Period: _____

Unit 1 Test Reflection – Math 1

Section	Learning Target	Test #	Achieved Mastery	Simple Mistake	Need to Improve
1.1	I can identify the dependent and independent quantities for a situation.	#1			
1.1	I can label the axes with the dependent and independent quantities, including units, in a situation.	#5			
1.1	I can write a situation to model a given graph.	#7			
1.1	I can sketch a graph of a given situation.	#5			
1.2	I can explain why a graph is or is not a function.	#9			
1.3	I can identify whether a graph of a function is increasing, decreasing, or constant.	#3			
1.3	I can identify whether a function has an absolute maximum or minimum.	#4			
1.3	I can analyze the similarities and differences between function families.	#10			
1.4	I can graph a function given its characteristics.	#8			
1.4	I can write an equation and graph it based on given characteristics.	#6			
1.4	I can classify a function given its equation.	#2			

What I Did ...	What I should have done...	What I used to think, but now I know...
