an equivalent number of periods (typically two) will be credited to a teacher who is assigned to take a class on a block schedule day.
- E. For schools on a “4x4” schedule, once a teacher has covered three (3) periods for a missing substitute, compensation will be made in the amount of the daily substitute rate. If there are less than three (3) periods covered at the end of the school year, then each teacher will be compensated at a prorated amount based on the number of periods assigned.
- F. For schools on a daily multiple prep period schedule, teachers may deny a subbing assignment if they have already completed a sub coverage on that day, unless the sub rotation list has been exhausted for that period.
- G. Teachers in Rancho Cordova shall receive a prorated increase in pay equivalent to the increased Cordova substitute rate once they have substituted during their prep period for the equivalent of 50% or more of the available occurrences in the pay period.

The following provisions for elementary teachers will be included:

- A. For every two occurrences of coverage of up to 12 students in elementary grades K-6 for a missing substitute, compensation will be made in the amount of the daily regular fully credentialed substitute rate.
- B. Compensation will be made in the amount of one-half of the daily regular fully credentialed substitute rate in the case of a single occurrence.
- C. The incremental secondary provisions will be provided for elementary teachers assigned if the substitute for a music, PE, or art teacher is not available.

**THE FOLSOM CORDOVA EDUCATION ASSOCIATION  
AND THE  
FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT  
MEMORANDUM OF UNDERSTANDING**

FCEA and the District agree that the amount of preparation time should be consistent for teachers in elementary schools in grades one through six. With the loss of “class size reduction” at first and second grades there is support for an additional 40 minutes of preparation for first and second grade teachers. The District would like a solution for Grades 1-2 elementary prep that is sustainable beyond 2011-12 and does not contribute to the current budget shortfall for 2011-12. Therefore both parties agree to the following:

- First and second grade teachers will receive the additional forty minutes of preparation time for the 2011-12 school year. This will be accomplished by designating one day each week as an all early day. The selection of the day of the week will be at the discretion of the District and may not be same for all schools.
- First and second grade teachers will be compensated for the additional 40 minutes of prep time for the 2010-11 school year according to a compromise agreement between FCEA and the District. First and second grade teachers will be compensated with a onetime payment of three hundred eighty-five dollars and seventeen cents (\$385.17).

APPENDIX E-3

MYP PROGRAM AT MITCHELL/ CONTACTS/CLASS SIZE/ EARLY OUT

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT  
AND  
THE FOLSOM CORDOVA EDUCATION ASSOCIATION  
REGARDING  
MYP PROGRAM AT MITCHELL MIDDLE SCHOOL**

The Folsom Cordova Unified School District and the Folsom Cordova Education Association are parties to a collectively bargained agreement which expired on June 30, 2013. The parties are currently bargaining a successor contract.

The District has determined to implement a seven (7) period Middle Years Program (MYP) at Mitchell Middle School effective for the 2015/2016 school year. As a result, the parties agree as follows:

**1. General**

Effective July 1, 2015, the following shall replace any language that refers to Mitchell Middle School in the Memorandum of Understanding between the parties dated May 21, 2014 regarding “MYP/DP Program at Cordova High School”:

**2. Daily Student Contact Maximums**

- a. Teachers at Mitchell Middle School shall not exceed 175 contacts, with the exception of music and physical education teachers who shall not exceed 200 contacts.
- b. Individual teachers may agree to exceed these contacts in order to meet their individual program needs. Less than full time teachers, or teachers with assignments which vary in contacts, will be assigned contacts on a proportional basis.

**3. Maximum Class Sizes**

- a. Individual class sizes shall not exceed safety guidelines established by the fire department and the District’s insurance providers.
- b. Class sizes at Mitchell Middle School shall not exceed 37 students per class, with the exception of music and physical education classes which shall not exceed 45 students per class.
- c. During the first two (2) weeks of instruction of each trimester/semester, student contacts and/or class sizes may exceed these maximums in order to balance and finalize the master schedule. After the first two (2) weeks, an exception to the maximums may continue if the requirements of CBA sections 10.1.2.1 through and including 10.1.2.3 are met.

**4. Early Out Days**

Four (4) early out days, in addition to those specified in the CBA, shall be scheduled during each school year. This time shall be utilized by teachers to write and adjust instructional units in the first year. Thereafter, this time shall be used by teachers to complete student assessments.
