Cordova Meadows Mission and Vision

Vision:

At CME we will work together to build academic and social emotional skills by challenging, inspiring, and empowering individuals to positively impact our community and the world, while recognizing and honoring our ever changing multicultural society.

Mission:

Our mission at CME is to support this environment by building an inclusive academic program, addressing a range of learning styles, offering an array of diversity efforts and initiatives, and by participating in the wider community. We will provide academic and social emotional support to meet the needs of all students. As a newly formed Community School we will work with our community to bring supports on campus for families, students, and staff.

Dear Families,

Welcome to Cordova Meadows Elementary School. We are pleased that you are a part of our community of learners. We are mindful of how important your children are to you and take our responsibility for their success seriously. We have high standards for adult and student behavior, and we celebrate achievement for individuals and our successes as a learning community.

Our school staff teaches and models the behavior we expect from our students, and we believe that all students can learn at high levels -- all our staff is committed to this mission. Expect to meet with us to discuss your student's progress and how we will all work together to make sure your student achieves success at Cordova Meadows and beyond. We strive to work together as a team to support your child's progress academically and socially. We are a Community School and look forward to supporting your family with outside support and services to meet your needs.

Making sure that your child attends school every day is one of the most important things you can do for your child. When your student misses class, he or she misses the lessons and socialization that day. Those learning opportunities can rarely be replicated or completely replaced. Please strive to get your student to school daily and on time.

We will always make time to communicate with you and your student. If you have any questions, concerns, or suggestions, please don't hesitate to share them with us. If we are not immediately available to talk with you, we will set up an appointment to meet with you at the earliest possible time. We value all our students and their families and want to work with you in any way we can.

Sincerely,

Amber Fontaine, Andrea Rodriguez,
and the Cordova Meadows' School Staff

School Information

Parent Involvement Opportunities

We love and look forward to parent involvement and participation at our school! Visitors are always welcome on campus, but need to check in at the office first. We love parent volunteers at our school as well. You will need to follow our district policy on how to become a volunteer on our campus. Here are several opportunities on how to get involved at Cordova Meadows

Classroom Observations

Classroom visitation/observations need to be scheduled with the classroom teacher prior to the date of arrival. These occurrences need to be discussed with the teacher and/or principal based on educational needs or clarification. Please note that visits/observations are limited to only 15 minutes. Beyond that time limit requires appropriate volunteer paperwork, TB, and fingerprinting clearance.

Volunteering

When on campus, interested adults must have cleared fingerprints in order to volunteer. To start this process, adults must stop by the school office and pick up a CAT II Volunteer Application. Once the form is completed, it must be returned to the school office for approval by the Principal. Once the application has been approved, the future volunteer must get a LiveScan form and get fingerprinted. You will also need a cleared TB test from your doctor or a health clinic. Please contact the parent coordinator for further clarification.

Parent Teacher Association (PTA)

Cordova Meadows Elementary School Parent Teacher Association (PTA) encourages your participation. Typical activities include assisting with classroom parties, raising funds through special projects, purchasing supplementary equipment, hosting family nights, and providing parent input. We invite you to help make our school the best possible by joining the PTA.

Black Student Union (BSU) Parent Advisory

Our BSU Parent Advisory team meets three times throughout the school year. It is a great opportunity for our African American families to have a space to have their voices heard and give feedback. We also work as a team on planning topics and events for our BSU Student meetings.

English Learner Advisory Committee (ELAC)

Our ELAC team is an opportunity for our English Learner parents to express their concerns and ideas, with the possibility of bringing about change at Cordova Meadows. We work as a team to hear feedback on programs and services for our English learners and school as a whole. We meet about six times throughout the year.

School Site Council (SSC)

Our School Site Council is a wonderful opportunity for our families to have their voices heard when determining the focus of the school's academic instructional program and all related categorical resources. We meet about six times throughout the year.

Community School Grant

Community Schools are public schools that provide services and support that fit each neighborhood's needs, created and run by the people who know our children best - all working together. This year, we are looking forward to transitioning into a community school and we will be supporting our families through this process.

Office Information

We have a very warm and friendly office staff who are always willing to help and support your needs. If you have any questions, always feel free to call or email staff to ask questions or verify information.

