ASSISTANT SUPERINTENDENT / BUSINESS SERVICES

DEFINITION:
The Chief Financial Officer/Chief Business Official, is directly responsible to the Superintendent to organize and administer the financial and business affairs of the District, including accounting, payroll, health benefits, long-range budget planning, risk management, new facilities construction and modernization, maintenance and operations, technology, transportation, food services, purchasing, warehousing and health services.

QUALIFICATIONS:
- Demonstrated experience with school budgeting and finance;
- Knowledge of governmental accounting, purchasing, and contracts, audit and fiscal control procedures, laws and regulations governing public school finance, technology and the implementation of technological advances for school districts;
- Successful experience with leadership and responsibility for multiple departments;
- Effective supervisory, organization, and evaluation of personnel within an education business environment;
- Experience in new facilities construction, modernization and maintenance;
- Experience in collective bargaining and union contract management;
- Knowledge of applicable federal, state, and local laws, procedures, and policies related to school districts;
- Assists in the general planning, organization and management of the District.

Experience
- A minimum of five years of responsible public school (K-12) business operation experience.

Education
- Bachelor’s degree from an accredited four-year college or university required. A Master’s Degree in School Business Administration and/or CBO Certification desirable.

SPECIFIC DUTIES AND RESPONSIBILITIES
- Manages, directs, organizes, and administers the business, financial, and risk management operations of the district.
- Supervises, with the assistance of directors/managers, the overall operations of Fiscal Services, Payroll, Purchasing, Technology, Transportation, Maintenance, Operations, Facilities, Food Services and Health Services.
- Directly supervises and evaluates the directors of Fiscal Services, Facilities, Food Services, Transportation, Technology, Maintenance and Health Services, as well as Benefits staff; supervises the evaluation procedures in assigned areas or evaluates where authorized and participates as needed; participates in the selection of assigned directors and personnel; provides coaching, counseling, and individual development as a leadership function.
- Assists the Superintendent and Cabinet in identifying and establishing long-range plans, annual goals and objectives in partnership with the Board of Education and the District’s mission.
- Monitors policies and regulations in the business, fiscal, facilities, food services/child nutrition and health areas; amends existing policies/regulations, and deletes obsolete or inappropriate policies/regulations.
- Stays current on all laws, rules, regulations, and interpretations of law regarding District entitlement to federal, state, and local monies.
- Supervises the development and execution of the annual budget and interim reviews; analyzes and reviews budgetary and financial data; authorizes expenditures and contracts in accordance with established limitations.
• Oversees the strategic planning and development of technology services, food services and transportation services.
• Responsible for the general liability, property and casualty risk management program.
• Reviews past and current revenue and expenditure trends; prepares the District multiyear projections.
• Coordinates short and long-range enrollment and average daily attendance projections for the District; coordinates staffing needs with Human Resources.
• Serves as a resource and provides financial analyses and data as required for District negotiations.
• Provides the Superintendent and the Board of Education with budget reports as requested; informs and advises the Superintendent and Board of Education on all matters concerning the fiscal status of the district, informing them immediately of any concerns he/she may have in regard to budgetary or other financial items.
• Plans, supervises, and administers District facilities projects; coordinates maintenance and new site needs as the District expands. Provides demographic census and planning data to the Superintendent.
• Responsible for supervision of bond funds and associated modernizations, capital improvements, maintenance and construction projects.
• Responsible for planning, recommending, and establishing procedures and controls for collection and monitoring of developer fees, facility usage and contracts; administers rental and leasing of facilities.
• Manages the property and liability insurance program, disaster/emergency preparation and safety program, and health and welfare benefits for District employees; makes recommendations to the Superintendent regarding District insurance programs.
• Develops and maintains contracts, agreements, leases, and other legal documents.
• Manages business relationships and communicates with other administrators, District personnel, legal counsel, city officials, financial advisors, facility consultants, architects, and contractors to coordinate activities and programs.
• Represents the District at county, area, or state meetings as directed by the Superintendent.
• Performs other duties as assigned by the Superintendent.
• Attends all meetings of the Board of Education and serves on the Superintendent’s Executive Council
