

Better together: PayPal and your PTA.

PayPal makes it easy for your PTA to accept all kinds of payments.

Local PTA units throughout the U.S. can use PayPal to collect all kinds of payments, from membership fees to walkathon donations.

Your PTA, your website.

PTAs need to take payments for everything from fundraisers to donations to PTA dues. But a jumble of cash and checks can be confusing to keep track of – and time-consuming to process.

Now, with PayPal's School Store solution, PTAs can collect and track all kinds of payments – from membership fees to donations, school lunches to spirit wear – quickly and securely, in one place. With an online store built specifically for your PTA, parents can pay for multiple items at once, or make one-time or recurring donations. All with the convenience and security that PayPal is famous for.

Great low rates.

PayPal is a great deal for any PTA. Qualifying PTA units get a rate of 2.2% + \$0.30 per transaction for payments made by credit card and PayPal. There are no extra fees for setup, statements, withdrawals, or cancellations.

With PayPal, your PTA can:

- **Enjoy free, easy setup.** Overwhelmed by the task of setting up online payments or building a site? Don't worry – PayPal has it covered. We'll build an online store customized to fit your PTA, where parents can make all kinds of payments and donations. Setup is quick, easy, and entirely free. In addition, you can take advantage of free hosting of your PTA's online store for 6 months, then pay only \$11.99 a month thereafter. Another great bonus: We'll teach you how to get the most from your store once it's launched.
- **Customize your site.** Choose the payment items you'd like to add and we'll take it from there. PayPal will customize the site with your content, school logo, and colors.
- **Gather valuable information.** Get a complete report of all transactions, generating the contact info you need to build community – and to strengthen both your PTA and your school.
- **Offer multiple ways to pay.** Parents can pay using credit or debit cards. They don't even need a PayPal account to use the site.
- **Keep track of your funds.** It's easy to track all your payments and account activity right from your PayPal account.
- **Get quick access to your money.** After each order, the funds usually appear in your PayPal account within minutes. Transfer them to your bank account any time, at no charge.