Attendance and Illness

A significant part of the student's experience and education is derived from classroom relationships, activities, discussions, and participation, even in a distance learning environment. We urge parents to consider this when scheduling dental and doctor appointments, as well as vacation plans. The State of California uses a positive attendance accounting system. This means that schools will only receive their daily funding for students who are physically present at school. We will be marking students in four categories; present, absent, tardy, or truant when on campus. Students who become ill, while on campus, will be sent to the office, their parents will be notified, and coordinate arrangements for their child to go home. All students will have emergency information listing the name of the preferred physician, location and telephone number of parents/guardians, and a friend or relative to be reached in case of an emergency. Notify the school immediately if any information changes. If a parent or guardian is not available to pick up their child, they may send anyone listed as an emergency contact and they must bring identification. Here is more information about how to verify when your child is absent and our tardy procedures.

Absence Verification

A parental phone call to 916-294-9120 or written excuse is required which includes the specific reason, the date(s), and the signature of parent(s) or guardian when absent for any reason. Please call the office or email the principal if your child will be absent. When students are on campus again, they should bring your note directly to their teacher.

Tardy Procedures

1. All tardy students are to report to the office before going into their classroom.
2. The office will determine if a tardy is excused, keep records, and follow up on excessive tardiness.

Conditions for Excused Tardy

1. The tardy is pre-arranged with the teacher or the principal's office.
2. Medical or dental appointments that cannot be scheduled before or after school.

Unexcused Tardy

A student who is late three times (30 minutes or more on each occasion) will be reported as a truant to the Attendance and Due Process Officer. (See FCUSD Truancy Policy.)

Birthday Treats

Birthdays are very special and exciting days for all of us. It is a time to celebrate “us” with friends and family. As a school, we want to continue recognizing our students’ special day while being sensitive to our District Wellness Policy, student allergies and financial hardships. With that said we will be moving away from edible treats for birthdays and replacing them with non-food celebrations. Students, teachers and parents will collaborate to choose an appropriate celebration option for each child.

Dress Code

Students are to dress appropriately in durable, washable clothing to be able to participate in a variety of school activities. Students should not wear anything that distracts from learning. Please make sure that shirts with “sayings” on them are in good taste. Students who come to school with unacceptable clothing will be asked to contact a parent to bring a change of clothing to school. The principal and or teacher will determine appropriate dress using the above as the standard.

- Students should wear shoes suited for physical education and recess play. Shoes must be securely attached to the feet with back straps suitable for running. No sports cleats, no flip flops, no heelie’s, and no high heels
- Shirts must be worn with no midriff exposure.
- Bathing suits must not be worn as school attire.
- No drug, alcohol, sex or violence related clothing.
- No see-through material, strapless, spaghetti straps, racer back shirts, or half t-shirts.
- All shorts must have at least a 3 inch inseam.
- Pants, shorts, skirts must fit the natural waistline (maximum of one size larger).
- Walking shorts may be worn. Please no short-shorts. Shorts and skirts should reach mid-thigh. All pants should be worn at the waist.
- No excessive tattered or torn clothing.
- No make-up or fingernail polish is to be brought to school.
- Underwear cannot be visible.

Personal Property

Please do not bring personal property to school. The school is not responsible for students’ damaged or lost personal property. Please mark your children’s outerwear; unmarked items often sit in lost and found for excessive amounts of time. Toys, radios, phones, electronic devices, or personal property other than clothing are not to be brought to school unless requested by the student’s teacher.

Telephone calls

Please make all necessary arrangements before sending your child to school in regards to where your child is to go after school, who will pick him/her up, if he/she is to ride the school bus, etc. In an emergency, we will do our best to get a message to an individual student. We have an obligation to provide quality-learning time. Interruptions for routine messages disrupt the educational program.

Lunches

You may bring your own lunch to school. If you bring a lunch for your child during the day, please bring it to the office and we will have the child come pick it up in the office. If you do not have a home lunch, Cordova Meadows feeds every child free for breakfast and lunch.

Health Office Information

We are lucky enough to have a school nurse on our campus once or twice a week and a health aide every day for a part of the day. Here is some information from our health office.

Accidents and Injuries

It is required that all accidents and injuries that occur at or on the way to school or during distance learning are reported to the teacher and/or school office. If an injury requires immediate medical attention, the parent will be notified immediately. If the parent/guardian is not available, the school is authorized to obtain medical care for the pupil in accordance with the best judgment of those in charge.

