BTSA Support Provider

DEFINITION:

The job of the support provider in the BTSA Induction Program is to assist participating teachers as they enter the teaching profession in California. The program maintains that through the support and coaching by the Support Provider, Participating Teachers are more likely to remain in the teaching profession and improve their teaching practices more quickly than they might while working in isolation.

Support Providers observe teaching practice using multiple data points and use coaching language to provide meaningful feedback that impacts teaching practice and student learning. Support Providers guide beginning teachers through a personalized, classroom-based inquiry process helping to build the habits of mind and skillful practice that research shows to have the most impact on student learning.

Support Providers must possess a willingness to support first and second year new teachers in their teaching journey as they clear their preliminary teaching credential.

This is a one year position and must be reapplied for annually.

QUALIFICATIONS:

Credential
Valid California Teaching Credential
CLAD or equivalent

Experience
Five (5) years of public school teaching experience is preferred. It is desirable that the experience also include varied grade levels.

Additionally, new Support Providers will attend 5 days of training via Sacramento County Office of Education, over 5 months (substitutes are provided).

TYPICAL DUTIES AND RESPONSIBILITIES:

- Actively participate in required Consortium Support Provider Training for year one and all periodic updates.
- Understand the professional induction and credentialing process through active support and engagement in the entire BTSA Induction Program.
- Frequently use My BTSA to record information and check on the progress of the Participating Teachers.
- Complete required My BTSA website documentation.
- Meet weekly with the Participating Teacher(s) for an average 1.5 hours each week for 26 weeks each year for two years. Review and approve the documents provided by the Participating Teacher.
- Observe the Participating Teacher(s) in order to provide information based on the California Standards for the Teaching Profession and the Induction Program Standards to be used in formative self-assessment and in determining appropriate professional development.
- Support and guide the Participating Teacher(s) in creating, implementing and periodically revising an Individualized Induction Plan (IIP) [Action Plan] based on the results of formative assessment. Check that the Participating Teacher has uploaded the IIP to the My BTSA website.
