CHILD WELFARE COORDINATOR

DEFINITION:

Under direction of the Director of Attendance and Due Process, assists in planning, organizing, coordinating and supervising prevention education programs for students and their families to address non-academic problems that interfere with the student’s ability to be successful in school. Builds systems that address behaviors and strengthens relationships. Facilitates the ongoing development and maintenance of systems such as Positive Behavioral Interventions and Supports (PBIS), Restorative Justice, Caring School Communities, and Steps to Respect at the individual student, school-wide, and district levels. Provides support through training, technical assistance, monitoring, and policy development, as outlined below, through collaboration with district staff and administrators. Collaborates with school, district, county, and community stakeholders to advance supports and interventions for student success.

QUALIFICATIONS:

- Three or more years of successful teaching experience preferred.
- Possession of a valid California administrative services credential preferred.
- Sustained effort in implementation of positive school climate programs.
- Successful administrator/trainer experience desirable.
- Valid California Driver’s License.
- Bilingual in English/Spanish desirable.
- Behavior analyst certification, marriage family therapist, or counseling credential desirable.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Provides school-wide positive behavior support systems (SWPBS) training and technical assistance to district and site stakeholders. Fosters development and implementation of organizational support, including: team-based leadership, data-based decision-making, continuous monitoring of student behavior, and ongoing professional development of staff.
- Assists schools sites with the implementation and use of a student database (e.g. SWIS) to track suspensions and office discipline referrals. Supports sites with the review of attendance data for students with high levels of office discipline referrals.
- Demonstrates understanding of Positive Behavioral Interventions and Supports (PBIS) framework and principles of applied behavior analysis, prevention, and the value of positive behavior support. Leads district effort to implement SWPBS.
- Demonstrates understanding of Restorative Justice (RF) principles providing training and technical assistance to district and site stakeholders, i.e., peer mentoring, conflict management, active citizenship, and community safety.
- Assists school sites in assessing current practices and policies for consistency with prevention objectives. Facilitates development of school action plans, benchmarks, community input and engagement.
- Participates and provides RJ and PBIS trainings.
- Analyzes data to provide site-based and district-wide overview of progress toward district PBIS goals. Works closely with administration and staff to maintain and build upon current PBIS efforts and advance district’s vision for positive behavior support and improved social behavior outcomes for all students.
- Assists with district PBIS Advisory Committee. Works closely with administration and staff to maintain and build upon current district PBIS efforts and advance district’s vision for PBIS.