Medication

Any pupil who is required to take, during the regular school day, medication prescribed for him by a physician, may be assisted by the school nurse or other designated school personnel if the school district receives (1) a written statement from the physician detailing the method, amount, and time schedule by which such medication is to be taken, and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matters set forth in the physician's statement. California Education Code, Section 49423 The school does not supply medication of any type. The student's parent or guardian must provide all medication needing to be taken at school. This includes all prescription and over-the-counter medication. **Students are not allowed to have medication in their possession at any time.** (Students with asthma are allowed to carry an inhaler only if there is a written statement from the child's physician indicating that it is necessary for the student to carry an inhaler on his/her person.) Medication can be given to a student during the school day only if it is absolutely necessary to maintain that student in school. The school nurse or other designated school personnel will administer the medication to a student provided that the school office has received the information.

NO MEDICATION CAN BE GIVEN WITHOUT ADHERENCE TO THE FOLLOWING PROCEDURES

California Education Code, Section 11753.1

1. A district medication consent form signed by the doctor (physician).
2. A district medication consent form signed by the parent/guardian.
3. The medication is sent to school in the original "over the counter" or pharmacy prescription container.
4. Medications shall be brought to the school office by a parent, guardian, or designated adult.
5. Refills of medication are the responsibility of the parent/guardian.
6. All medications shall be held in the school office, in a secure location, in the original container labeled with the student's name.
7. Parents need to be in constant communication with the office when their children are on

daily medication, or at any time they are concerned, even if the medication is not given during the school hours. Please inform the school if your child is taking a medication that may affect his/her behavior.

8. Parents are responsible to pick up any remaining medications at the end of the school year, or the leftover medications will be discarded.

A district medication consent form may be picked up at the school office

Academics and Curriculum

Parents play an important role in the education of their child. There are many things you can do to help your child achieve:

- Talk with your child about their schoolwork, homework, and what they did at school.
- Listen to your child read and read to your child often. Ask questions about the characters and the story.
- Encourage your child to write stories and illustrate them.
- Take your child to the county library. They have many fun and educational programs to offer.
- Use mathematics in the real world, such as cooking or making craft projects.
- Be on time and attend school every day.
- Get plenty of rest before the test and eat a good breakfast.
- Speak with your child's teacher about other things you may do.

Homework Policy

Purpose: The purpose of assigning homework at Cordova Meadows is to strengthen academic skills, reinforce concepts taught by teachers, develop student responsibility and accountability, and promote parent awareness. According to the research, in order to "get it right" homework should:

- Be brief.
- Make sure to only include research-aligned and standards-based tasks.
- Not be a project.
- Reinforce skills already taught in the classroom. All work sent home should only be at each student's **independent** level.

Unfinished classroom work or work missed due to absence, although accomplished outside of the school day, is not included in the school's definition of homework. It is the responsibility of the parent to set a specific time and place for doing homework, to monitor the student, to assist when appropriate, and to check completeness and accuracy.

Textbooks and Chromebooks

These are issued to students as applicable. The students are responsible for the replacement of lost or damaged textbooks and chromebooks.

Academic and Social Emotional Assessments

Throughout the year, our students are assessed in their academic and social emotional needs. These assessments help us plan out how to support the students in each of those areas.

Teacher and the team will meet three times during the year to discuss the information and data we get from these assessments. Here are some assessments that your child will take

during the year.

Renaissance

Three times a year we take a diagnostic assessment to see how our students are doing on their standards. We use that information to support our students' academic success.

California Assessment of Student Performance and Progress (CAASPP)

All students at Cordova Meadows in grades 3 – 5 will take the Smarter Balanced Assessment Consortium (SBAC) Test in English Language Arts and Mathematics. In addition, 5th grade takes the California Science Test. A report of your child's test results will be sent to your home. Students with written parent requests can be exempt from the test. Please see the principal for more information. We use the state test results to monitor each student's educational progress and Cordova Meadows' academic curriculum. Grades, teacher input, and state test results may be used to determine placement.

ELPAC

English Learners will take the English Learner Proficiency Assessment for California (ELPAC). There is no opt out for the ELPAC.

Panorama

Three times a year our students take a survey to check in with their social wellbeing. We use the data to inform us on how to support our students' behaviors and social needs. We use the data to plan lessons on how to support those social needs in the classroom and school wide.

California Healthy Kids Survey

Once a year our families, staff, and 5th graders take the California Healthy Kids Survey. This is data the state and district uses to inform us about how our school is doing overall. The 5th graders will need permission from their families to take this survey. The parent survey will be sent to families so they have input on our school as well.

School Safety

Safety Drills

Safety drills are held monthly. The school has a Disaster Plan in the event of a natural or civil emergency.

