BICYCLE RIDING CONTRACT 2014 - 2015

The privilege of bike riding is permitted as long as the rider exercises reasonable safety. At Riverview STEM Academy, bicycle riding is limited to students in Grades 3 – 5. Other students must make arrangements with the school Principal. Provisions are made to safeguard bikes, but the school assumes no responsibility if a bicycle is damaged or stolen. Repeated violations will mean you cannot ride your bicycle to school. The following rules are designed with your safety in mind:

- Students riding bicycles must wear bicycle helmets.
- Obey all traffic laws. Ride defensively – watch out for all traffic and people.
- When arriving at or leaving the school, cross at the intersections only.
- Upon arrival on school grounds, dismount and WALK your bike directly to the bike racks. Never ride your bike on the sidewalks at school or in the parking lot.
- Each bike must have its own lock and chain. Do not lock bikes together. All bikes are to be locked to the bike rack in a slot. Do not lock bikes on the ends of the rack.
- Bicycles are not allowed in the classroom. Do not loiter in the bike area.
- Skateboards, fold & go scooters, and roller blades are not allowed.
