

Stock Market

1. First, pull out a piece of paper and tell me everything you know about the Stock Market.....
2. Go on YouTube, SchoolTube, or TeacherTube, and watch at least two short videos on the stock market and investing in the market (try to pick one that will give you some basic information). Write a brief summary of what you learned.....key points on how the market works (things to know).
3. Sign up for the stock market game and pick your stocks (Go to the teacher website for directions)turn in a summary detailing your stock picks and why you picked them (reasoning).
4. Get with a partner and have them look at the summary of your stock market write- up and have them add something to it (expand your knowledge....do the same for them).
5. Tell your partner what stocks you think will make you the most money and why you think that is the case.
6. Turn in your paper at the end of the period to Mr. Reed. (20 pts)
