

# We want to share class photos with you!

# ClassDojo

Hi Parents,

This year I'm using ClassDojo to encourage students in the class and keep you in the loop!

ClassDojo has a few wonderful features such as Class Stories and School Stories which allow me to share photos with you. Our class wants you to see moments where we work together, present projects, and much more!

I'd love for you to fill out the form below and send it back so that I can share these amazing photos with you and our school. Only you and other parents in our class will be able to see our photos in Class Stories, and photos that are posted to School Stories will be seen by current Gold Ridge families that are connected on our school ClassDojo site.

We can't wait to share our ClassDojo Stories with you!

Learn more at [www.classdojo.com/ClassStory](http://www.classdojo.com/ClassStory)

---

**Yes! I would love to receive photos from class** and you have my permission to include my child in Class and School Stories.

No, please don't include my child in Class and School Stories.
