

Online Class Student/Parent Checklist

Student Name: _____

- I have seen and read the course outline and I am aware of the late work policy.
- I understand this is not an independent study class and students must follow a pacing guide and turn in work accordingly.
- I understand that if I do not report on testing dates, that I will be marked absent from class.
- I have read the class packet and I am aware that I am graded on class assignments, quizzes, tests, and other instructor assigned activities.
- Both parent and student have signed up for Remind in order to communicate with the instructor and receive information.
- I am aware that grades do not show up on PowerSchool except at the progress report and final grade for the course. Grades can be accessed when students log on to APEX.
- I am aware that the pacing guide is posted on my home page on APEX.
- I am aware that grades are accurate on APEX when students are on pace.
- I am aware that the computer lab is open every day 1st period for students to work, even if it is a non-report date.
