ACADEMIC SUPPORT COACH

DEFINITION:
Under the direction of the school site principal and the Director of Categorical Programs & Grants, the Academic Support Coach will provide assistance to school sites in developing students’ academic skills through courses of study and implementing district approved curriculum; addressing specific educational needs of students; providing feedback regarding student progress, expectations, goals, and activities.

QUALIFICATIONS:

Credential
Valid California Teaching Credential
CLAD and English Learner Authorization code (ELA1) or equivalent
Reading or Math Specialist Preferred

Experience
Five (5) years of public school teaching experience. It is desirable that the experience be with students in lower socioeconomic environments, and that the teacher possesses skills in teaching lower quartile achieving students.

Education
An advanced degree is desirable.

DISTINGUISHING CHARACTERISTICS:

Skills
Specific skill based competencies required to satisfactorily perform the functions of the job:
Instructional skills; adhering to safety practices; operating equipment used in a classroom setting; including: computer planning and managing projects; preparing and maintaining accurate records; and using pertinent software applications.

Knowledge
Perform and read technical information, compose a variety of documents, and/or facilitate group discussions; and analyze situations to define issues and draw conclusions. Specific knowledge-based competencies required to satisfactorily perform the functions of the job include: age appropriate activities; concepts of grammar and punctuation; safety practices and procedures; and stages of child development.

Ability
Is required to schedule activities, meetings and/or events; gather, collate, and/or classify data; and use job related equipment. Flexibility is required to work with others in a wide variety of circumstances; work with data utilizing defined but different processes; and operate equipment using standardized methods. Ability is also required to work with a diversity of individuals and/or groups; work with a variety of data; and utilize specific, job related equipment. Problem solving is required to analyze issues and create action plans. Problem solving with data frequently requires independent interpretation of guidelines; and problem solving with equipment is moderate. Specific ability-based competencies required to satisfactorily perform the functions of the job include: time management, adapting to changing work priorities; communicating with diverse groups; maintaining confidentiality; meeting deadlines and schedules; setting priorities; working as part of a team; and frequent interruptions.

Responsibility
Responsibilities include: working under limited supervision using standardized practices and/or methods; directing other persons within a small work unit; and operating within a defined budget. Utilization of resources from other work units is often required to perform the job’s functions. There is some opportunity to significantly impact the District’s services.

Board Approved 10/16/2014