BICYCLES and SCOOTERS: IT'S THE WHEEL THING

The school assumes **NO** responsibility if bikes are damaged or stolen. The privilege of bike riding is permitted as long as the rider exercises reasonable safety. Repeated violations will mean your student cannot ride his or her bicycle to school. The following rules are designed with your student's safety in mind:

- ◆ Students are required to obey all traffic laws. STATE LAW:
 1. Prohibits a person under 18 years of age from operating, or riding upon a bicycle as a passenger, upon a street, bikeway or other public bicycle path or trail unless the person is wearing a bicycle helmet.
 2. Prohibits a passenger on a bike unless there is a seat for that person. Ride

defensively. Watch out for all traffic.

- ◆ Upon arrival at school, students must dismount and walk his or her bike directly to the bike racks. Never ride your bike on any sidewalk.
- ◆ Each bike must have its own lock and chain; all bikes are to be locked to the bike rack.
- ◆ Bicycles are not allowed in the classroom.
- ◆ Students may not loiter in the bike area. Students may only touch his or her own bike.

Award Celebrations

We love celebrating our students' successes. We invite you to attend and celebrate with us and your students when we are on campus. For Kindergarten-Third Grade, we celebrate the 4B's. For Fourth and Fifth Grade, we celebrate the 4B's and Honor Roll.

4 B's

Students are selected by their teacher for recognition based on our 4 B themes - Be Safe, Be Kind, Be Respectful, and Be Responsible. Students are selected on the basis of emulating the 4B's. When on campus, parents will be notified by a letter when their student is selected and will be invited to attend the assembly.

Principal's Honor Roll

The Principal's Honor Roll for 4th and 5th grade is published at the end of each trimester. Eligible students are those who have a grade average of 3.5 or better. Subjects to be graded are: Reading, Writing, Speaking & Listening, Mathematics, Social Studies, and Science. Those subjects will be averaged on a point basis: A=4, B=3, C=2. A student may not have a grade below a C to qualify.

Monthly Character Traits

Each month we work on character traits to help support our student social and emotional needs. At the end of the month, teachers nominate a student to receive an award for that character trait. We make a positive call home to families and pass out the award at our weekly assemblies at the end of the month!

Our Character Traits

August- Kindness

October - Responsibility

December - Safe & Trustworthy

February - Inclusivity

April- Equity

September- Grit & Self Discipline

November - Gratitude

January - Respectful

May - Courage

Enrichment and ExtraCurricular Activities

Library

Cordova Meadows maintains a great library. Classes are scheduled weekly visits to our library. Students may check out books for recreational reading or research. Lost or damaged books are to be paid for by the student.

Music Program

Grades 4 and 5 will receive general music instruction. Cordova Meadows provides string instrument, band, and general music instruction for grades 4 & 5. The school district has a limited amount of instruments for free use. Students can provide their own instruments.

Student Leadership

Cordova Meadows Student Leadership meets regularly. Classrooms will elect their representatives for the student government.

Black Student Union (BSU)

We have the only elementary Black Student Union in the district. The goal of this club is to provide our 3rd-5th grade students with an opportunity to engage in activities and discussions designed to help foster a better understanding of experiences and issues that impact African-American students. This club is open to all students regardless of racial and/or cultural differences.

Field Trips

Our field trip programs are enriched via the use of community resources. Students going on field trips need parent permission. Permission slips will be brought home several days prior to the scheduled trip. Signed permission slips must be returned to school before the student goes on the field trip. Please sign the top and bottom sections of the form. Verbal permission will not be accepted.

Extended Day Interventions

Students may be given opportunities to attend interventions before or after school. Your student's teacher has information about this program.

After-School Education and Safety Program (ASES)

ASES is funded by a grant from the State of California. It is offered to parents at no-cost and serves our 1st through 5th grade students every day after school until 6:00 p.m. The ASES program consists of three components: 1) academic, 2) academic enrichment, and 3) recreational. The education component consists of a curriculum that reinforces the school's academic program. The enrichment component will include STEM activities. The recreational component will consist of the SPARK curriculum.

District and School Discipline Policy

The Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, while going to or coming from school, while at school activities, and while on district transportation. School-wide expectations are created with a major goal in mind-- to educate responsible citizens in a safe, nurturing environment. To learn requires being able to listen, recite, share, concentrate, and play without interference. Each classroom teacher will prepare specific class rules. These expectations will be discussed at Back to School Night, and the presentation is uploaded on our teacher websites.

