FINANCIAL ACCOUNTANT

DEFINITION:
Under direction of the Director of Fiscal Services, performs complex, technical, and professional accounting, cash management, and auditing duties related to the maintenance and reporting of the district’s financial and statistical records and reports; performs analytical, forecasting, planning and/or advisory duties in the area of accounting and auditing; compiles data and information for the annual budget and other special financial reports; performs other work as required.

QUALIFICATIONS:
Experience: Minimum of two years increasingly responsible in-depth accounting and financial experience in a school district or government agency.
Education: Degree in accounting or CPA preferred. Additional approved qualifying experience may be substituted on a year for year basis with a minimum of four years of education and/or experience.

DISTINGUISHING CHARACTERISTICS:
- This is a one-position classification and is the specialist or lead level of the accounting series. The emphasis is on the performance of duties rather than supervision. Incumbents are expected to perform complex accounting, fiscal analysis and auditing duties in a highly independent manner.

ESSENTIAL DUTIES AND RESPONSIBILITIES:
Under the direction of the Director of Fiscal Services, incumbent will:

- Responsible for maintaining accurate general ledger reports and reconciliation of the district general ledger.
- Monitor all fund balances and reconcile monthly to Cash in County Treasury Reports. Analyze general ledger account balances and prepare related journal entries and cash transfers as needed to keep integrity of all funds.
- Reconcile monthly bank statements for all district accounts, including County Treasurer reports.
- Reconcile monthly payroll with the County Office of Education. Review and reconcile monthly payroll taxes, PERS/STRS retirement accounts and liability accounts. Research and reissue stale dated warrants. Prepare net pay cancel entries.
- Review, reconcile, and prepare adjusting entries for payroll benefit accounts, AP revolving, and clearing accounts.
- Provide data to County Office of Education and other agencies for annual W2s, sales/use tax, and other tax reports.
- Prepare a variety of specialized and/or complex county, state and federal reports, statements, and/or forms.
- Develop and maintain complex spreadsheets used in the preparation of various financial reports, projections, cash flow, trial balances, and analyses.
- Provide specialized calculations and analysis support in the research, collection, and compilation of data for financial and statistical reports.
- Assure compliance with various local, state, and/or federal reporting requirements, guidelines, rules, and regulations, as well as district procedures and policies.
- Monitor cash flow and fund releases for construction projects, including general obligation funds, certificates of participation, and developer fees. Coordinate bank transfers and wire transfers.
- Serve as a resource for program directors in developing and modifying budgets to meet program needs. Initiate and recommend budget adjustments. Verify and analyze site and department financial records and reports. Solve problems and discrepancies, and make revisions as necessary.
- Assist with internal accounting and external audit processes. Provide information for annual district and federal audits related to all funds.
- Assist in the area of accounts receivable, including prior year transactions.
- Maintain chart of accounts and assign codes in accordance with State reporting requirements.
- Assist in the development of District budgets, interim reporting, and year-end closing, including reconciliation of position control, budget and payroll.
- Provide training and technical assistance to staff. Assist in development of department-related training materials, procedure manuals and handbooks. Assist with in-service and on-site trainings.
- Performs other related duties and tasks as assigned.
