

# **It is time to get Started.....Writing the Career Project Introduction**

- 1. Create a list of 15-20 things that you assume or know about your career.**

## **Example: Firefighter**

- Risky
- Odd Hours
- Need to be in a training program
- Stressful
- Average Pay
- Fit
- Respected in the Community
- Like people
- Helper
- Lots of tasks or chores
- Live at the fire house
- Second family
- Competitive, not easy to get into field
- Need medical training
- May have to volunteer to get experience

- 2. Now that you have a list, it is time to type your 1 page -Introduction. In the first paragraph, identify why you want to do this career for the project. What got you excited about this career? After that, you will look at your list and write the rest of your introduction telling Mr. Reed what you assume or know about your chosen career. Remember, this is typed, double-spaced, and in a 12 font.....and it needs to be a complete page.**