Suspension and Expulsion Policy

The Folsom Cordova Unified School District has an adopted Suspension/Expulsion policy which can be viewed at the school office, on the district website and listed in the "Parent's Rights and Responsibilities" document <https://www.fcusd.org/Page/6793>

Schoolwide Positive Behavior Expectations and Supports (PBIS)

PBIS is a multi-tiered approach to establishing supports and school culture focusing on systems of support. At Cordova Meadows Elementary School, we have four basic expectations called the 4 Bs for behavior. Here are specific guidelines under these four expectations. Each student will be responsible for the following:

1. **BE RESPECTFUL**
2. **BE RESPONSIBLE**
3. **BE SAFE**
4. **BE KIND**

Classroom and Schoolwide Discipline

Students should not interfere with anyone's learning, including their own. Students are expected to be respectful, courteous, and cooperative. Disruptive behavior in the classroom will be initially handled by the teacher and may include an Office Discipline Referral (ODR) to the Principal or Assistant Principal. Copies of all ODRs will be mailed home.

First Violation:	Reteach the appropriate behavior, counsel students, discussion about future consequences.
Second Violation:	Student will be given time that may include written or verbal reflection about the undesired behavior.
Third Violation:	Teachers and support staff will look at ways to positively reinforce the student to make the right choices at school. They will use sticker charts, Check In/Check Out, or reward systems to encourage the student to make the right choice.
Continued Violation:	A Student Study Team (SST) meeting will be held to discuss ways of supporting student and their behaviors.
Serious Violation (ie assault on staff or students):	Referral to Principal or Assistant Principal. Actions may include call to parent, conference, loss of recess, suspension. A Student Study Team meeting will be held to discuss ways of supporting the student and their behaviors.

***PLEASE NOTE:** Serious violations of district of school rules will result in immediate action from the principal or assistant principal, which may include suspension or expulsion. See "Suspension/Expulsion". Fighting is a suspendable offense. Students involved in hitting may be suspended for 1 to 5 days.

School Accountability Report Card (SARC) Hard Copy Availability

The School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. On this

site you will find the reports for each of our schools in English and Spanish. As required by law, most data presented in this report are reported for the 2018-2019 school year. School finances and school completion data are reported for the 2017-2018 school year. Cell Phone Policy

The Governing Board recognizes that the use of cell phones, smartphones, smart watches, and other mobile communication devices on campus may be beneficial to student learning and well-being, but could also be disruptive of the instructional program. The Board permits limited use of mobile communication devices on campus in accordance with law and the following policy.

Students in **grades TK-5** may **not** use cell phones, smartphones, smart watches or other mobile communication devices while on campus. Devices must be turned off and placed out of sight during the school day. Students who need to call parents may use phones located in the administrative office.

Mobile communication devices shall be turned off during instructional time. However, a student shall not be prohibited from possessing or using a mobile communication device under any of the following circumstances: (Education Code 48901.5, 48901.7)

1. In the case of an emergency, or in response to a perceived threat of danger.
2. When a teacher, administrator, or other district employee grants permission to the student to possess or use a mobile communication device, subject to any reasonable limitation imposed by that teacher, administrator or other district employee.
3. When a licensed physician or surgeon determines that the possession or use is necessary for the student's health and well-being.
4. When the possession or use is required by the student's individualized education program.

Smartphones and other mobile communication devices shall not be used in any manner that infringes on the privacy rights of any other person. The use of any electronic device, to include cell phones, may NOT be used at any time in the gym locker rooms. Due to the unique nature of Prospect Community Day School, students enrolled in this program will continue to be prohibited from possessing or using an electronic signaling device except with prior consent for health reasons. When a school official reasonably suspects that a search of a student's mobile communication device will turn up evidence of the student's violation of the law or school rules, such a search shall be conducted in accordance with BP/AR 5145.12 - Search and Seizure. When a student uses a mobile communication device in an unauthorized manner, the student may be disciplined and a district employee may confiscate the device.

The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate. If turned over to the principal, a parent/guardian may be notified and may be required to pick up the device from school. A student who violates this policy may be restricted from possessing a personal electronic signaling device at school or school-related events. A student may also be subject to discipline, in accordance with law, Board policy, or administrative regulation, for off campus use of a mobile communication device that poses a threat or danger to the safety of students, staff, or district property or substantially disrupts school activities. The Superintendent or designee shall inform students that the district will not be responsible for a student's mobile communication device that is brought on campus or to a school activity and is lost, stolen, or damaged.
